Touching Stories of My Life in Journey to Christian Holiness and Hands-

on Patient Care in a Weeping Healthcare Ramsis Ghaly MD FACS,2019-08-31 This is the twelfth book in the series Christianity and the Human Brain It integrates neuroscience and the Bible the holy book of Jesus My love for Jesus Christ abides with my lifetime passion for neurosurgery and medicine I have a continual obsession for spiritual connectivity

between the Holy Spirit and the human brain which indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull Rather it extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body After performing brain surgeries for three decades I have realized that my theory is so true The majestic human brain can't be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain into the brain of a man of God and transforming the hand of man into the hand of the man of God The spiritual human brain never dies Only the flesh does This is the center of my calling and my unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demands from me My life is dedicated to Jesus to my patients and to my residents As a physician I have reached the top within America both as a professor of neurological surgery and anesthesiology and as a well published author of several famous medical journals As an academic teacher I trained for more than thirty four years and have watched thousands of trainees graduate But all this is nothing as I strive to achieve Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual miracles testimonials and sincere quotes from patients as a testament to the Almighty and the dire need for faith and good hearted medicine This book is full of many vibrant stories that I love to share which is timely since I am guessing that my generation will soon be viewed obsolete by future generations What will remain are the books I authored This book is a text of wealth covering broad and diverse topics in my life journey within 134 chapters and organized over fourteen sections So many chapters are written about my special love for Jesus Christ and his children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to mothers newborns and little children While my soul is grieving a section is centered on the ongoing Christian persecution especially the genocide of Christians in my country Egypt which is also the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn't otherwise convey for one reason or another such as neuroscience in aerospace and some of the timely and touching subjects such as drug overdose human trafficking and health care crises Few chapters are included about my personal views about introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our savior It is never enough to share our love and write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about

Open Eyes Lee "Nico" Middlebrook, 2016-11-14 This book is an autobiography of Lee Nico Middlebrook's life The story behind in *Open Eyes* is that it explains how Nico was able to see clearly how God was leading and how God's hand was on his life It is a look through Nico's eyes as to how God revealed Himself and the things that He has shown Nico

The Awe of The Two Natures and Miracles of Christ Jesus Dr Ibim Alfred, 2023-01-26 The miracles of Christ

Jesus are recorded by all the Four Gospel writers which are treated in accordance with arrangement of each writer in their respective books A careful reading and scrupulous examination in Matthew Mark Luke and John shows that the three categories of the miracles mentioned above are mixed up or rather placed or scattered haphazardly Please note this does not in any way constitute to contextual criticism The main task of this book is to re cast or re set these three types of miracles which are unsystematically or indiscriminately placed in the Four Gospels and to meticulously put them in an organised or methodically order or format Under the guidance of the Holy Spirit this had been achieved in this book and this is one of the strongest and positive advantages and strength which makes this book unique and special This makes it possible to read these amazing wonders with ease and without tears

Stacy's Miracle Brian Throop,2010-02 Stacy s Miracle is Brian Throop s inspirational six year labor of love chronicling the terrifying and miraculous events surrounding his step son s diagnosis of bone cancer and the incredible outpouring of love and prayers from friends family and strangers What starts as an unthinkable diagnosis becomes an unbelievable story of a young man s courage and strength his family s walk of faith and God s amazing grace that changed this family s lives forever

Blindness Moshe Barasch,2001-04-13 This is a remarkable study of how Western culture has represented blindness especially in that most visual of arts painting Moshe Barasch draws upon not only the span of art history from antiquity to the eighteenth century but also the classical and biblical traditions that underpin so much of artistic representation Blind Homer the healing of the blind blind musicians blindness as punishment blindness as a special mark The book discusses blindness in antiquity in the Early Christian world in the Middle Ages and in the Renaissance with a final consideration of Diderot

Today's Scripture Guidance Anthony Teran Miller,2019-09-20 Today s Scripture Guidance contains daily Scripture from the Word of God to guide Believers and those who want to have detailed Holy Spirit guidance Each daily Scripture is received from God through the servant of Jesus prayer to Him The servant of Jesus surrenders to Jesus in prayer each day asking Him to utilize the Holy Spirit to meet God and receive the Scripture that God wants His people to read that day The servant of Jesus also asks that Jesus calls the Holy Spirit to send Spirit taught words through the servant that gives Spirit guidance of the very Word of God This prayer and surrender process is done by the servant of Jesus

each day so that every single day of Scripture is from God and every single day of guidance to the Word of God is from the Holy Spirit The Word and the guidance of God s Word is not from the servant of Jesus but is delivered through the servant of Jesus This is the work that Jesus has called this servant to do Amen Today s Scripture Guidance is from the very Word of God It is spoken boldly with Spirit taught words The guidance is there each day to help the readers of God s Word understand the mystery of His Word through words delivered by the Holy Spirit Today s Scripture Guidance delivers daily reading and guidance to strengthen your understanding of the Word of God and to guide you through living your life in a way that pleases God This Guidance will help you to truly understand the Word of God Each day the Word was selected by God and the guidance was delivered with Spirit taught Words from the Holy Spirit Hallelujah Renewal Apologetics Christopher J. Wilson, 2019-12-09 Why do you believe in God Why do you believe in the Bible Why do you believe in miracles These are questions that Christians are often asked by sceptics The field of apologetics attempts to provide rational answers to these and other questions Unfortunately apologetical answers to these questions are often abstract and philosophical However the Christian apologist evangelist has a much more powerful argument in their arsenal the argument from miracles Miracles are the original Christian apologetic It was through the witnessing of miracles that Christianity was originally spread By applying modern tools of philosophical inquiry and scientific methodology Wilson is able to establish a core set of miracles which defy naturalistic explanations and strongly point toward occurrences of Special Divine Action SDA However once these occurrences are proven to be genuine miracles several questions remain Why does God sometimes perform miracles Why does he often answer no How do these random acts fit into his overall plans of redemption By answering these and other questions Wilson develops a comprehensive apologetic for both Christianity in general and the Renewal Movement in particular
