*The Secrets of Apostolic Success* Oppong Kyekyeku,2022-04-19 It is certainly clear to every believer the distinction between the early church and our contemporary church Spiritually speaking it seems we are serving a different God or Christ For example the early church evangelized extensively but now especially the western churches are sleeping excessively They healed the sick but now the church folks are sick with all kinds of diseases without cure They cast out evil Spirits but now there are evil Spirit possessors in the church more than ever before They were sufficient in every spectrum of life but now the church members are deficient in every spectrum of life They shared everything with each other but now Christians are keeping everything for themselves

even tithes They were selfless with the attitude of putting others first but now the church folks are selfish with the attitude of me I and myself first They were willing to die for Christ at any cost but now Christians want Christ to die for them again for no cost Finally they turned their world upside down but now the world is turning the church upside down The church needs to wake up otherwise our next generation will suffer the defeat of apostasy as the children of Israel suffered after the death of Joshua This book is meant to assure you that you have all that it takes by the grace God has given to you through Jesus Christ to do exactly what the apostles did aEURoeAll things are possible aEUR Absolutely nothing is impossible to you if you put your faith in Christ Jesus into action as others did This is your moment while everyone is sleeping or ignoring authentic supernatural power since challenges produce champions **A Journey for My Father's Love and Mother's Secret** Kim Hug,2012-05-30

I AM Changes Who i Am Gregg Matte,2012-04-05 Living the Christian life is not easy especially in today s culture To be who and do what God commands Christians need to recapture the miraculous Unfortunately miracles have been left either with cable TV faith healers or tour guides in the Holy Land That has to change because it s by seeing what God does that we

discover who He is And knowing who He is and what He does will change who we are and what we do Pastor Gregg Matte believes that the seven I AM statements and the seven miracles recorded in the Gospel of John can give believers a framework for living God s will In I AM Changes Who i Am readers will explore what Jesus says and does and find out what that means for their walk with Him      *The quantum leap* Angelo Aulisa,2017-02-21      *The Bigger Picture* Howard A. Lyman,2009-08 This book is an exciting opportunity for exercising individual thought based upon humanity s search for a significant role in the ongoing drama of a much better world It is a challenge to all of humanity of every race and culture every religious faith and to those who possess an avid religion of no religion the pure atheist Throughout the book the author proclaims the dignity of the human creature as he seeks his destiny It reflects a destiny that exists beyond all human comprehension and is not to be restricted by any religion especially Christianity The author suggests that the most tragic happening for the Christian faith is that it has been categorized as just another religion The central theme of the book is that there is an awesomely bigger picture for the success of human life and we are a precise part of its unfolding as humans with the gifts of a reasoning mind and a delicate inner spirit searching for meaning and destiny The book suggests that the ultimate destiny and goal is the ultimate perfection of human nature his character and his behavior This lies at the heart of all searching minds and spirits as they are driven to a discovery or destiny Contained in Paul s letter to the Corinthians in the first century is his observation that the human eye has never seen or the ear heard nor has there entered into the mind of any man what it is that God has prepared for those who love Him This book affirms that God is and that God possesses the true blueprint for the perfection of human nature Our human destiny is dependent upon our relationship to the Master Creator and our cooperation with Him This is a crucial ingredient of all religions and for all human beings who can recognize that God has created the human creature in His own image of a mind and spirit capable of communication with Him This book does not attempt to identify the realistic facts of what the bigger picture is like It only challenges us to realize that there is a bigger picture and we humans must participate in the development of it We can only use our God given minds and our spirits to cooperate with God in the attainment of a perfect humanity in a perfect new world The book is designed as a thinking and pondering opportunity It consists of nine chapters containing commentaries on the meaning of life followed by thought provoking sermons preached many years ago but are currently challenging with a great depth of thought that enables the reader to ponder and consider and experience what it is that is happening to us as a part of the drama of world history and cosmic exploration The Christian event is vital to our thinking exploration because it was a happening that revealed the simple but essential fact that we humans are a part of a dramatic movement of life that involves the entire panorama of the cosmic universe The book is full of affirmations that we humans are a part of a much more significant existence than we realize Chapter titles reflect the insightful progress of the book Chapter 1 The Prelude Chapter II The Glory of Life Chapter III The Vital Truth That Eludes Us Chapter IV Life is Utterly Amazing Chapter V What is Really Going On Chapter VI Faith Is

Vital Chapter VII When Hope Comes Alive Chapter VIII Love Is Like a Miracle and Chapter IX Your Ultimate Goal The final statement of the author reflects his common sense analysis of human life He states that There is no such thing as perfection in this life but ultimately in God's Bigger Picture there will be It is God's goal for His human creation you and me

Bridging the Ministry Gap Jeremy Amick, 2012-07-05      **Genesis** Johann Peter Lange, 2024-08-28 The original 63 volumes set are now reduced to 9 volumes We have completed volumes 1-6-9 which are the New Testament Lord willing during 2023-2024 we will try to complete volumes 2-5 which are the Old Testament This volume was published between 1867-1874 In contrast to the extreme skeptical critical mode which came to characterize much of German scholarship in the 19th century Lange represented a more traditional conservative and Evangelical approach shared in common with men such as E W Hengstenberg He was also a Reformed minister and the Commentaries reflect this combination of conservative criticism Evangelical theology and homiletics in a way that is unique For each passage that is covered a consistent approach is adopted throughout After giving the text in translation along with textual notes as footnotes three different kinds of commentary are presented EXEGETICAL AND CRITICAL DOCTRINAL AND ETHICAL HOMILETICAL AND PRACTICAL This gives you three times the value For each verse you select a drop down box will appear allowing you to choose from each of these areas or kinds of commentary For detailed analysis go to the exegetical critical notes for sermon ideas and pastoral insights select the Homiletical notes      *The Conversion of Igbo Christians to Islam* Chinyere Felicia Priest, 2020-04-30 Often considered a Christian heartland in Nigeria Igboland has recently seen a dramatic increase in Igbo Christians converting to Islam Yet despite this rapid change there has been minimal research into the growth of Islam in the area and the implications this has for Christianity in the region Addressing this need Dr Chinyere Felicia Priest provides a detailed exploration of Igbo converts reasons for conversion through skilful analysis of in depth ethnographic interviews with thirty converts considering their social religious and familial backgrounds This unique study sheds much needed light on the role of intellectual factors in the conversion experiences of many newly Muslim Igbos and challenges previous ideas of monetary and social influences as primary motivations for conversion As a result of her examination of these conversion experiences Dr Priest calls for serious intellectual engagement of biblical doctrine within the Igbo church and highlights the need for ministers and missiologists to better disciple and equip Christians to adequately engage with Muslim objections to the gospel and give a reasoned defence of their faith The vulnerability of many Igbo Christians will continue to result in converts to Islam unless the church heeds the lessons learned from this research and outlined in this book      *Brothers in Spirit*, 1996-06-01 Scion of the Pittsburgh oil and banking family William Larimer Mellon Jr was married the father of three and a successful rancher in Arizona when at thirty seven he read a Life magazine article about Albert Schweitzer's reverence for life that guided his mission hospital in a remote area of Gabon Africa Mellon immediately wrote to the famous humanitarian in Lambarene expressing admiration of Schweitzer's life of service and the wish to engage in similar work with his wife Gwendolyn

Schweitzer's reply in March 1948 was a lengthy letter of realistic encouragement. In time Mellon received his medical degree from Tulane University and later established a well equipped hospital in one of the poorest regions of Haiti where with his wife he spent the rest of his life working as a physician and a community development engineer. The hospital continues to thrive. *Brothers in Spirit* brings together sixty five of the letters written between 1947 and Schweitzer's death in 1965. Presented here in both English and the original French they eloquently tell the story of a comfortable life abandoned for the goal of serving humanity.     [Sun Rise: Your Complete Guide to Sustainable Living](#) ,
