Miracle Of November Madrids Epic Stand 1936:

Miracle of November Dan Kurzman,1980 **Miracle of November** Dan Kurzman,1980 **Quest for Decisive Victory** Robert Michael Citino,2002 Since the earliest days of warfare military operations have followed a predictable formula after a decisive battle an army must pursue the enemy and destroy its organization in order to achieve a victorious campaign But by the mid 19th century the emergence of massive armies and advanced weaponry and the concomitant decline in the effectiveness of cavalry had diminished the practicality of pursuit producing campaigns that bogged down short of decisive victory Great battles had become curiously indecisive decisive campaigns virtually impossible *Milicianas* Lisa Margaret Lines,2012-01-01 During the first few days of the Spanish Civil War women played an integral role in the spontaneous uprising that prevented the immediate success of the Nationalist coup Around one thousand of these women went on to join the militias who fought at the front Women also played an important role in the defense of cities with another several thousand forming sections of the armed rearguard Indeed women s participation in the anti fascist resistance constituted one of the greatest mass political mobilizations of women in Spain s history *Milicianas* provides a comprehensive picture of what life was like for the women who fought during the first year of the civil war focusing on how the women themselves viewed this experience It demonstrates that the significance of the milicianas phenomenon lies in the fact that these women took up arms in relatively large numbers were self motivated participated in combat equally with their male comrades and played an extensive and sophisticated military role By late 1936 attitudes towards women in combat began to change drastically and by March 1937 the majority of milicianas had been removed from their combat positions Though there existed a consensus around this issue among the male leadership of both the Republican government and left wing political groups female combatants viewed this turn of events differently The majority of the milicianas had deep reservations about their recall from the front and saw it as a retreat from the gains women had made during the war and revolution Indeed while the political leadership within the Republic presented numerous arguments for why it was necessary to remove women from combat this book argues that the reason it was initially considered acceptable for women to fight and then seen as undesirable eight months later was connected to the course of the social revolution **A Special Mission** Dan Kurzman,2007-05-07 From the author of *The Bravest Battle* *Special Mission* reveals how Hitler and Pope Pius XII plotted against one another in 1943 as the lives of Rome s Jews were held in the balance **Fatal Voyage** Dan Kurzman,2008-12-24 Shortly after midnight on July 30 1945 the Navy cruiser USS Indianapolis was torpedoed by a Japanese submarine in the Philippine Sea The ship had just left the island of Tinian delivering components of the atomic bomb destined for Hiroshima As the torpedoes hit the Indianapolis erupted into a fiery coffin sinking in less than fifteen minutes and leaving nine hundred crewmen fighting for life in shark infested waters They expected a swift routine rescue unaware that the Navy high command didn t even realize that the Indianapolis was missing Help would not arrive for another five days Drawn from definitive interviews with key figures *Fatal*

Voyage recounts the horrific events endured as the number of water treading survivors dwindled to just 316 Each gruesome day brought more madness and slow death from explosion related injuries dehydration and most terrifying of all shark attacks But the pain did not end when the men finally returned home The Indianapolis s commander Captain Charles B McVay III was court martialed for causing the clearly unavoidable disaster With a new afterword chronicling the fifty five year campaign by Indianapolis survivors and their supporters to win public vindication for Captain McVay this classic is restored along with memories of the Indianapolis crew

No Greater Glory Dan Kurzman,2005-08-09

The sinking of the Dorchester in the icy waters off Greenland shortly after midnight on February 3 1942 was one of the worst sea disasters of World War II It was also the occasion of an astounding feat of heroism and faith As water gushed through a hole made by a German torpedo four chaplains members of different faiths but linked by bonds of friendship and devotion moved quietly among the men onboard Preaching bravery the chaplains distributed life jackets including their own In the end these four men went down with the ship their arms linked in spiritual solidarity their voices raised in prayer In this spellbinding narrative award winning author and journalist Dan Kurzman tells the story of these heroes and the faith in God and in country that they shared They were about as different as four American clergymen could be George Lansing Fox Methodist wounded and decorated in World War I loved his family and his Vermont congregation yet he re enlisted as soon as he heard about Pearl Harbor Rabbi Alex Goode was an athlete an intellectual and an adoring new father yet he too knew the day Pearl Harbor was bombed that he would serve Clark Poling Dutch Reformed the son a famous radio evangelist left for war begging his father to pray that he would never be a coward Father John Washington Catholic a scrappy Irish street fighter had dedicated himself to the church after a childhood brush with death Chance brought the chaplains together at a Massachusetts training camp but each was convinced that God had a reason for placing them together aboard the Dorchester Drawing on extensive interviews with the chaplains families and the crews of both the Dorchester and the German submarine that fired the fatal torpedo Kurzman re creates the intimate circumstances and great historic events that culminated in that terrible night The final hours unfold with the electrifying clarity of nightmare the chaplains taking charge of the dwindling supply of life jackets the panic of the crew the overcrowded lifeboats the prayers that ring out over the chaos and the tight circle that the four chaplains form as the inevitable draws near In No Greater Glory Dan Kurzman tells how four extraordinary men left their mark on a single night of war and forever changed the lives of those they saved Riveting and inspiring this is a true story of heroism of goodness in the face of disaster and of faith that transfigures even the horror of war
