Saving Christianity Hilary Wakeman, 2012-10-04 I believe because it is impossible Tertullian 2nd century Some of the statements of belief that Christians are required to assent to such as the Virgin Birth and the bodily Resurrection of Jesus are driving many of them out of the Catholic and Protestant churches and preventing new people from coming in Yet those statements were formulated nearly two thousand years ago in a time when people understood the world very differently For over 150 years theologians of all denominations have been warning the Church that if it is not to become extinct it needs to look for the truths that lie behind those ancient formulations and find new ways of presenting them But their words have been ignored by the church authorities and by priests and ministers preferring not to disturb the present faith of their congregations And so the gap between the theologians and the people in the pews continues to widen Now many Christians are taking their beliefs into their own hands Increasingly they are meeting in small groups and communities without formal leadership and without formal doctrine ignoring denominational differences yet bringing the best of their various traditions with them Is this the Christianity of the future In this book Hilary Wakeman a recently retired priest in the Church of Ireland talks about the difference between right brain and left brain approaches to faith and religion and considers

some of the ways that the core doctrines of Christianity can be re stated so that they can be expressed with honesty and integrity     Sharing My Faith in God and His Promise of a Miracle Before It Happens Kathy Puder,2024-07-22 Kathy Puder shares some of the incredible ways she has experienced God s presence through events in nature and in life in this book A few times she has audibly heard God calling out to her to give her guidance assurance and direction during some very difficult times It was during one of those moments that she heard God share His promise of healing her In this book she will share a little about that time and His promise before the miracle happens She also reveals encounters a few of her friends have also had in which they audibly heard a promise from God and the miracles that followed for them or their loved ones who God had healed Throughout this book the author emphasizes that when we put faith first it is amazing to see the beauty that He graces us with When we display our faith for others to see are sharing God s love with others and are encouraging others to grow in or start their walk with God we will be fulfilling our mission as children of God     *Miracles Still Happen* Natasha Davis,2010-04 Is having faith in God s promises still important This is the question Natasha Davis must answer when she gets the devastating news that she has only months left to live In deep pain and experiencing one of the hardest times in her life Natasha learns fully the power there is in having unshakable faith in the Lord In a comprehensive and truly remarkable collection of experiences Natasha draws a remarkable and poignant parallel between her personal experiences and those of the Old Testament By reminding herself of God s omnipotence and bolstering herself and her family with scripture everyone is touched and everyone experiences healing realizing together that Miracles Still Happen Natasha Davis s love for writing as well as her education in English gave her the ability to be obedient to God when he spoke to her heart saying Tell your story She resides in Van Buren Arkansas with her husband and two small children Don t look at Natasha and think that God loves her more than anyone else for this is not true What makes her special is that she has taken God at his word and has had the faith to call things that were not as though they were If you will read this book with an open heart you will discover like Natasha did that Miracles Still Happen     **The Miracles In You** Mark Victor Hansen,2015-04-14 Mark Victor Hansen co author of Chicken Soup for the Soul authors the ultimate book on personal and spiritual success for the 21st century     *The Miracle Moment Participant's Guide* Nicole Unice,2021-05-18 The Miracle Moment Participant s Guide is a six session workbook designed for use with the companion DVD experience sold separately Based on the new book The Miracle Moment by popular speaker Nicole Unice this is a great resource for anyone wanting to transform their relationships at home in love or at work Designed for group or individual use The Miracle Moment Participant s Guide is a six week journey in discovering the practical tools to Learn to respect and respond to your emotions without letting them control you Speak words that help rather than hurt the likelihood of your getting what you need Identify and keep yourself safe from toxic people Become comfortable setting and holding boundaries Be your best self even when you re tempted to shut up blow up or give up Don t miss the companion Miracle Moment DVD Experience     How to Help the Christian Home Wayne E.
