United States Educational, Scientific, and Cultural Motion Pictures and Filmstrips, Selected and Available for Use Abroad; Education Section United States. Interdepartmental Committee on Visual and Auditory Materials for Distribution Abroad. Subcommittee on Catalog,1959 The Creed in Slow Motion Martin Kochanski,2022-06-30 I believe in one God the Father almighty maker of heaven and earth The Creed is the bones of our faith In all our different ways it makes us who we are But when we stand up and recite the Creed in unison we have no time to contemplate what it is that we are committing ourselves to The words rush past their meaning blurred by familiarity If we could only slow them down and hear them properly they would have the power to change worlds That is what The Creed in Slow Motion aims to do This is a book for people who like to think things through from first principles It will not tell you what to believe It is for you to engage your mind and discover that for yourself And for unbelievers to learn what exactly they disbelieve and why In forty short chapters with clarity and wit The Creed in Slow Motion draws examples from real life stories history and even science to uncover the core claims of Christianity By turns it is deep heartening startling revolutionary and even by the world s standards outrageous

miracles local professionalization to international networks each essay offers a fascinating insight into a still largely neglected area Furthermore the collection argues for the importance of widening current research to consider the importance and impact of early Irish medical traditions networks and practices and their interaction with related issues such as politics gender economic demand and religious belief     Motion Toward Perfection Albert Truman Schwartz, John G.
