Berg, 2011-11-30 For thousands of years no book has been more shrouded in mystery than the Zohar yet no book offers us greater wisdom The central text of Kabbalah the Zohar is a commentary on the Bible s narratives laws and genealogies and a map of the spiritual landscape In *The Essential Zohar* the eminent kabbalist Rav P S Berg decodes its teachings on evil redemption human relationships wealth and poverty and other fundamental concerns from a practical contemporary perspective The Zohar and Kabbalah have traditionally been known as the world s most esoteric sources of spiritual knowledge but Rav Berg has dedicated his life to making this concentrated distillation of infinite wisdom available to people of all faiths so that we may use its principles to live each day in harmony with the divine      **Three Perspectives: Jewish, Christian, and Muslim** Steven H. Propp, 2009-12-30 Youre Jewish arent you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish

identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world

Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and

meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports *Miracles All Around Us* John Van Diest,2016-05-01

Prophet,Elizabeth Clare Prophet,2003-12

In the twentieth century alone more than two hundred appearances of Mary the mother of Jesus have been reported in over thirty countries Some claim Mary has appeared to them as they pray Others say they have watched her statues weep or have seen her images on walls or windows And some tell us that Mary has revealed to them urgent prophecies and secrets Mary has entrusted her messages to unlikely ambassadors not prelates or popes presidents or politicians but children and simple folk innocent ones who could receive her messages in humility and convey them with undiluted simplicity For forty years Mother Mary gave messages through Mark and Elizabeth Prophet to comfort and enlighten spiritual seekers of all paths This groundbreaking book records Mary s precious messages of wisdom hope and peace to a troubled world It also includes the text of eight nondenominational scriptural rosaries one for each day of the week and Sunday evening Goddess Mystery Cults and the Miracle of Minyan Prehistoric Greece Dionysious Psilopoulos,2023-01-03

As this book demonstrates the cradle of the Mystery Cults of the Goddess and of Western civilization is the Aegean region an area extending from the Balkans to Crete and from the Ionian Sea to Asia Minor The Eleusinian Mysteries do not originate from Old Europe or Egypt but from the worship of the Pelasgian goddess Daeira Mother Earth who preceded Demeter and whose cult was indigenous to Eleusis As shown here in the Mysteries of the Goddess the initiates descend into the depths of their psyche perceive the midnight sun transcend duality and achieve cosmic consciousness symbolized by the unity and harmony of the Great Goddess The Pelasgians Minyans and Minoans the Aegean region s prehistoric tribes and ancestors of the Mycenaeans and modern Greeks share the same cultural heritage continuity and autochthony with the region s Proto Greek pre Deukalion Flood inhabitants The book also argues that religious and scientific traces of pre Flood knowledge can be discerned in the Mysteries and the technical achievements of prehistoric Minyan and Minoan Greeks Even from the third millennium the Minyans and Minoans with their advanced nautical geographic and astronomical knowledge sailed not only the Mediterranean but using the Atlantic currents had reached the copper mines of northern Europe and America *Miracles Today* Craig S. Keener,2021-10-19

Do miracles

still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener s most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener s basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also accessible to church leaders and laypeople
