Miracles Take A Little Longer:

Sitting in the Earth and Laughing Arthur Roy Eckardt, The work includes many of Dr Eckardt s own fanciful stories essays and verses as well as material derived from student malapropisms from children and from professional humorists and comedians Appearing at a time of burgeoning scholarly and popular interest in the domain of humor Sitting in the Earth and Laughing shows how humor and laughter lie within the realm of human mysteries together with tragedy suffering and love that can be comprehended and relished *The Sea of Galilee Boat* Shelley Wachsmann,2013-11-11 Wachsmann punctuates the absorbing details of preserving this artifact with the rich history that surrounds the Sea of Galilee making this a uniquely enduring and personal work Wachsmann transports us enabling us to savor this voyage with him on one of the greatest archaeological expeditions of the twentieth century An Apple a Day Caroline Taggart,2011-03-03 From Old Testament proverbs to modern phrases like the best things in life are free An Apple a Day takes a fun look at expressions that have stood the test of time Read through from start to finish or search through the list of hundreds of the most common proverbs arranged from A to Z for easy reference You ll learn about each proverb s surprising origins why some are valid and others are not the derivation and meanings behind them and their relevance in today s society Includes entries like Two heads are better than one Like the less familiar Four eyes see better than two this proverb extols the benefits of having someone else help you make up your mind and it s a view that goes back to at least the fourteenth century But while it is always useful to have a second opinion A sounding board Someone else to blame it might also be worth bearing in mind the disadvantages of design or decision making by committee something that really pleases no one So whereas two heads may well be better than one three could be a crowd Laughter is the best medicine This idea is an ancient one and is found in appropriately the book of Proverbs A merry heart doeth good like a medicine but a broken spirit drieth the bones It has prompted a surprising amount of research with the result that some scientists claim that laughter has the same benefits as a mild workout it stretches muscles sends more oxygen to the tissues and generally makes you feel healthier One study even claims that laughing heartily for 10 15 minutes burns 50 calories But let s pause for thought here The world may laugh with you over a joke or a rerun of Seinfeld but if you make a habit of laughing heartily for 10 15 minutes for no apparent reason the world is going to think you are nuts and cross the street to avoid you It may be worth striving for a happy medium An apple a day keeps the doctor away A common British folk saying this is one of the few proverbs that can be taken at face value All it means is that apples are good for you The Romans knew this and so did the Anglo Saxons who listed the crabapple as one of the nine healing plants given to the world by the god Woden They probably didn t know as we now do that apples contain fiber antioxidants and sundry vitamins and minerals that help to prevent osteoporosis heart disease and various forms of cancer But they did know that they were cooling cleansing and soothing whether taken as a natural diuretic or applied externally to inflammations An anonymous medieval text called The Haven of Health recommended eating an apple to relieve

your feelings if you were going to bed alone while Ayurvedic medicine says that apples cure headaches and promote vitality So the jury is out on whether or not apples are good for your sex life but they are certainly good for pretty much everything else Guaranteed to amuse and inform this is the perfect gift for any language lover Make this and all of the Reader s Digest Version books a permanent fixture on your eReader and you ll have instant access to searchable knowledge Whether you need homework help or want to win that trivia game this series is the trusted source for fun facts **Paiforce** Great Britain.
