Miracles What The Bible Really Says:

Miracles Douglas Connelly,1997 Douglas Connelly raises the question of how we are to evaluate the validity of miracles in light of biblical truth This book evaluates a variety of true and false miracle accounts as well as the Signs and Wonders Movement in biblical perspective **What The Bible Really Says About That...!** Robert L. Kramer,2008-05 ARE YOU SURE YOU KNOW What the Bible really says about some of the most IMPORTANT CONTROVERSIAL subjects Was the world created in six days Is sex a tolerated tainted activity What is the image of God Did Enoch and Elijah never die Was I born a sinner or saint Is Saturday or Sunday the required holy day How did an evil Satan get into God s good world Once saved does it really matter how I live Am I an adopted child of God or born into His family Is my soul immortal and will sinners face eternal torture or eternal death in Hell Read this clarifying scholarly but easy to read study of some controversial doctrines and difficult Bible texts Discover that what the Bible actually says about these subjects is more exciting and freeing than the traditional lore and faulty interpretations men have taught The writer Rev Robert L Kramer is a graduate of Moravian College and received his theological training at the Evangelical Seminary Reading PA and Moravian Theological Seminary Bethlehem PA He had been a pastor for 45 years in the Evangelical Congregational Church and had written Sunday School lessons for the denominational Sunday School quarterly and articles for the church paper The United Evangelical He had served as secretary and then president of the Christian Educational Society of the Evangelical Congregational Church Upon retirement from the pastorate he was urged by his District Superintendent to pursue means to preserve and share his teachings with the Christian community at large To that end he began to write and mail a bi monthly periodical Second Thoughts which he has done for 14 years He has served as the Bible teacher in camp meetings in Pennsylvania and has held prophecy conferences in Pennsylvania and Texas What the Bible Really Says Morton Smith,R. they know Some people have refused to believe in a loving God because they have had a disabled ill or stillborn child born to them or born to someone close to them Others because they have been unable to get what they really wanted out of life after trying their very best or even begging God for a particular thing for many years The biblical scriptures provide many answers to the reasons that these bad things happen to good and evil people The answers to some of these questions may surprise you but they will also bring you understanding and peace This book searches out and explains the many scriptures and hidden truths in the Christian Bible which all plainly and simply explain why bad things happen to good people

What the Bible Really Says about How to Hear God Peter Tullener, 2020-04-09 The Bible tells us that faith comes by hearing and hearing by the word of God and without faith it is impossible to please God We are also told that God speaks to us through His written word and spoken words So how can we have faith if we can't hear the word of God Hearing God's voice is not only reserved for those who are good or holy or special enough It is a privilege that is available to anyone that truly follows Jesus Christ It may not be easy but it is possible for the most simple person to learn to do regardless of your intelligence education background ancestry or past sins People often find the Bible difficult to read because it contains so much information about so many different and critically important subjects that it is sometimes difficult to focus on one specific subject as you read through all the books of the Bible This book extracts the scriptures that the Bible gives to help you hear the voice of God and gives simple practical advice so that you can avoid many mistakes that so many Christians have made so that you can more easily live the abundantly blessed life that Jesus died for you to have What the Bible Really Says about How to Hear God is a book that simply and plainly explains what the Bible actually says about the subject and incorporates over twenty five years of the author's life experience and mistakes that will help you to avoid making the same mistakes and to learn how to recognize hear and follow the voice of God in your everyday life

Miracles Douglas Connelly, 1999-01-22 Most of us could use a miracle Some physical condition relationship problem or financial crisis we struggle with could be fixed rather quickly with just one miracle When we open the pages of the Bible our desire for a miracle intensifies as we read astonishing stories of God's power poured out What do these events have to do with us How can we experience the power of God in the battles we face every day This twelve session LifeGuide Bible Study explores the miracles of God to help you discover how he works in our world yesterday and today

How Can I Pray When I'm Sick? Douglas Connelly, 1999-03-01 What should you do when serious illness strikes What steps can you take to pursue healing How can you approach God in prayer when you are sick Douglas Connelly has gleaned from the biblical record five steps that every Christian should take during illness These steps of obedience and faith acknowledge both God's sovereign power over us and his ability to meet our deepest needs pray for God's healing seek medical help confess any known sin in your life ask to be anointed rest fully in God's care This booklet will comfort you when you are ill and encourage you to confess But as for me it is good to be near God I have made the Sovereign Lord my refuge Psalm 73:28
