Historical Dictionary of U.S. Latino Literature Francisco A. Lomelí, Donaldo W. Urioste, María Joaquina Villaseñor, 2016-12-27 U S Latino Literature is defined as Latino literature within the United States that embraces the heterogeneous inter groupings of Latinos For too long U S Latino literature has not been thought of as an integral part of the overall shared American literary landscape but that is slowly changing This dictionary aims to rectify some of those misconceptions by proving that Latinos do fundamentally express American issues concerns and perspectives with a flair in linguistic cadences familial themes distinct world views and cross cultural voices The *Historical Dictionary of U S Latino Literature* contains a chronology an introduction and an extensive bibliography The dictionary section has cross referenced entries on U S Latino a authors and terms relevant to the nature of U S Latino literature in order to illustrate and corroborate its foundational bearings within the overall American literary experience This book is an excellent access point for students researchers and anyone wanting to know more about this subject *Chicano/Latino Homoerotic Identities* David W.

Foster,2014-07-16 This collection which grew out of a research conference held at Arizona State University in November 1997 examines varieties of Chicano Latino homoerotic identities It includes essays by a group of scholars who are engaged in defining the parameters of these identities and who are concerned with how those identities interact with the dominant ones articulated by a hegemonic Anglo society in the United States

Border Matters José David Saldívar,2023-04-28 *Border Matters* locates the study of Chicano culture in a broad social context Jos Saldívar examines issues of representation and expression in a diverse exciting assortment of texts corridos novels poems short stories punk and hip hop music ethnography paintings performance art and essays Saldívar provides a sophisticated model for a new kind of U S cultural studies one that challenges the homogeneity of U S nationalism and popular culture by foregrounding the contemporary experiences and historical circumstances facing Chicanos and Chicanas This intellectually adventurous politically engaged study applies borderlands and diaspora theory to Chicano cultural practices in a way that permanently changes our understanding of both the Chicano experience and the meaning of cultural theory Defying national and nationalistic paradigms of culture Saldívar argues that the culture of the borderlands is trans national constituting a social space in which new relations hybrid cultures and multi voiced aesthetics are negotiated Saldívar's critical readings treat culture as a social force and reveal the presence of social contexts within cultural texts *Border Matters* maps out a new terrain for the study of culture reshaping the way we understand migration national identity and intellectual inquiry itself *Border Matters* locates the study of Chicano culture in a broad social context Jos Saldívar examines issues of representation and expression in a diverse exciting assortment of texts corridos novels poems short stories punk and hip hop

AIDS Narratives Steven F. Kruger,2013-10-28 This is the first book length study of the rich fiction that has emerged from the AIDS crisis Examining first the ways in which scientific discourse on AIDS has reflected ideologies of gender and sexuality such as the construction of AIDS as a disease of gay men part of a battle over masculinity and thus largely excluding women with AIDS from public attention the book considers how such discourses have shaped narrative understandings of AIDS On the one hand AIDS is seen as an invariably fatal weakening of an individual's bodily defenses a depiction often used to reconfirm an identification between disease and a weak and vulnerable gayness On the other hand AIDS is understood in terms of an epidemic attributable to gay immorality or unnaturalness The fiction of AIDS depends upon these two narratives with one major subgenre of AIDS novel presenting narratives of personal illness decline and death and a second focusing on epidemic spread These novels also question the narrative structures upon which they depend intervening particularly against the homophobia of those structures though also sometimes reinforcing it

Brown on Brown Frederick Luis Aldama, 2009-07-21 Common conceptions permeating U S ethnic queer theory tend to confuse aesthetics with real world acts and politics Often Chicano a representations of gay and lesbian experiences in literature and film are analyzed simply as propaganda The cognitive emotional and narrational ingredients that is the subject matter and the formal traits of those representations are frequently reduced to a priori agendas that emphasize a politics of difference In this book Frederick Luis Aldama follows an entirely different approach He investigates the ways in which race and gay lesbian sexuality intersect and operate in Chicano a literature and film while taking into full account their imaginative nature and therefore the specific kind of work invested in them Also Aldama frames his analyses within today s larger globalized context of postcolonial literary and filmic canons that seek to normalize heterosexual identity and experience Throughout the book Aldama applies his innovative approach to throw new light on the work of authors Arturo Islas Richard Rodriguez John Rechy Ana Castillo and Sheila Ortiz Taylor as well as that of film director Edward James Olmos In doing so Aldama aims to integrate and deepen Chicano literary and filmic studies within a comparative perspective Aldama s unusual juxtapositions of narrative materials and cultural personae and his premise that literature and film produce fictional examples of a social and historical reality concerned with ethnic and sexual issues largely unresolved make this book relevant to a wide range of readers

Latino Los Angeles in Film and Fiction Ignacio López-Calvo, 2011 Los Angeles has long been a place where cultures clash and reshape The city has a growing number of Latina o authors and filmmakers who are remapping and reclaiming it through ongoing symbolic appropriation In this illuminating book Ignacio L pez Calvo foregrounds the emotional experiences of authors implicit authors narrators characters and readers in order to demonstrate that the evolution of the imaging of Los Angeles in Latino cultural production is closely related to the politics of spatial location This spatial temporal approach he writes reveals significant social anxieties repressed rage and deep racial guilt Latino Los Angeles in Film and Fiction sets out to reconfigure the scope of Latino literary and cultural studies Integrating histories of different regions and nations the book sets the interplay of unresolved contradictions in this particular metropolitan area The novelists studied here stem from multiple areas including the U S Southwest Guatemala and Chile The study also incorporates non Latino writers who have contributed to the Latino culture of the city The first chapter examines Latino cultural production from an ecocritical perspective on urban interethnic relations Chapter 2 concentrates on the representation of daily life in the barrio and the marginalization of Latino urban youth The third chapter explores the space of women and how female characters expand their area of operations from the domestic space to the public space of both the barrio and the city A much needed contribution to the fields of urban theory race critical theory Chicana o Latina o studies and Los Angeles writing and film L pez Calvo offers multiple theoretical perspectives including urban theory ecocriticism ethnic studies gender studies and cultural studies contextualized with

notions of transnationalism and post nationalism *Show and Tell* Karen Christian,1997 What elements are present for a body of writing to be considered Latina o Through the analysis of nine recent Latina o novels Karen Christian melds the theory of performativity with the latest scholarship on ethnicity and ethnic literature to create a framework for viewing identity as a continuous process that cannot be reduced to static categories **A User's Guide to Postcolonial and Latino Borderland Fiction** Frederick Luis Aldama,2010-01-01 Why are so many people attracted to narrative fiction How do authors in this genre reframe experiences people and environments anchored to the real world without duplicating real life In which ways does fiction differ from reality What might fictional narrative and reality have in common if anything By analyzing novels such as Arundhati Roy s *The God of Small Things* Amitav Ghosh s *The Glass Palace* Zadie Smith s *White Teeth* and Hari Kunzru s *The Impressionist* along with selected Latino comic books and short fiction this book explores the peculiarities of the production and reception of postcolonial and Latino borderland fiction Frederick Luis Aldama uses tools from disciplines such as film studies and cognitive science that allow the reader to establish how a fictional narrative is built how it functions and how it defines the boundaries of concepts that appear susceptible to limitless interpretations Aldama emphasizes how postcolonial and Latino borderland narrative fiction authors and artists use narrative devices to create their aesthetic blueprints in ways that loosely guide their readers imagination and emotion In *A User s Guide to Postcolonial and Latino Borderland Fiction* he argues that the study of ethnic identified narrative fiction must acknowledge its active engagement with world narrative fictional genres storytelling modes and techniques as well as the way such fictions work to move their audiences *Encyclopedia of Latino Culture* Charles M. Tatum,2013-11-26 This three volume encyclopedia describes and explains the variety and commonalities in Latina o culture providing comprehensive coverage of a variety of Latina o cultural forms popular culture folk culture rites of passages and many other forms of shared expression In the last decade the Latina o population has established itself as the fastest growing ethnic group within the United States and constitutes one of the largest minority groups in the nation While the different Latina o groups do have cultural commonalities there are also many differences among them This important work examines the historical regional and ethnic racial diversity within specific traditions in rich detail providing an accurate and comprehensive treatment of what constitutes the Latino experience in America The entries in this three volume set provide accessible in depth information on a wide range of topics covering cultural traditions including food art film music and literature secular and religious celebrations and religious beliefs and practices Readers will gain an appreciation for the historical regional and ethnic racial diversity within specific Latina o traditions Accompanying sidebars and spotlight biographies serve to highlight specific cultural differences and key individuals
