Miraculous Response Doing Popular Religion In Contemporary China:

Miraculous Response Adam Yuet Chau, 2008-07-21 This book length ethnography of the revival of a popular religious temple in contemporary rural China examines the organizational and cultural logics that inform the staging of popular religious activities It also explores the politics of the religious revival detailing the relationships of village level local activists and local state agents with temple associations and temple bosses Shedding light on shifting state society relationships in the reform era this book is of interest to scholars and students in Asian Studies the social sciences and religious and ritual studies

Religion in Contemporary China Adam Yuet Chau, 2010-12-21 This book provides a wide ranging and in depth survey of contemporary religious practices in China It explains how recent economic reforms and concurrent relaxation of religious polices have created fertile ground for the revitalization of a wide range of religious practices and relates this to larger issues of social and cultural continuity and change

Contemporary Religions in China Shawn Arthur, 2019-01-30 Folk and popular religion is a very significant part of Chinese religious life especially in rural areas Contemporary Religions in China focuses on the religious activities of the lay people of contemporary China and their ideas of what it means to be religious and to practice religion Throughout the discussion is illustrated with case studies textboxes images thought questions and further reading which help to capture what religion is like how and why it is practiced and what religion means for everyday people across China in the twenty first century Contemporary Religions in China is an ideal introduction to religion in China for undergraduate students of religion Chinese studies and anthropology

Christian Social Activism and Rule of Law in Chinese Societies Chris White, Fenggang Yang, 2021-06-10 Although Christianity has been a minority religion in Chinese societies Christians have been powerful catalysts of social activism in seeking to establish democracy and rule of law in mainland China Taiwan Hong Kong and diasporic communities The chapters gathered in this collection reveal the vital influence of Christian individuals and groups on social political and legal activism in Chinese societies Written from a range of disciplinary and geographical perspectives the chapters develop a coherent narrative of Christian activism that illuminates its specific historical theological and cultural contexts Analyzing campaigns for human rights universal suffrage and other political reforms this volume uncovers the complex dynamics of Christian activism highlighting its significant contributions to the democratization of Greater China

Making Christ Present in China Michel Chambon, 2020-10-24 An anthropological theorization of the unity and diversity of Christianity this book focuses on Christian communities in Nanping a small city in China It applies methodological insights from Actor Network Theory to investigate how the Christian God is made part of local social networks The study examines how Christians interact with and re define material objects such as buildings pews offerings and blood in order to identify the kind of networks and non human actors that they collectively design By comparing local Christian traditions with other practices informing the Nanping religious landscape the study points out potential cohesion via the centralizing presence of the Christian God the governing nature of the

pastoral clergy and the semi transcendent being of the Church **Religious Rights** Lorenzo Zucca, 2017-05-15 The central focus of this collection of essays is the role and place of freedom of religion in the protection and promotion of world order The volume offers competing models of world order from a global perspective and highlights the lack of consensus and considerable variety of practice and belief around the globe as to the definition of religious freedom and where and whether freedom of religion is regarded as the first freedom in the world The leading theories of freedom of religion are discussed and provide an understanding of freedom of religion beyond the nation state The liberal view at the global level is also examined and observations are included regarding the need to rethink secularism in the light of present circumstances and within the global context Gender in Chinese Music Rachel A. Harris, Rowan Pease, Shzr Ee Tan, 2013 Gender in Chinese Music draws together contributions from ethnomusicologists anthropologists and literary scholars to explore how music is implicated in changing notions of masculinity femininity and genders in between in Chinese culture **Religious Internationals in the Modern World** A. Green, V. Viaene, 2012-09-18 Tracing the emergence of Religious Internationals as a distinctive new phenomenon in world history this book transforms our understanding of the role of religion in our modern world Through in depth studies comparing the experiences of Buddhists Christians Hindus Jews and Muslims leading experts shed new light on global civil society **In Search of the Folk Daoists of North China** Stephen Jones, 2016-05-23 The living practice of Daoist ritual is still only a small part of Daoist studies Most of this work focuses on the southeast with the vast area of north China often assumed to be a tabula rasa for local lay liturgical traditions This book based on fieldwork challenges this assumption With case studies on parts of Hebei Shanxi Shaanxi and Gansu provinces Stephen Jones describes ritual sequences within funerals and temple fairs offering details on occupational hereditary lay Daoists temple dwelling priests and even amateur ritual groups Stressing performance Jones observes the changing ritual scene in this poor countryside both since the 1980s and through all the tribulations of twentieth century warfare and political campaigns The whole vocabulary of north Chinese Daoists differs significantly from that of the southeast which has so far dominated our image Largely unstudied by scholars of religion folk Daoist ritual in north China has been a constant theme of music scholars within China Stephen Jones places lay Daoists within the wider context of folk religious practices including those of lay Buddhists sectarians and spirit mediums This book opens up a new field for scholars of religion ritual music and modern Chinese society **Metamorphosis of Buddhism in China's New Era** David L. Wank, Ji Zhe, Yoshiko Ashiwa, 2025-07-10 The metamorphosis of Buddhism synchronizing with alterations in political ideology rapid economic growth and evolving societal demands in China's new era is the focus of this book It traces the metamorphosis to 2002 when the Communist Party of China declared upholding traditional Chinese culture including Buddhism to be essential to its leadership The chapters offer rich case studies of updated authentic Buddhist teachings by clerics and other innovations in temples and nunneries new lay communities and their practices and the emergence of Buddhist cultural sites ranging from scenic areas to mega

expos The comprehensive view of Buddhism in China illustrates how Buddhism is going beyond state imposed boundaries of religious space With a primary focus on Mahayana Buddhism practiced among Han Chinese it also considers interactions with Theravada and Tibetan Buddhism as well as Confucianism Daoism and folk beliefs The eleven contributing scholars experts in anthropology history philosophy religious studies and sociology draw on extensive fieldwork to provide transdisciplinary analyses of the metamorphosis raising key questions about the dynamics of religious space

Maoism at the Grassroots Jeremy Brown, Matthew D. Johnson, 2015-10-13 Maoism at the Grassroots challenges state centered views of China under Mao providing insights into the lives of citizens across social strata ethnicities and regions It reveals how ordinary people risked persecution and imprisonment in order to assert personal beliefs and identities despite political repression and surveillance

Religion and the Politics of Development P. Fountain, R. Bush, M. Feener, 2015-04-07 This volume brings emerging research on religion and development into conversation with politics Deploying innovative conceptual frameworks and drawing on empirical research from across contemporary Asia this collection makes an incisive contribution to the analysis of aid and development processes

The Politics of Protestant Churches and the Party-State in China Carsten Vala, 2017-09-06 Among China's restive religious and social groups Protestants have arguably created the most sustained structural challenges to the Chinese Communist Party's ordering of society By drawing on grassroots fieldwork conducted across the country this book therefore charts the ambition of the government to restrain Protestant population growth and direct it towards regime purposes In particular interviews with key church leaders who founded illegal Protestant congregations with hundreds of participants reveal how officials and illegal congregational leaders have developed ties of trust and information that have permitted church growth even as they preserve a public image of Party domination Thus by tracing the rise of large illegal Protestant congregations apart from Party state structures this book highlights the importance of the public behaviour of religious actors and regime officials in understanding the dynamics of negotiation domination and resistance in 21st century China Ultimately *The Politics of Protestant Churches and the Party State in China* paradoxically demonstrates that societal actors can alter the boundaries set by the Chinese Communist Party and the ways in which the Party is both more adaptive and resilient in its relations with society than first imagined Offering the first book length analysis of how ambitious Protestants have founded large unregistered churches despite regime pressure this book will be useful for students and scholars of Chinese Politics Chinese Religion and Sociology

Shades of Gray in the Changing Religious Markets of China, 2021-07-05 This volume is a collection of studies of various religious groups in the changing religious markets of China registered Christian congregations unregistered house churches Daoist masters and folk religious temples The contributing authors are emerging Chinese scholars who apply and respond to Fenggang Yang's tricolor market theory of religion in China the red black and gray markets for legal illegal and ambiguous religious groups respectively These ethnographic studies demonstrate a great variety within the gray market and fluidity

across different markets The volume concludes with Fenggang Yang reviewing the introduction of the religious market theories to China and formally responding to major criticisms of these theories Contributors are HE Ling HU Mengyin Ke hsien HUANG JIANG Shen KONG Deji LI Hui LIN Weizhi Yan LIU Jonathan E E Pettit WANG Ling Chris White XIAO Yunze YAN Jun Fenggang Yang YUAN Hao ZHANG Zhipeng ZHAO Cuicui ZHAO Hao Divine Justice Paul R.
