**The Reference Passage Bible New Testament** ,1913 The Serpent's Secret Lisa Coley,2024-11-19 Ancient Egypt

1482 BCE The Nile lifeblood of the kingdom withers under a relentless sun Whispers of famine and unrest ripple through the land echoing the ominous prophecy Mira a scribe with eyes like lapis lazuli discovers hidden within the royal archives It speaks not of glittering gold but of a lost sanctuary holding the key to the Nile s fate a secret powerful enough to save Egypt or drown it beneath a cataclysmic flood Bound by duty and driven by an insatiable thirst for knowledge Mira embarks on a perilous quest her path entangled with Bek a cunning thief whose cynical gaze hides a past betrayal Their unlikely alliance her knowledge of ancient hieroglyphs his mastery of Thebes s shadowy underbelly becomes their only weapon against the relentless Nefertari a high priestess whose ambition burns brighter than the desert sun Nefertari believes the relic is her birthright a tool to seize control of the Nile and bend the young pharaoh to her will Their pursuit leads them through the vibrant tapestry of Thebes bustling marketplaces rife with whispers tranquil temple gardens concealing deadly conspiracies and finally into the desolate Valley of the Kings where ancient magic clings to the air and the tombs of pharaohs whisper secrets of forgotten power Here in the heart of a crumbling tomb they uncover a truth far more profound than they could have imagined The relic is not an instrument of control but a delicate key to harmony a forgotten ritual demanding responsibility not dominion As the sands shift beneath their feet and Nefertari s web of intrigue tightens Mira and Bek must confront not only the dangers of the tomb but also the shadows within themselves Bek grapples with the ghosts of his past while Mira faces a choice embrace the seductive allure of power or choose the path of understanding a path that demands sacrifice and trust In the echoing silence of the pharaoh s chamber their destinies intertwine with the fate of Egypt their decisions echoing through the ages For within the Serpent s Secret lies not just the key to the Nile s survival but a truth that will forever change the course of their lives Black Land Nadia Nurhussein,2022-06-07 The first book to explore how

African American writing and art engaged with visions of Ethiopia during the late nineteenth and early twentieth centuries As the only African nation with the exception of Liberia to remain independent during the colonization of the continent Ethiopia has long held significance for and captivated the imaginations of African Americans In Black Land Nadia Nurhussein

delves into nineteenth and twentieth century African American artistic and journalistic depictions of Ethiopia illuminating the increasing tensions and ironies behind cultural celebrations of an African country asserting itself as an imperial power Nurhussein navigates texts by Walt Whitman Paul Laurence Dunbar Pauline Hopkins Harry Dean Langston Hughes Claude McKay George Schuyler and others alongside images and performances that show the intersection of African America with Ethiopia during historic political shifts From a description of a notorious 1920 Star Order of Ethiopia flag burning demonstration in Chicago to a discussion of the Ethiopian emperor Haile Selassie as Time magazine s Man of the Year for 1935 Nurhussein illuminates the growing complications that modern Ethiopia posed for American writers and activists American media coverage of the African nation exposed a clear contrast between the Pan African ideal and the modern reality of Ethiopia as an antidemocratic imperialist state Did Ethiopia represent the black nation of the future or one of an inert and static past Revising current understandings of black transnationalism Black Land presents a well rounded exploration of an era when Ethiopia s presence in African American culture was at its height
