**The Medium's Possession** Elle Beauregard, 2021-02-23 One year after the death of her boyfriend Cecily is ready to re-launch her life starting with moving her overworked sister Zander back to Seattle The trouble is Scott the sexy tattoo artist brother of Zander's boyfriend who is making the move too Crushing on Scott while her ex literally haunts her is awkward and apparently unavoidable Ah life as a medium Scott fell for Cecily the first time he heard her voice There's only one problem she's Zander's little sister and crossing that line risks the newfound balance he's fought for and a secret he's been keeping for too long When Zander's behavior becomes erratic they blame the pressure of the move until she spirals in ways more supernatural than stressed Cecily and Scott band together navigating their attraction

while helping to save Zander from the hidden darkness consuming her But to banish the evil they need a witch and she might not make it in time

*Spiritualism and Women's Writing* T. Kontou, 2009-08-26 Using a wide range of unexplored archival material this book examines the spectral influence of Victorian spiritualism and Psychical Research on women's writing analyzing the ways in which modern writers have both subverted and mimicked nineteenth century sources in their evocation of the séance

*Theorizing Images* Žarko Paić, 2016-04-26 This book uncovers an underlying dispute over the role images play in contemporary society and consequently over their values and purposes Two decades after the concepts of the pictorial and the iconic turn changed our vernacular involvement with regard to images it has become clear that it was not only a newly discovered social political or sexual construction of the visual field that brought turbulence into disciplinary knowledge but that images have their own pictorial logic with powers exceeding those that are purely iconic or visually discernible Instead of underscoring previously defined concepts of the picture the contributors to this book view visual studies and Bildwissenschaft merely as a place for the theory of images making a case for the hotly debated topic of their powers and weaknesses on the one hand and of their respective theories on the other Therefore as the title indicates this book theorizes images but it does not present a theory of images because visual studies cannot lead to a unified theory of images unless a unified ontology of images can be agreed upon first Although that would be a different task altogether all the contributions in this book in different ways and at different paces by theorizing images in their aesthetic historical media and technological guises pave the way for the future of visual culture and for the image science that will make this future more comprehensible

**The Professor's Mystery** Wells Hastings, 2018-01-26 I walked the platform fanning myself with my hat I bought cigarettes magazines and a shine I explored the station scrutinizing faces and searching vainly for matters of interest I exhausted my resources in filling up fifteen minutes and the hand of the electric clock seemed as tremulous with indecision as it had before been jerky with haste Nothing happened Nothing would happen or could happen anywhere Romance was dead
