In this funny, touching, and heartwarming romantic, JULIE JAMES novel, a bride-to-be contends with wedding plans, work pressures, and second thoughts. For fans of Emily Giffin and Julie James. On top of grad school, clinical hours, and part-time work, Chloe is surprised to find a ring on her finger. Sharing the news about the engagement is easy except with her best friend Ben. Their relationship has always been platonic, and he has stood by her through thick and thin, so what's his problem with the new man in her life? As she gets caught up in the whirlwind of planning a five-star wedding, she can't stop the nagging feeling that something isn't quite right. And Ben, the one person she wants by her side, is suddenly MIA. The guests are invited, the gifts wrapped, the flowers ordered, and her bridal gown fits like a dream. The only thing left is a walk down the aisle. Backing out now would be the biggest mistake of her life, right? Unless the biggest mistake would actually be saying "I do."

Just Some Stupid Love Story Katelyn Doyle, 2024-06-04 A flirty, sexy read. Fresh and fun as hell. Katelyn Doyle is absolutely an author to watch. People Magazine. For fans of Emily Henry, a debut about a rom-com screenwriter who doesn't believe in love and a divorce attorney who does, forced together at their high school reunion fifteen years after their breakup. Molly Marks writes Hollywood rom-coms for a living, which is how she knows romance is a racket. The one and only time she was naive enough to fall in love was with her high school boyfriend Seth, who she ghosted on the eve of graduation and hasn't seen in fifteen years. Seth Rubinstein believes in love, the grand-fated kind, despite his job, as well as one of Chicago's most successful divorce attorneys. Over the last decade, he's sought the one in countless bad dates and rushed relationships. He knows his soulmate is out there. But so far, no one can compare to Molly Marks, the first girl who broke his heart. When Molly's friends drag her to Florida for their fifteenth high school reunion, it is poetic justice that she's forced to sit with Seth. Too many martinis and a drunken hookup later, they decide to make a bet: whoever can predict the fate of five couples before the next reunion must declare that the other is right about true love. The catch? The fifth couple is the two of them. Molly assures Seth they are a tale of timeless heartbreak. Seth promises she'll end up hopelessly in love with him. She thinks he's delusional. He has five years to prove her wrong. Wickedly funny, sexy, and brimming with laughs and heart like the best romantic comedies, *Just Some Stupid Love Story* is for everyone who believes in soulmates, even if they would never admit it.
