Engel, 2016-04-29 Bringing to bear his expertise in the early modern emblem tradition William E Engel traces a series of self reflective organizational schemes associated with baroque artifice in the work of Herman Melville and Edgar Allan Poe While other scholars have remarked on the influence of seventeenth century literature on Melville and Poe this is the first book to explore how their close readings of early modern texts influenced their decisions about compositional practice especially as it relates to public performance and the exigencies of publication Engel's discussion of the narrative structure and emblematic aspects of Melville's *Piazza Tales* and Poe's *The Raven* serve as case studies that demonstrate the authors debt to the past Focusing principally on the overlapping rhetorical and iconic assumptions of the Art of Memory and its relation to chiasmus Engel avoids engaging in a simple account of what these authors read and incorporated into their own writings Instead through an examination of their predisposition toward an earlier model of pattern recognition he offers fresh insight into the writers understandings of mourning and loss their use of allegory and what they gained from their use of pseudonyms **Safetyline** , 1992 *The Invention of Deconstruction* M. Currie, 2013-05-29 Why did deconstruction emerge when it did Why did commentators in literary studies seem to need to look back on it from the earliest moments of its emergence This book argues that the invention of deconstruction was spread across several decades conducted by many people and focused on its two central figures Jacques Derrida and Paul de Man Fatal Attraction Maurice Calvert, 2012-07-20 What if I told you there is an enemy of your soul one that you willingly invite into your life on a daily basis Even though this enemy wants to destroy you

you don't despise it in fact you probably go to great lengths to satisfy its desires This enemy wants to monopolize all of your time money and attention and will do anything to take over your life It is time for you to expose this adversary to the light of God's Word and make the choice to let this enemy called Self die a slow quiet death Fatal Attraction will inspire you to take an honest look at the power of Self in your life and make the decision to put your enemy in its place once and for all
