The Magic of Blood Dagoberto Gilb, 1994 In this dynamic collection of short stories including eight from *Winners on the Pass Line* 1985 Dagoberto Gilb captures the texture of the Southwest s working class in clear ironic and biting realistic fiction about regular people going about their complex lives

Reading U.S. Latina Writers A. Quintana, 2003-03-18 This essential teaching guide focuses on an emerging body of literature by U S Latina and Latin American Women writers It will assist non specialist educators in syllabus revision new

course design and classroom presentation The inclusive focus of the book that is combining both US Latina and Latin American women writers is significant because it introduces a more global and transnational way of approaching the literature The introduction outlines the major historical experiences that inform the literature the important genres periods movements and authors in its evolution the traditions and influences that shape the works and key critical issues of which teachers should be aware The collection seeks to provide readers with a variety of Latina texts that will guarantee its long term usefulness to teachers and students of pan American literature Because it is no longer possible to understand U S Latina literature without taking into consideration the histories and cultures of Latin America the volume will through its organization argue for a more globalized type of analysis which considers the similarities as well as the differences in U S and Latin American women s cultural productions In this context the term Latina evokes a diasporic transnational condition in order to address some of the pedagogical issues posed by the bicultural nature which is inherent in pan American women s literature

Bibliographic Guide to Chicana and Latina Narrative Kathy Leonard, 2003-08-30 There has been a dramatic increase in the amount of narrative work published by Chicana and Latina authors in the past 5 to 10 years Nonetheless there has been little attempt to catalog this material This reference provides convenient access to all forms of narrative written by Chicana and Latina authors from the early 1940s through 2002 In doing so it helps users locate these works and surveys the growth of this vast body of literature The volume cites more than 2 750 short stories novels novel excerpts and autobiographies written by some 600 Mexican American Puerto Rican Cuban American Dominican American and Nuyorican women authors These citations are grouped in five indexes an author title index title author index anthology index novel index and autobiography index Short annotations are provided for the anthologies novels and autobiographies Thus the user who knows the title of a work can discover the author the other works the author has written and the anthologies in which the author s shorter pieces have been reprinted along with information about particular works

Christie, 2019-08-08 First published in 1999 Routledge is an imprint of Taylor Francis an informa company The aim of this book is to approach Latino fiction from a wider perspective and to cross the standard critical boundaries between Latino groups in order to focus upon the literary language of a collection of complicated novels and stories

Spilling the Beans in Chicanolandia Frederick Luis Aldama, 2010-01-01 Since the 1980s a prolific second wave of Chicano a writers and artists has tremendously expanded the range of genres and subject matter in Chicano a literature and art Building on the pioneering work of their predecessors whose artistic creations were often tied to political activism and the civil rights struggle today s Chicano a writers and artists feel free to focus as much on the aesthetic quality of their work as on its social content They use novels short stories poetry drama documentary films and comic books to shape the raw materials of life into art objects that cause us to participate empathetically in an increasingly complex Chicano a identity and experience This book presents far ranging interviews with twenty one second wave Chicano a

poets fiction writers dramatists documentary filmmakers and playwrights Some are mainstream widely recognized creators while others work from the margins because of their sexual orientations or their controversial positions Frederick Luis Aldama draws out the artists and authors on both the aesthetic and the sociopolitical concerns that animate their work Their conversations delve into such areas as how the artists or writers life experiences have molded their work why they choose to work in certain genres and how they have transformed them what it means to be Chicano a in today s pluralistic society and how Chicano a identity influences and is influenced by contact with ethnic and racial identities from around the world
