Miryam Of Jerusalem Teacher Of The Disciples:

Miryam of Jerusalem Ann Johnson,1991-01-01 At the beginning we find Mary instructing the followers of Jesus in the ancient Jewish tradition God's dealings with their ancestors through expressive stories of such figures from Hebrew Scriptures as Eve Hannah Sarah and the Mother of the Macabees Then she demonstrates the prayer of the early followers of her son in 18 beautifully composed Magnificats on such themes as justice healing fidelity and holiness And finally after the days of Pentecost Mary recalls the teachings of her son Jesus Truly Our Sister Elizabeth A. Johnson,2006-02-28 The author offers an interpretation of Mary that is theologically sound spiritually empowering ethically challenging socially liberating and ecumenically fruitful She construes the image of Mary so as to be a source of blessing rather than blight for women's lives in both religious and political terms **In Quest of the Jewish Mary** Mary Christine Athans,2013 Jesus was born and raised as a Jew in first century Palestine A great deal of theological study has focused on the Jewish cultural and religious context of his life and ministry It is only natural that this attention should lead us to a new approach to his mother Mary of Nazareth In this book Mary Christine Athans draws on historical research the fruits of post Vatican II Jewish Christian dialogue the insights of feminist theology and contemporary spiritual reflection to rediscover the Jewish Mary a woman of enormous courage strength and prayer Wisdom's Daughters Elizabeth G. Watson,2009-04-01 From the nativity to the resurrection from the healings on the road to the teachings at the well the lives of women shine prominently in the Gospel In Wisdom's Daughters Elizabeth Watson tells the life of Jesus through the real and imagined accounts of Mary Magdalene Elizabeth Martha Mary the Mother and ten others shedding new light on the Gospel stories affirming the undeniable presence of women in the early community of disciples and painting a breathtaking image of the relationship between Jesus and women Each chapter includes Scripture references commentary on the biblical scholarship and questions for personal reflection or group dialogue **In Search of Mary** Sally Cunneen,2010-12-15 Mary relic of the religious past or beacon of the future Mary is more alive today than she was in the early Christian church surfacing in art and worship in almost every culture on earth Her appeal bridges the gap between the devotional and the secular the uneducated and the sophisticated But who is Mary and what exactly does she symbolize How did a humble Jewish girl become the most honored woman in human history Why is there so little about Mary in the Bible and so much about her in the art and history of Christianity East and West And why in an age dominated by science and technology does devotion to Mary persist In Search of Mary is Sally Cunneen's provocative response to these questions As Cunneen eloquently points out in order to see Mary whole it is important to look at all the different visions and versions of her revisiting history through the eyes of a present day searcher Including the latest findings by historians anthropologists and psychologists as well as art historians and religious scholars In Search of Mary reveals what we know about the life of Mary follows the history and development of her image over the last two thousand years and explores the different ways that Mary has transformed the lives of people today As we

struggle for greater unity in a divided world In Search of Mary shows us a woman who can touch all people regardless of their backgrounds She is a profound reminder of the presence of the holy in ordinary life **Yeshua** Lewis Keizer,2012-11 My fictional biography of Jesus is designed to introduce readers to the forgotten world of Jewish Messianic Kabbalistic prophetic wisdom and Merkabah mysticism that was known to the Jewish disciples of Yeshua but completely lost to emerging gentile Christianity It provides a simple non academic way for readers to understand what only profound academic study can reveal and illuminates the authentic historical teachings and probable spiritual practices of the Master Yeshua

Embrosewyn Tazkuvel,2010-05-01 **The Oldest Church Manual, Called The Teaching of the Twelve Apostles ...** Philip Schaff,1885 *American Bookseller* ,1990 **What Have They Done with Jesus?** Ben Witherington III,2006-10-03 Strange theories about Jesus seem to ooze from our culture with increasing regularity Ben Witherington one of the top Jesus scholars will have none of it There were no secret Gnostic teachings in the first century With leading scholars and popular purveyors of bad history in his crosshairs Witherington reveals what we can and cannot claim to know about the real Jesus The Bible not outside sources is still the most trustworthy historical record we have today Utilizing a fresh personality profile approach Witherington highlights core Christian claims by investigating the major figures in Jesus s inner circle of followers Mary the mother of Jesus Mary Magdalene Thomas Peter James the brother of Jesus Paul and the mysterious beloved disciple In each chapter Witherington satisfies our curiosities and answers the full range of questions about these key figures and what each of them can teach us about the historical Jesus What Have They Done with Jesus is a vigorous defense of traditional Christianity that offers a compelling portrait of Jesus s core message according to those who knew him best

The Children of the Apostles Edward Hahnenberg,2004-06 This novel provides a realistic view into the lives of the spouses and children of the Apostles Hahnenberg has constructed a timeline faithful to the Gospels especially that of John that keeps Jesus of Nazareth at the center of the collection of stories Jesus: Miriam's Child, Sophia's Prophet Elisabeth Schüssler Fiorenza,2015-11-19 In Jesus Miriam s Child Sophia s Prophet Elisabeth Sch ssler Fiorenza makes a unique contribution to two quite different discussions of Jesus the Christ On the one hand she looks at biblical christology from a critical feminist perspective in the tradition of liberation theology On the other she examines the feasibility of a feminine christology by considering such problems as Christian anti Judaism ideological justification of domination religious exclusivism and the formation of patriarchal identity Re imagining the Jesus movement in a feminist key transcends the boundaries set by history gender and doctrine By assessing various Jesus traditions and interpretations in terms of whether they can engender liberating visions for today Sch ssler Fiorenza seeks to challenge and transform a Christianity dominated by masculinity and exclusivist theological frameworks so that it offers a vision of justice and well being for all the central image in which is the reign the coming world of God This Cornerstones edition features a new extended introduction which takes into account the developments in the field since the work was originally published in 1994 **The Teaching of the**
