Ever since Luci started experiencing daymares she has relied on photography to discern reality from hallucination That's why the new camera she receives for her sweet sixteen birthday is perfect for the mother daughter road trip to the hot spring Or at least it was perfect until the camera was all she had left A car accident leaves Luci stranded on a northern highway and her mother missing Luci doesn't understand why her face was on that billboard She knows that the fog is too thick to see anything including the cliff edge where the car stopped Her camera helps her navigate once more but this time she finds an eerily beautiful woman who propels Luci into a parallel world What she thought was the Rocky Mountains is now a strange world made of river sharks Memegwaans building sized flowers underwater houses and a labyrinth Luci must navigate this new world to find her mother complete three trials to open the exit and try to understand some darker secret before the foreboding plane of existence Obscura and a dehumanized woman dig their claws into Luci [Legend of the Lost Ass](#) Karen Winters Schwartz, 2020-07-21

Description There is fire in your eyes and it frightens me At the age of twelve Luci cannot possibly comprehend what her mother means by those words and her mother's suicide just hours later means she cannot ask But the words will come to haunt Luci in the years to come as she battles with the highs and lows of undiagnosed manic depression The tragic death of her twin brother at the age of seventeen marks the beginning of a rollercoaster ride of intense emotion that pushes Luci to the very limits of her endurance Her manic recklessness has far reaching consequences for both Luci and her extended family and the accompanying episodes of

depression leave Luci teetering on the thin line between life and death When Luci meets Ben she actually dares to hope that he might be the one person who can keep her on an almost even keel But when tragedy steals Ben from her just weeks before their wedding day Luci is left despairing of ever being happy as her tempestuous moods spiral once again out of control Luci's hopes of happiness are rekindled when she finds love in an unexpected quarter but as the rollercoaster ride becomes ever more extreme an episode of psychotic mania threatens everything Luci holds dear culminating in her hospitalisation and diagnosis with bipolar affective disorder manic depression By turns funny and tragic *The Fire in Your Eyes* thrusts the reader deep into the tumult that is untreated manic depression a real rollercoaster of a ride About the Author Martine Lara Daniel was born in York in 1981 From a young age she knew she wanted to be a writer and whilst at secondary school she would often be caught scribbling stories in the back of exercise books during lessons Her dreams of seeing her name in print never dimmed despite her life being turned upside down by episodes of mania depression and brief psychosis during her late teens and early twenties In 2003 the pressures of a stressful job brought on an episode of psychotic mania which led to the breakdown that ended her hopes of a career in bookselling following which Martine was finally forced into contact with local mental health services With the help of medication and the support of her family she began to pick up the pieces of her life and started work on *The Fire in Your Eyes* juggling work on the novel with her studies with The Open University She hopes to graduate with a BA Hons in Humanities with English Language in 2010 *Lucianna* Bertrice Small, 2015-04-07 From the New York Times bestselling author of the *Border Chronicles* comes a novel of Florentine historical romance the continuing saga of *The Silk Merchant's Daughters* After her sisters become the scandals of Florence Lucianna Pietro d'Angelo finds that the only wealthy man who'll have her for his wife is an aging bookseller whom Lucianna comforts in his final years When he passes away she inherits his shop and a sizable fortune affording Lucianna comfort in widowhood Then Robert Minton Earl of Lisle visits her bookshop The Englishman is not only dashing and handsome he's a trusted courtier of Henry VII Lucianna's parents cannot deny the spark of attraction between their daughter and the earl so they scheme to send her to London There Lucianna steps out of the shadow of her quiet Florentine life pursuing a love she never dreamed possible one unfolding in the court of the new Tudor king *Forget Me Not* Sarah Flowers, 2012-12-31 Sorry Luci Grace gulped wanting to strangle Luci but can't She better watch it can't rock the boat Sam will kill her Where will you go will you open your own office I haven't made any decisions yet I do have several tempting offers What about your friend here Luci Grace are you interrogating me No why would I do that At the moment I don't know I'm sure time will tell Sure enough time was standing in the corner she wanted to run or die He had a beautiful woman dangling on his arm Didn't he always probably his wife He walked over leaving the woman behind Hello Luci it's been a long time God you're gorgeous sexy as hell and all grown up oh boy do they have an audience especially a grinning Uncle Joe Yes it has apparently not enough or far enough away Thank you for the compliment yes I have grown up she snapped at him How can he talk like this to her with that woman here Oh yes he's Storm
