Mishkas Comedia

Mishka Zakharin

Mishkas Comedia:

Mishka, Mishka Mishka Zakharin, **Mishka's Comedia** Mishka Zakharin, 2005-06-01 Unlike Dante's Comedia a journey beyond death Mishka's is a journey through life delving into the sometimes harsh sometimes amusing sometimes just plain bizarre thoughts and emotions we face as we pass through this world Mishka's Comedia is an enthralling blend of real life experiences mixed with a surrealistic sense of fantasy At times a warm and tender reflection of emotional or intellectual expression at other times an absurd uprising of humorous imagination Zakharin offers his unique perspectives on life and love and naughty things all about in his characteristic juxtaposition of dark philosophy and divine loopiness **Running the Light** Sam Tallent, 2025-03-25 A bona fide instant classic Doug Stanhope novel that tells the story of a road comic crashing and burning by acclaimed comedian Sam Tallent Billy Ray Schafer stepped off the plane in Amarillo Texas with twenty six hundred dollars tucked down the leg of his black ostrich skin cowboy boot He walked to baggage claim slowly jelly legged and nearing lucidity coming out from under the Xanax he snorted before the flight Debauched divorced and courting death Billy Ray Schafer is a comedian who has forgotten how to laugh Over the course of seven spun out days across the American Southwest he travels from hell gig to hell gig in search of a reason to keep living in this bleak and violent glimpse into the psyche of a thoroughly ruined man Ex inmate ex husband ex father comedian is the only title Schafer has left Trapped in the wreckage of his wasted career Billy Ray knows the answer to the question What happens when opportunity doesn't come or worse it comes and goes In vivid electric sentences that read like cinematic tracking shots Denver Post Tallent hurls you into an absolute mess of a man's life as we search for the mercy he does not want Theatre Magazine, 1919 **Theatre Magazine** W. J. Thorold, Arthur Hornblow, Arthur Hornblow (Jr.), Perriton Maxwell, Stewart Beach, 1920 **Everything Harder Than Everyone Else** Jenny Valentish, 2021-11-23 A no holds barred gonzo dive into the world of extreme behavior from abstinence to ego punishment to curiosity obsession to reinvention acclaimed journalist Jenny Valentish uncovers what drives those who push the limits of endurance What do extreme eaters MMA fighters ultra marathon runners and BDSM practitioners have in common What drives some people to push their bodies and minds to the brink putting everything on the line to test the bounds of their capacity When Jenny Valentish worked through her own addictions she became fascinated by extremes in their myriad and unexpected manifestations In the darkly funny brash and irresistible Everything Harder Than Everyone Else Valentish immerses herself in the lives of sex workers body builders and dedicated fighters and finds that many of the people she encounters have overcome addictions and trauma to find release and community where the stakes are at their highest Harnessing a journalistic approach that's equal parts brazenly curious and remarkably compassionate Valentish finds herself neck deep in her own investigation embroiling herself in the world of competitive Muay Thai fighting and in the dark chambers of a BDSM dungeon At every turn she stares unflinchingly into the darker corners of culture that polite society ignores and repudiates asking readers and herself how far are you willing to go Much Ado About Me Fred

Allen, 2008-10-01 Radio and film star Fred Allen's autobiography *Much Ado About Me* **Unruly Media** Carol Vernallis, 2013-11 *Unruly Media* argues that we are the crest of a new international style in which sonic and visual parameters become heightened and accelerated This audiovisual turn calls for new forms of attention Post classical cinema with its multi plot narratives and flashy style fragments under the influence of audiovisual numbers and music video like sync Music video becomes more than a way of selling songs YouTube's brief low res clips encompass many forms and foreground reiteration graphic values and affective intensity These three media are riven by one another a trajectory from YouTube through music video to the new digital cinema reveals commonalities especially in the realms of rhythm texture and form This is the first book to account for the current audiovisual landscape across medium and platform and it demonstrates that attending equally to soundtrack and image reveals how these media work and how they both mirror and shape our experience **The Billboard**, 1926 **Nós que vivemos** Ayn Rand, 2024-03-01 *Edição do 75º aniversário* *Nós que vivemos* não é uma história sobre a Rússia Soviética em 1925 uma história sobre ditadura qualquer ditadura em qualquer lugar em qualquer momento quer seja a Rússia Soviética a Alemanha Nazi ou o que este romance busca fazer a sua parte para evitar uma América socialista AYN RAND Publicado pela primeira vez em 1936 este romance clássico tem como tema o conflito do indivíduo contra o Estado Retrata o impacto da Revolução Russa em três seres humanos que demandam o direito de viver as suas próprias vidas e de buscar a sua própria felicidade Fala do amor apaixonado de uma jovem mulher que se mantém como uma fortaleza contra o mal corruptor de um Estado totalitário *Nós que vivemos* não é uma história de um sistema político mas dos homens e mulheres que têm que lutar pela existência por trás das bandeiras e slogans vermelhos um retrato do que esses slogans fazem aos seres humanos O que acontece com aqueles que desafiam um Estado totalitário O que acontece com aqueles que sucumbem No contexto de uma revolução política intensa e de revolta pessoal Ayn Rand mostra o que a teoria do socialismo significa na prática Esta edição comemorativa do 75º aniversário inclui uma introdução e um posfácio do herdeiro filosófico de Ayn Rand Leonard Peikoff *City of Rogues and Schnorrers* Jarrod Tanny, 2011 Old Odessa on the Black Sea gained notoriety as a legendary city of Jewish gangsters and swindlers a frontier boomtown mythologized for the adventurers criminals and merry-makers who flocked there to seek easy wealth and lead lives of debauchery and excess Odessa is also famed for the brand of Jewish humor brought there in the 19th century from the shtetls of Eastern Europe and that flourished throughout Soviet times From a broad historical perspective Jarrod Tanny examines the hybrid Judeo Russian culture that emerged in Odessa in the 19th century and persisted through the Soviet era and beyond The book shows how the art of eminent Soviet era figures such as Isaac Babel Ilia Ilf Evgenii Petrov and Leonid Utesov grew out of the Odessa Russian Jewish culture into which they were born and which shaped their lives *I Swear I'll Make It Up to You* Mishka Shubaly, 2016-03-08 An odyssey of family heartbreak violence punk rock brokenness brokenness sex love loss drinking drinking drinking and an unlikely savior distance running A misfit kid at the best of times Mishka Shubaly had his world

shattered when in a twenty four hour span in 1992 he survived a mass shooting on his school's campus then learned that his parents were getting divorced His father a prominent rocket scientist abandoned the family and their home was lost to foreclosure Shubaly swore to avenge the wrongs against his mother but instead plunged into a magnificently toxic love affair with alcohol Almost two decades later Shubaly's life changed again when a fateful five mile run after a bar fight inspired him to clean up his life And when he finally reconnected with his estranged father he discovered the story of his childhood was radically different from what he thought he knew In this fiercely honest emotional and self-laceratingly witty book Shubaly relives his mistakes misfortunes and infrequent good decisions the disastrous events that fractured his life his incendiary romances his hot and cold career as a rock musician meeting his newborn nephew while out of his gourd on cough syrup I Swear I'll Make It Up to You is an apology for choices Shubaly never thought he'd live long enough to regret a journey so far down the low road that it took him years of running to claw his way back Cine ,1985 En todas las secciones se ha dado especial importancia más que a la elaboración teórica a los aspectos prácticos de la investigación a las implicaciones materiales de la producción artística a la institucionalización del mercado y a sus efectos ideológicos resultantes a los vínculos entre los fenómenos artísticos y la historia y la vida social del siglo XX **Why We Love The Dogs We Do** Stanley Coren,2012-12-11

For anyone who has worried that being beguiled by puppy love might lead only to a short-lived dalliance Stanley Coren provides the ultimate matchmaking service Combining his expertise in human psychology and animal behaviour with the research of other animal experts Coren classifies dogs according to such personality traits as friendliness protectiveness and steadiness To discover which dogs will suit them best readers take simple personality tests that reveal what they are looking for in a relationship Extroverted men for example may be surprised to find that poodles make the ideal companions shy women are likely to prefer the company of a bulldog and men lacking trust might consider an independent Shar Pei Stories about people and their four-legged best friends and a gallery of photographs capture the special dynamics between couples ranging from Freud and his Chow Chow to Picasso and his Afghan hound **Goodwin's Weekly** ,1915 **Keynote** ,1945

War and Punishment Mikhail Zygar,2024-04-30 From one of Russia's smartest and best sourced young journalists The New York Times comes the first work by a Russian author to reveal his country's history of oppressing Ukraine to blame Russian culture for the war and to dismantle Putin's imperial narrative that he used to justify his brutal attack on Ukraine As soon as Russia invaded Ukraine in 2022 independent Russian journalist Mikhail Zygar circulated a petition that was signed first by prominent Russian writers artists and filmmakers and then by thousands of others Russia soon enacted strict new censorship laws and Zygar was forced to flee his country In his time as a journalist he has interviewed Ukrainian president Volodymyr Zelensky and has had access to many of the major players in both countries from politicians to oligarchs As an expert on Vladimir Putin's behavior he has spent years studying the Kremlin's plan for Ukraine and here in clear chronological order he explains the nationalist myths and legends Russia has exploited to justify savagely invading its

independent neighboring country Drawing on literature formal histories and his own reporting Zygar details the long emergence of Ukraine from its ancient origins as a culturally and politically distinct region often in direct conflict with Moscow to a Soviet controlled state that suffered terribly at the hands of Nazi soldiers in World War II and before that from Stalin s forced starvation policies in the 1930s Following the fall of the USSR Ukraine emerged first as a post Soviet oligarchic state and then as a progressive nation with increasing economic cultural and political ties to Europe and the US Of particular note is Zygar s step by step account of the rise of Volodymyr Zelensky from a popular comic and television personality to a resolute symbol of Ukraine s resistance to Russia s invasion Zelensky s ascent came as a new generation of Ukrainians having grown up in an independent country did not consider themselves to be part of Russia a tipping point that led to war as Putin could not tolerate losing Ukraine forever Authoritative and timely this vital account is an unprecedented historical overview of the war that affects us all and continues to threaten the future of the entire world as we know it

New York Star ,1925 **Monkey Business** Simon Louvish,2000-06-08 Strange but true this is the first authentic account of the Marx Brothers their origins and of the roots of their comedy First and foremost this is the saga of a family whose theatrical roots stretch back to mid 19th century Germany From Groucho Marx s first warblings with the singing Leroy Trio this book brings to life the vanished world of America s wild and boisterous variety circuits leading to the Marx Brothers Broadway successes and their alliance with New York s theatrical lions George S Kaufman and the Algonquin Round Table Never before published scripts well minted Marxian dialogue and much madness and mayham feature in this tale of the Brothers battles with Hollywood their films their loves and marriages and the story of the forgotten brother Gummo

Dramatic Mirror of the Stage and Motion Pictures ,1917
