## **Mishlei A Modern Commentary On Proverbs:**

Mishlei Leonard S. Kravitz, Kerry M. Olitzky, 2002 This book brings the reader a contemporary gender translation of proverbs the authors have produced a line by line translation and commentary to accompany the Hebrew text Leadership Secrets from the Proverbs Robert A. Yost, 2013-07-26 The book of Proverbs is a cornucopia of practical wisdom on a variety of topics The insights and truths covered in this book of ancient Hebrew Wisdom literature run the gamut including the nature of true wisdom and understanding vices and virtues relationships and roles priorities planning for the future how to communicate and how to manage one's resources In recent decades the book of Proverbs has increasingly become the focus of attention for Christians who wish to live lives more in tune with God's principles In particular Christian thinkers have begun to correlate biblical principles with the study of effective leadership Yost examines the subject of godly leadership by using the book of Proverbs as his springboard This is a scholarly yet deeply devotional study of the leader's priorities the leader's plans and the leader's speech Once you have read this book you will never look at the book of Proverbs or the subject of leadership the same way again

**The Book of Job** Leonard S. Kravitz, Kerry M. Olitzky, 2017-12-07 The book of Job is the most challenging and most engaging of all the books in the Hebrew Scriptures It challenges one's faith in the essential goodness of God and humanity In this volume Rabbis Kravitz and Olitzky provide an original modern translation and commentary while also inviting classic rabbinic commentators of the past to provide insight to the text Along with helping the reader to understand the original Hebrew sources the authors also strive to answer some of the basic answers of human existence posed by religion Why is there evil Why do the good suffer Why do those who do evil seem to go unpunished Are acts of goodness rewarded
