

Miss Bax *of the* Embassy

HISTORY served with spice! Just such another gossipy, anecdotal, behind-the-scenes volume as Ike Hoover's "42 Years in the White House."

By EMILY BAX

Miss Bax Of The Embassy

William Bright

Miss Bax Of The Embassy:

Miss Bax of the Embassy, Etc. [Experiences in the American Embassy in London, 1902-14. With a Portrait.]. Emily Bax, 1939 **Miss Bax of the Embassy. With Frontispiece** Emily BAX, 1939 **Women in American Foreign Affairs** Homer L. Calkin, 1977 **Women in the Department of State** Homer L. Calkin, 1978 *Miss Bax of the Embassy ... [Reminiscences of Life at the American Embassy in London, 1902-1914.] With Illustrations* Emily BAX, 1939 **Wisconsin Library Bulletin** , 1939 **The Foreign Service of the United States** William Barnes, John Heath Morgan, 1961 **From 1900 Onward** Sir Reginald Bacon, Sir Reginald Hugh Spencer Bacon, 1940 **US Consular Representation in Britain Since 1790** Nicholas M Keegan, 2018-03-08

In its early years the United States Consular Service was a relatively amateurish organization often staffed by unsuitable characters whose appointments had been obtained as political favours from victorious presidential candidates a practice known as the Spoils System Most personnel changed every four years when new administrations came in This compared unfavourably with the consular services of the European nations but gradually by the turn of the twentieth century things had improved considerably appointment procedures were tightened up inspections of consuls and how they managed their consulates were introduced and the separate Consular Service and Diplomatic Service were merged to form the Foreign Service The first appointments to Britain were made in 1790 with James Maury becoming the first operational consul in the country at Liverpool At one point there was a network of up to ninety US consular offices throughout the UK stretching from the Orkney Islands to the Channel Islands Nowadays there is only the consular section in the embassy and the consulates general in Edinburgh and Belfast *Breaking Protocol* Philip Nash, 2020-01-21

An in depth history of the Big Six the first six female ambassadors for the United States It used to be soon to be secretary of state Madeleine K Albright said in 1996 that the only way a woman could truly make her foreign policy views felt was by marrying a diplomat and then pouring tea on an offending ambassador s lap This world of US diplomacy excluded women for a variety of misguided reasons they would let their emotions interfere with the task of diplomacy they were not up to the deadly risks that could arise overseas and they would be unable to cultivate the social contacts vital to success in the field The men of the State Department objected but had to admit women including the first female ambassadors Ruth Bryan Owen Florence Daisy Harriman Perle Mesta Eugenie Anderson Clare Boothe Luce and Frances Willis These were among the most influential women in US foreign relations in their era Using newly available archival sources Philip Nash examines the history of the Big Six and how they carved out their rightful place in history After a chapter capturing the male world of American diplomacy in the early twentieth century the book devotes one chapter to each of the female ambassadors and delves into a number of topics including their backgrounds and appointments the issues they faced while on the job how they were received by host countries the complications of protocol and the press coverage they received which was paradoxically favorable yet deeply sexist In an epilogue that also provides an overview of the role of women in modern US diplomacy Nash reveals how these

trailblazers helped pave the way for more gender parity in US foreign relations Praise for Breaking Protocol Here at last is the long neglected story of America's pioneering women diplomats Breaking Protocol reveals the contributions of six trailblazers who practiced innovative statecraft in order to surmount all kinds of obstacles including many posed by their own employer the U S State Department Philip Nash's illuminating study offers an invaluable foundation for our understanding of contemporary foreign policy decision makers Sylvia Bashevkin author of Women as Foreign Policy Leaders National Security and Gender Politics in Superpower America Diplomacy is the one field of public political life that has been relatively open to women we need only think of Hillary Clinton Condoleezza Rice and Madeleine Albright In Breaking Protocol Philip Nash reminds us of the history of their achievements with an enduring and enticing record of the much longer surprising history of female diplomats and their individual efforts to shape American and international politics Glenda Sluga University of Sydney

Women, Diplomacy and International Politics since 1500 Glenda Sluga, Carolyn James, 2015-06-12 Women

Diplomacy and International Politics since 1500 explores the role of women as agents of diplomacy in the trans Atlantic world since the early modern age Despite increasing evidence of their involvement in political life across the centuries the core historical narrative of international politics remains notably depleted of women This collection challenges this perspective Chapters cover a wide range of geographical contexts including Europe Russia Britain and the United States and trace the diversity of women's activities and the significance of their contributions Together these essays open up the field to include a broader interpretation of diplomatic work such as the unofficial avenues of lobbying negotiation and political representation that made women central diplomatic players in the salons courts and boudoirs of Europe Through a selection of case studies the book throws into new perspective the operations of political power in local and national domains bridging and at times reconceptualising the relationship of the private to the public Women Diplomacy and International Politics since 1500 is essential reading for all those interested in the history of diplomacy and the rise of international politics over the past five centuries *Great Britain and the East*, 1928

The English Catalogue of Books Published from January, 1835, to January, 1863, 1864 *Department and Foreign Service Series*, 1961 **American Diplomatic and Consular Practice**

Graham Henry Stuart, 1952 **Women's Collections** Suzanne Hildenbrand, 2019-12-06 This book first published in 1986 analyses women's collections in institutional and private establishments in the United States It focuses on the development of the collections as a result of feminist advances in activism and scholarship and the need for collections to reflect the shift to a necessary woman centredness in their holdings **Seven Worlds of Theodore Roosevelt** Edward

Wagenknecht, 2010-01-19 Praise for the original edition Theodore Roosevelt in all his infinite variety the vitality of him the charm the humor the intellectual avidity the love of people the flattering devotion to his country To a surprising degree the personality flashes before the reader as it flashed in life before his contemporaries Hermann Hagedorn friend and biographer of Theodore Roosevelt Secretary and Director Theodore Roosevelt Association 1919 1957 A Classic Biography of Theodore

Roosevelt Reissued on the Sesquicentennial of His Birth This classic biography copublished by the Theodore Roosevelt Association and The Lyons Press includes an introduction by distinguished Roosevelt biographer Edmund Morris and historical photographs from the Theodore Roosevelt Collection at Harvard University The seven Rooseveltian worlds Wagenknecht explores are those of Action Human Relations Thought Family Spiritual Values Public Affairs and War and Peace As Morris observes in his introduction Wagenknecht conveys every interesting spectacular poignant admirable and distressing or even pathological aspect of Theodore Roosevelt without ever sentimentalizing him As he also notes Wagenknecht came to grips with the centripetal personality coalescing from all this material by viewing it as a sort of biographical solar system seven contrasting yet gravitationally linked worlds worlds that come together with compelling force in this remarkable volume
