Segel,2003 The Iron Curtain concealed from western eyes a vital group of national and regional writers Marked by not only geographical proximity but also by the shared experience of communism and its collapse the countries of Eastern Europe Poland Hungary Albania Romania Bulgaria and the former states of Yugoslavia Czechoslovakia and East Germany share literatures that reveal many common themes when examined together Compiled by a leading scholar the guide includes an overview of literary trends in historical context a listing of some 700 authors by country and an A to Z section of articles on the most influential writers *The Muse Upon My Shoulder* Sylvia Skaggs McTague,2004 In The Muse upon My Shoulder an exceptionally diverse group of writers including

Evan S Connell Anthony Piccione David Trinidad William Stafford Jean Thompson Vance Bourjaily E L Doctorow Stanley Elkin Jay McInerney Beth Henley David Hwang Bud Schulberg and Mary Gordon discuss the creative process They entertain self revealing questions about their status as writers their inspiration to write and their relationship to an audience The conversational form of the interview allows for candid answers that readers rarely hear to questions that seldom are answered The final chapter lets readers participate in the conflicts that surround the production of a good interview Sylvia Skaggs McTague is a lecturer at Fairleigh Dickinson University *Readers' Guide to Periodical Literature* ,1920 **Stand Tall!** Sgt Pops,2019-07-03 Stand Tall Sgt Pop s Poems for Veterans Their Friends Families By Sgt Pops Stand Tall Sgt Pops Poems for Veterans Their Friends Families is a collection of poems written originally for Sgt Pops to understand the feelings he experienced both in and after returning from Vietnam He wants veterans of all wars to know they re not alone that others have the same post combat or post military service demons to confront It is his hope that friends and family members can better understand why veterans seem to have changed so radically from the way they were before serving in the military and especially in combat *My Pop* Jack McGuire,1989-01-01 Pop Poems Ronald Gross,1967 **Published Poems** Herman Melville,Robert Charles Ryan,Hershel Parker,2009-07-02 Although he surprised the world in 1866 with his first published book of poetry *Battle Pieces and Aspects of the War* Herman Melville had long been steeped in poetry This new offering in the authoritative Northwestern Newberry series *The Writings of Herman Melville* with a historical note by Hershel Parker is testament to Melville the poet Penultimate in the publication of the series *Published Poems* follows the release of Melville s verse epic *Clarel* 1876 and with it contains the entirety of the poems published during Melville s lifetime *Battle Pieces* as well as *John Marr and Other Sailors with Some Sea Pieces* 1888 and *Timoleon Etc* 1891 *Battle Pieces and Aspects of the War* has long been recognized as a great contribution to the poetry of the Civil War comparable only to Whitman s *Drum Taps* Its idiosyncrasies many of them grounded in British poetry kept it from immediate popularity but it was not the production of a novice Melville had made himself over into a poet in the late 1850s and had tried to publish a previous collection of poetry now lost in 1860 *John Marr and Other Sailors* is a retrospective nautical book Its portraits of sailors were influenced by Melville s own experience of aging as well as by his long acquaintance with wasted mariners at the Sailors Snug Harbor on Staten Island where his brother was governor The book modulates into *Sea Pieces* including the grisly *Maldiva Shark* and *To Ned* a powerful reflection on how Melville s personal adventures with the Typee islanders in 1842 had accrued rich historical significance over the decades Thematically less unified *Timoleon Etc* contains poems with many European and exotic settings from ancient to modern times The most famous are *After the Pleasure Party* and *The Age of the Antonines* Published in the last year of Melville s life some of the poems were first written many years earlier for example Melville copied *The Age of the Antonines* out for his brother in law in 1877 describing it as something found in a bundle of old papers One whole section seems to have been almost entirely salvaged from the unpublished 1860 volume of poetry As with the other volumes in the

Northwestern Newberry series the aim of this edition of Published Poems is to present a text as close to the author's intention as surviving evidence permits To that end the editorial appendix includes a historical note by Hershel Parker the dean of Melville scholars which gives a compelling in depth account of how one of America's greatest writers grew into the vocation of a poet an essay by G Thomas Tanselle on the printing and publishing history of the works in Published Poems a textual record that identifies the copy texts for the present edition and explains the editorial policy and substantial scholarly notes on individual poems

Writing the Postcolonial Nation: Contemporary Indian Voices in English Dr. Priyanka Singla , Dr. Hardeep Singh, 2024-04-12 In recent years the literature of India has seen a remarkable resurgence with writers exploring diverse themes and narratives that reflect the complexity of the postcolonial experience This edited volume Writing the Postcolonial Nation Contemporary Indian Voices in English brings together a collection of essays that delve into the portrayal of postcolonial features in the works of contemporary Indian writers In the realm of literature the impact of colonialism on the cultural and social fabric of a nation is a topic that has garnered much attention and debate The echoes of colonial rule reverberate through the works of contemporary Indian writers in English as they grapple with the legacy of imperialism and its lasting effects on their identities and narratives This edited volume delves into the portrayal of postcolonial features in the works of these authors exploring how they navigate and negotiate the complexities of a postcolonial world The essays in this collection offer a multi faceted analysis of contemporary Indian writing in English examining the various ways in which writers engage with and subvert colonial discourse From reimagining historical events to challenging traditional power structures these authors use their stories to reclaim and redefine their cultural identities in a postcolonial context Through a lens of postcolonial theory the contributors to this volume shed light on how Indian writers in English interrogate the legacies of colonialism and envision new possibilities for a decolonized future One of the central themes explored in this book is the notion of hybridity a concept that reflects the blending of multiple cultural influences and identities Indian writers in English often navigate this space of hybridity drawing from both indigenous traditions and Western literary forms to create works that are uniquely Indian yet globally resonant By embracing their diverse cultural heritage these authors challenge essentialist notions of identity and offer a nuanced understanding of postcolonial experience Another key focus of this volume is the concept of agency as seen through the portrayal of marginalized voices and perspectives in contemporary Indian literature Through the lens of post colonialism the contributors to this volume analyze how writers empower themselves and their communities through storytelling reclaiming their narratives from the confines of colonial discourse By centering the voices of the marginalized and dispossessed these authors challenge the dominant narratives of power and privilege and offer a counter narrative that speaks truth to power As editors of this volume we hope to contribute to the ongoing conversation surrounding post colonialism and contemporary Indian literature in English
