Popeye Goes On A Picnic:

Popeye Goes on a Picnic Crosby Bonsall, Crosby Newell, 1983 Popeye Goes on a Picnic Crosby Bonsall, 1978

Popeye Fred M. Grandinetti, 2004-08-12 It's a rare comic character who can make audiences laugh for well over half a century but then again it's a pretty rare cartoon hero who can boast of forearms thicker than his waist who can down a can of spinach in a single gulp or who generally faces the world with one eye squinted completely shut When E C Segar's gruff but lovable sailor man first tooted his pipe to the public on January 7 1929 it was not in the animated cartoon format for which he is best known today and which would become the longest running series in film history Instead it was on the comics page of the New York Journal as Segar's Thimble Theatre strip Over the decades to come Popeye was to appear on radio television stage and even in a live action feature film This comprehensive and lavishly illustrated history is a thoroughly updated and revised edition of the highly acclaimed 1994 work *Animated series and films are examined noting the different directions each studio took and the changing character designs of the Popeye family Popeye in other media comics books radio and a stage play is thoroughly covered as are Robert Altman's 1980 live action film and Popeye memorabilia* **Toons in Toyland**

Tim Hollis, 2015-03-25 Every living American adult likely prized one childhood toy that featured the happy image of an animated cartoon or comic strip character There is an ever growing market for these collectibles and stacks of books pose as pricing guides Yet Tim Hollis is the first to examine the entire story of character licensing and merchandising from a historical view *Toons in Toyland* focuses mainly on the post World War II years circa 1946 1980 when the last baby boomers were in high school During those years the mass merchandising of cartoon characters peaked However the concept of licensing cartoon characters for toys trinkets and other merchandise dates back to the very first newspaper comics character the Yellow Kid who debuted in 1896 and was soon appearing on a variety of items Eventually cartoon producers and comic strip artists counted on merchandising as a major part of their revenue stream It still plays a tremendous role in the success of the Walt Disney Company and many others today Chapters examine storybooks such as Little Golden Books comic books records board games jigsaw puzzles optical toys including View Master and Kenner's Give a Show Projector and holiday paraphernalia Extending even beyond toys food companies licensed characters galore remember the Peanuts characters plugging bread and Dolly Madison snacks And roadside attractions amusement parks campgrounds and restaurants think Yogi Bear and Jellystone Park Campgrounds all bought a bit of cartoon magic to lure the green waves of tourists dollars
