The Bulletin of the Society for American Music ,2002 **The Story Behind the Song** Richard D. Barnet,Bruce Nemerov,Mayo R. Taylor,2004-01-30 A discussion of 15 influential songs from each decade provides the songs histories what inspired the writers to create them and why they have resonated over time *You Are My Sunshine* Robert Mann,2025-02-12 In *You Are My Sunshine* Robert Mann weaves together the birth of country music Louisiana political history World War II and the American civil rights movement to produce a compelling biography of one of the world s most popular musical compositions This is the story of a song that despite its simple sweet melody and lyrics holds the weight of history within its chords The song s journey to global fame began in 1939 when two obscure hillbilly groups recorded it By the century s end it was a cultural phenomenon covered by hundreds of artists spanning every genre It entered the Grammy Hall of Fame in 1999 and the Library of Congress s National Recording Registry in 2012 At the center of this story is Jimmie Davis who capitalized on his country music stardom to win two terms as Louisiana s governor In 1940 Davis became the third artist to record *Sunshine* after he bought it and claimed it as his composition The song became his anthem and a staple of his political rallies radiating warmth and wholesomeness Its sunny tune encouraged listeners to forget Davis s earlier recording career marked by risqu blues recordings that clashed with the upright gospel singing image he later cultivated As *You Are My Sunshine* grew in popularity so did its link to Louisiana s singing governor In 1977 the Louisiana Legislature made it a state song In this biography equal parts the story of Davis and the odyssey of his song we discover that *Sunshine* shaped the early rise of country music but became tangled in Davis s pro segregation policies briefly overshadowing its legacy *You Are My Sunshine* explores the song s contested origins its rise to legendary status and its ongoing resonance with millions This is more than the story of a simple song it s a biography of a cultural icon enduring and ubiquitous as sunshine itself
