Rediscovering American Bestsellers Sarah Churchwell, Thomas Ruys Smith, 2012-08-02 What is it about certain books that makes them bestsellers Why do some of these books remain popular for centuries and others fade gently into obscurity And why is it that when scholars do turn their attention to bestsellers they seem only to be interested in the same handful of blockbusters when so many books that were once immensely popular remain under examined Addressing those and other equally pressing questions about popular literature Must Read is the first scholarly collection to offer both a survey of the evolution of American bestsellers as well as critical readings of some of the key texts that have shaped the American imagination since the nation's founding Focusing on a mix of enduring and forgotten bestsellers the essays in this collection consider 18th and 19th century works like Charlotte Temple or Ben Hur that were once considered epochal but are now virtually ignored 20th century favorites such as The Sheik and Peyton Place and 21st century blockbusters including the novels of Nicholas Sparks The Kite Runner and The Da Vinci Code Publishing and Culture Dallas John Baker, Donna Lee Brien, 2019-04-10 Publishing is currently going through dramatic changes from globalisation to the digital revolution A whole culture of events practices and processes has emerged centred around books and writing which means that scholars of publishing need to understand it as a social and cultural practice as much as it is a business This book explores the culture practice and business of book production distribution publication and reception It discusses topics as diverse as emerging publishing models book making writers festivals fan communities celebrity authors new publishing technologies self publishing book design and the role of class race gender and sexuality in publishing or book culture This volume will be of interest to those in the disciplines of publishing studies creative writing English literature cultural studies and cultural industries

South-Asian Fiction in English Alex Tickell, 2016-04-30 This collection offers an essential structured survey of contemporary fictions of South Asia in English and includes specially commissioned chapters on each of the national traditions of the region It covers less well known writings from Pakistan Sri Lanka and Bangladesh as well as the more firmly established canon of contemporary Indian literature and features chapters on important new and emergent forms such as the graphic novel genre fiction and the short story It also contextualizes some key transformative aspects of recent fiction such as border and diaspora identities new middle class narratives and popular genres and literary response to terror and conflict Edited and designed with researchers and students in mind the book updates existing criticism and represents a readable guide to a dynamic rapidly changing area of global literature *Angus & Robertson and the British Trade in Australian*

Books, 1930-1970 Jason D. Ensor, 2013-10 Angus Robertson and the British Trade in Australian Books 1930-1970 traces the history of the printed book in Australia particularly the production and business context that mediated Australia's literary and cultural ties to Britain for much of the twentieth century This study focuses on the London operations of one of Australia's premier book publishers of the twentieth century Angus Robertson The book argues that despite the obvious limitations of a British dominated market Australian publishers had room to manoeuvre in it It questions the ways in which Angus Robertson replicated challenged or transformed the often highly criticised commercial practices of British publishers in order to develop an export trade for Australian books in the United Kingdom This book is the answer to the current void in the literary market for a substantial history of Australia's largest publisher and its role in the development of Australia's export book trade

Expanding Austenland Áine Madden, 2024-01-13 *Expanding Austenland* The *Pride and Prejudice* Fanfiction Archive explores Jane Austen's reception in popular culture through an exploration of the ever expanding terrain of online fanfiction professionally published profic texts and other intertextual reworkings inspired by the author's most popular novel *Pride and Prejudice* The book argues that given its pervasiveness *Pride and Prejudice* could be usefully considered not as a single novel but as an entire archive of interrelated texts or as a portal that opens a virtual world for readers to expand and explore By examining the *Pride and Prejudice* archive of interrelated texts this book analyses the process through which an individual novel can develop a virtual life or afterlife The evolving world that is opened by *Pride and Prejudice* and extended and enriched through fanfiction is conceptualised in the monograph as *Austenland*
