Port Of Last Resort The Diaspora Communities Of Shanghai:

Port of Last Resort Marcia Reynders Ristaino, 2001 This book examines two large and generally overlooked diaspora communities one Jewish the other Slavic who found refuge in Shanghai during the tumultuous first half of the twentieth century

The Jdc at 100 Linda G. Levi, Maud S. Mandel, Avinoam Patt, Atina Grossmann, 2019-05-13 It will appeal to readers with a more general interest in Jewish studies and refugee studies Holocaust museum professionals and those engaged in Jewish and other relief and resettlement programs

Frontiers of Memory in the Asia-Pacific Shu-Mei Huang, Hyun Kyung Lee, Edward Vickers, 2022-08-01 *Frontiers of Memory in the Asia Pacific* explores the making and consumption of conflict related heritage throughout the Asia Pacific region Contributing to a growing literature on difficult heritage this collection advances our understanding of how places of pain shame oppression and trauma have been appropriated and refashioned as heritage in a number of societies in contemporary East and Southeast Asia and Oceania The authors analyse how the repackaging of difficult pasts as heritage can serve either to reinforce borders transcend them or even achieve both simultaneously depending on the political agendas that inform the heritage making process They also examine the ways in which these processes respond to colonialism decolonization and nationalism The volume shows how efforts to preserve various sites of difficult heritage can involve the construction of new borders in the mind between what is commemorated and what is often deliberately obscured or forgotten Taken together the studies presented here suggest new directions for comparative research into difficult heritage across Asia and beyond applying an interdisciplinary and critical perspective that spans history heritage studies memory studies urban studies architecture and international relations Bringing together an excellent range of cases from diverse locations across the Asia Pacific this book is an important contribution not only to this part of the world but to understandings of heritage struggles especially in relation to colonial histories more widely Sharon Macdonald Humboldt University zu Berlin This collection is an important contribution to our understanding of the place of Asia within global memory culture Going beyond the tunnel vision of national memories it provides us with a sophisticated examination of the ways the difficult heritage of colonialism revolution and war intersects with contemporary politics to produce an Asia Pacific memory sphere Ran Zwigenberg Pennsylvania State University

Someday We Will Fly Rachel DeWoskin, 2020-01-21 From the author of *Blind a heart wrenching coming of age story set during World War II in Shanghai one of the only places Jews without visas could find refuge Warsaw Poland The*

year is 1940 and Lillia is fifteen when her mother Alenka disappears and her father flees with Lillia and her younger sister Naomi to Shanghai one of the few places that will accept Jews without visas There they struggle to make a life they have no money there is little work no decent place to live a culture that doesn't understand them And always the worry about Alenka How will she find them Is she still alive Meanwhile Lillia is growing up trying to care for Naomi whose development is frighteningly slow in part from malnourishment Lillia finds an outlet for her artistic talent by making puppets remembering the happy days in Warsaw when her family was circus performers She attends school sporadically makes friends with Wei a Chinese boy and finds work as a performer at a gentlemen's club without her father's knowledge But meanwhile the conflict grows more intense as the Americans declare war and the Japanese force the Americans in Shanghai into camps More bombing more death Can they survive caught in the crossfire

Historical Dictionary of World War II Anne Sharp

Wells, 2023-12-15 World War II was the largest and most costly conflict in history the first true global war Fought on land on sea and in the air it involved numerous countries and killed maimed or displaced millions of people both civilian and military around the world In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and the Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic This book focuses on the lesser known war the war with Japan It begins with Japan's seizure of Manchuria from China in 1931 and covers Japan's ambitious attacks on Pearl Harbor and other territories ten years later the use of atomic bombs on Japan's cities and the end of the Allied occupation of Japan in 1952 Although Japan renounced war in its 1947 constitution conflict continued across Asia as former colonies fought for independence and civil war engulfed other areas Historical Dictionary of World War II The War Against Japan Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross-referenced entries on the military diplomatic political social economic and scientific aspects of the war in addition to the lives of the people who participated in and directed the war This book is an excellent resource for students researchers and anyone wanting to know more about the war against Japan during World War II

From Things Lost Shirli Gilbert, 2017-05-15 An intimate history of the Holocaust that casts new light on our understanding of victimhood and survival In May 1933 a young man named Rudolf Schwab fled Nazi Germany His departure allegedly came at the insistence of a close friend who later joined the Party Schwab eventually arrived in South Africa one of the few countries left where Jews could seek refuge and years later resumed a relationship in letters with the Nazi who in many ways saved his life From Things Lost Forgotten Letters and the Legacy of the Holocaust is a story of displacement survival and an unlikely friendship in the wake of the Holocaust via an extraordinary collection of letters discovered in a forgotten trunk Only a handful of extended Schwab family members were alive in the war's aftermath Dispersed across five continents their lives mirrored those of countless refugees who landed in the most unlikely places Over years in exile a web

of communication became an alternative world for these refugees a place where they could remember what they had lost and rebuild their identities anew Among the cast of characters that historian Shirli Gilbert came to know through the letters one name that appeared again and again was Karl Kipfer He was someone with whom Rudolf clearly got on exceedingly well there was lots of joking familiarity and sentimental reminiscing That was Grandpa s best friend growing up Rudolf s grandson explained to Gilbert He was a Nazi and was the one who encouraged Rudolf to leave Germany He also later helped him to recover the family s property Gilbert takes readers on a journey through a family s personal history wherein we learn about a cynical Karl who attempts to make amends for his undemocratic past and a version of Rudolf who spends hours aloof at his Johannesburg writing desk dressed in his Sunday finest holding together the fragile threads of his existence The Schwab family s story brings us closer to grasping the complex choices and motivations that even in extreme situations or perhaps because of them make us human In a world of devastation the letters in *From Things Lost* act as a surrogate for the gravestones that did not exist and funerals that were never held Readers of personal accounts of the Holocaust will be swept away by this intimate story *Japan, the Jews, and Israel* Meron Medzini, 2024-09-02 Although an ally of Nazi Germany during World War II Japan adamantly refused to accede to German demands to deal harshly with the some 40 000 Jews living under its control While there was anti-Semitism in Japan since the early 1920s there was also philo-Semitism and great admiration for Jewish power influence and achievements Japan Israel relations were very strained and tense from 1952 to the early 1990s due to Japan s dependence on Arab oil But since 1990 the policy of Japan has changed radically and the country is now a close friend of Israel in East Asia Meron Medzini compares and contrasts Israeli and Japanese society foreign policy and above all economic and technological ties He analyzes the presence of Jews in Japan since the 1860s and the absence of any Jewish influence power and involvement in Japanese arts media academia politics labor unions and industry

Gendered Encounters between Germany and Asia Joanne Miyang Cho, Douglas T. McGetchin, 2016-12-14 This volume provides new insights into gendered interactions over the past two centuries between Germany and Asia including India China Japan and previously overlooked Asian countries including Vietnam the Philippines Thailand and Korea This volume presents scholarship from academics working in the field of German Asian Studies as it relates to gender across transnational encounters in the nineteenth and twentieth centuries Gender has been a lens of analysis in isolated published chapters in previous edited volumes on German Asian connections but nowhere has there been a volume specifically dedicated to the analysis of gender in this field Rejecting traditional notions of West and East as seeming polar opposites their contributions to this volume attempts to reconstruct the ways in which German and Asian men and women have cooperated and negotiated the challenge of modernity in various fields *The New Expatriates* Anne-Meike Fechter, Katie Walsh, 2013-09-13 While scholarship on migration has been thriving for decades little attention has been paid to professionals from Europe and America who move temporarily to destinations beyond the West Such migrants are marginalised and

depoliticised by debates on immigration policy and thus there is an urgent need to develop nuanced understanding of these more privileged movements In many ways these are the modern day equivalents of colonial settlers and expatriates yet the continuities in their migration practices have rarely been considered The New Expatriates advances our understanding of contemporary mobile professionals by engaging with postcolonial theories of race culture and identity The volume brings together authors and research from across a wide range of disciplines seeking to evaluate the significance of the past in shaping contemporary expatriate mobilities and highlighting postcolonial continuities in relation to people practices and imaginations Acknowledging the resonances across a range of geographical sites in Asia Africa and the Middle East the chapters consider the particularity of postcolonial contexts while enabling comparative perspectives A focus on race and culture is often obscured by assumptions about class occupation and skill but this volume explicitly examines the way in which whiteness and imperial relationships continue to shape the migration experiences of Euro American skilled migrants as they seek out new places to live and work This book was originally published as a special issue of the Journal of Ethnic and Migration Studies

Displaced Comrades Ebony Nilsson, 2023-11-02 This book explores the lives of left wing Soviet refugees who fled the Cold War to settle in Australia and uncovers how they adjusted to life under surveillance in the West As Cold War tensions built in the postwar years many of these refugees happily resettled in the West as model refugees proof of capitalist countries superiority But for a few this was not the case *Displaced Comrades* provides an account of these Cold War misfits those refugees who fled East for West but remained left wing or pro Soviet Drawing on interviews government records and surveillance dossiers from multiple continents this book explores how these refugees ideas took root in new ways As these radical ideas drew suspicion from western intelligence these everyday lives were put under surveillance shadowed by the persistent threat of espionage With unprecedented access to intelligence records Nilsson focuses on how a number of these left wing refugees adjusted to life in Australia opening up a previously invisible segment of postwar migration history and offering a new exploration of life as a Soviet enemy alien in the West

Jewish Responses to Persecution:

1944-1946 Leah Wolfson, 2015-08-13 Published in association with the United States Holocaust Memorial Museum With its unique combination of primary sources and historical narrative *Jewish Responses to Persecution 1944-1946* provides an important new perspective on Holocaust history Covering the final year of Nazi destruction and the immediate postwar years it traces the increasingly urgent Jewish struggle for survival which included armed resistance and organized escape attempts Shedding light on the personal and public lives of Jews this book provides compelling insights into a wide range of Jewish experiences during the Holocaust Jewish individuals and communities suffered through this devastating period and reflected on the Holocaust differently depending on their nationality personal and communal histories and traditions political beliefs economic situations and other life history The rich spectrum of primary source material collected including letters diary entries photographs transcripts of speeches and radio addresses newspaper articles drawings and official government and

institutional memos and reports makes this volume an essential research tool and curriculum companion **The Routledge History of Genocide** Cathie Carmichael, Richard C. Maguire, 2015-05-01 The Routledge History of Genocide takes an interdisciplinary yet historically focused look at history from the Iron Age to the recent past to examine episodes of extreme violence that could be interpreted as genocidal Approaching the subject in a sensitive inclusive and respectful way each chapter is a newly commissioned piece covering a range of opinions and perspectives The topics discussed are broad in variety and include genocide and the end of the Ottoman Empire Stalin and the Soviet Union Iron Age warfare genocide and religion Japanese military brutality during the Second World War heritage and how we remember the past The volume is global in scope something of increasing importance in the study of genocide Presenting genocide as an extremely diverse phenomenon this book is a wide ranging and in depth view of the field that will be valuable for all those interested in the historical context of genocide **Thrown upon the World** George Kolber, Charles Kolber, 2018-06-28 It is 1938 when the Kolbers affluent Viennese Jews flee their country for Shanghai after its annexation by the Nazis Eva and her daughter take the Trans Siberian Railroad through war zones where they must confront border guards and Japanese imprisonment Meanwhile her husband Josef and their twin sons travel by ocean liner hiding valuables in crates Similarly in China the politically powerful Gan Chen family finds their lives upended by Japanese invaders Forced to abandon their estate the family seeks refuge in Shanghai While the families adapt to their new lifestyles during the war their children meet Walter Kolber is a handsome violinist Chao Chen is a gifted pianist After a forbidden romance blossoms Chao Chen discovers she is pregnant Without familial blessings the lovers marry in December 1946 and head with their newborn to a refugee camp in Austria As Chao Chen grapples with language and cultural barriers the family is met with turmoil and tragedy Now only time will tell if they will survive their troubles to start a new life in the United States A remarkable true story Thrown upon the World tells the tale of two families brought together during World War II in Shanghai and the twist of fate that split them apart

German-Speaking Jewish Refugees in Asia, 1930-1950 Joanne Miyang Cho, Eric Kurlander, Douglas McGetchin, 2025-03-31 Although most perished hundreds of thousands of Central European Jews escaped the Holocaust tens of thousands of these Jewish refugees ended up in East Asia Southeast Asia or South Asia Taking a global and transnational approach this volume examines the cultural political and socioeconomic encounters among and between Asian and European states and empires Central European Jews and Asians between 1930 and 1950 offering important case studies that address the policies toward and experiences of German speaking Jews across East Asia Southeast Asia and South Asia The strength of this volume lies not only in its efforts to include multiple theoretical perspectives which integrate German Jewish Asian and Migration Studies but also in the original empirical research on which it is based Engaging directly with the rich and growing historiography on the origins course and consequences of the Holocaust in East Southeast and South Asia this volume provides a framework in which we can better understand how global traditions of empire and colonialism matter in our

efforts to understand the Holocaust while indicating that Asian states and peoples were keenly aware of the so called Jewish Question and made efforts though widely differentiated to provide shelter from the Nazi storm German Speaking Jewish Refugees in Asia 1930 1950 will appeal to students and scholars alike interested in the history of Jewish refugees in the twentieth century as well as all those interested in the modern history of German speaking Central Europe and Asia

Overcoming Empire in Post-Imperial East Asia Barak Kushner, Sherzod Muminov, 2019-10-31 When Emperor Hirohito announced defeat in a radio broadcast on 15th August 1945 Japan was not merely a nation it was a colossal empire stretching from the tip of Alaska to the fringes of Australia grown out of a colonial ideology that continued to pervade East Asian society for years after the end of the Second World War In *Overcoming Empire in Post Imperial East Asia* Repatriation Redress and Rebuilding Barak Kushner and Sherzod Muminov bring together an international team of leading scholars to explore the post imperial history of the region From international aid to postwar cinema to chemical warfare these essays all focus on the aftermath of Japan s aggressive warfare and the new international strategies which Japan China Taiwan North and South Korea utilised following the end of the war and the collapse of Japan s empire The result is a nuanced analysis of the transformation of postwar national identities colonial politics and the reordering of society in East Asia With its innovative comparative and transnational perspective this book is essential reading for scholars of modern East Asian history the cold war and the history of decolonisation

Myth Victoria Lenshyn, Evan Torner, 2009-10-02 *Myth* presents the latest interdisciplinary research by graduate students in the fields of German and Scandinavian studies compiling papers that were introduced at the eponymous 2008 graduate student conference at the University of Massachusetts Amherst Focusing on myths in and about German and Scandinavian societies these essays provide exemplary analyses of how cultural and social practices mutually inform and influence each other This anthology is primarily intended for scholars across the disciplines looking at trends and narratives in northern Europe From history to film studies theater and philology the contributions represent the teeming variety of approaches to German and Scandinavian studies now emergent in the Academy *Myth* showcases not only new inquiries into diverse subject areas but also new methods of inquiry for future interdisciplinary research

Empire careers Catherine Ladds, 2017-02-01 This is the first book length study of the 11 000 foreign nationals who worked for the Chinese Customs Service between 1854 and 1949 exploring how their lives and careers were shaped by imperial ideologies networks and structures In doing so it highlights the vast range of people British and non British elite and non elite for whom the empire world spoke of opportunity *Empire careers* considers the professional triumphs and tribulations of the foreign staff their social activities their private and family lives and how all of these factors were influenced by the changing political context in China and abroad Contrary to the common assumption that China was merely an outpost of empire exploration of the Customs cosmopolitan personnel encourages us to see China as a place where multiple imperial trajectories converged overlapped and competed This book will be of interest to students and scholars of

imperial history and the political history of modern China 2013 N. Nosirrah, Stephen Grace, 2010-04-16 Have you ever awakened in the night wondering if you would survive the impact of a meteorite a mutating viral pandemic turning the population into flesh eating zombies the melting polar ice caps altering the climate into an inhospitable methane laced bog or simply God raining down fire and brimstone and turning off the lights Then this is your essential guide to survival prosperity and peace when the world ends **Food Heritage and Nationalism in Europe** Ilaria Porciani, 2019-11-07 Food Heritage and Nationalism in Europe contends that food is a fundamental element of heritage and a particularly important one in times of crisis Arguing that food taste cuisine and gastronomy are crucial markers of identity that are inherently connected to constructions of place tradition and the past the book demonstrates how they play a role in intangible as well as tangible heritage Featuring contributions from experts working across Europe and beyond and adopting a strong historical and transnational perspective the book examines the various ways in which food can be understood and used as heritage Including explorations of imperial spaces migrations and diasporas the role of commercialisation processes and institutional practices within political and cultural domains this volume considers all aspects of this complex issue Arguing that the various European cuisines are the result of exchanges hybridities and complex historical processes Porciani and the chapter authors offer up a new way of deconstructing banal nationalism and of moving away from the idea of static identities Suggesting a new and different approach to the idea of so called national cuisines Food Heritage and Nationalism in Europe will be a compelling read for academic audiences in museum and heritage studies cultural and food studies anthropology and history Chapters 1 2 4 6 and 12 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
