seeking a framework for a more enlightened relationship between humans and non human animals As such The Routledge Handbook of Religion and Animal Ethics is essential reading for students and researchers in religious studies theology and animal ethics as well as those studying the philosophy of religion and ethics more generally

What If Humans Were Like Animals? Marianne Taylor,2013-04-04 Everyone has wondered what it would be like to be their pet dog or cat covered in fur walking on all fours But have you ever wondered what it would be like to have eight eyes and legs like a spider What if you drank through a straw that was part of your mouth like a butterfly The imagination runs wild in this book that explores the hilarious possibilities of what it would be like if people had the traits of animals all while learning distinct and disgusting facts about these animals For instance picture what it would be like if people carried their young in their mouths like jawfish do were as strong as carpenter ants which can lift 850x their own weight could stretch over 10x their own length the way that ribbon worms can had eyes in their hands like starfish had skunk defenses and squirted some stink out of their rears when they re attacked What If Humans Were Animals imagines all these possibilities and more in hilariously graphic picture and gag provoking text that entertains as well as educates Readers will never be able to forget all these animal facts when they picture them in this zany and outrageous context
