 what extent is religion inherently textual What might the term textual mean in relation to religious faith and practice These
 are the two key questions addressed by the eleven thought provoking essays collected in this volume Accounts of the content
 and structure of sacred texts are commonplace The rather more adventurous aim of this book is to disclose within the context
 of religion the various ways in which meaning can be read of more or less obviously sacred writing and from discourses such

 Devoted Friends of God,2017-07-16 Read the Holy Bible like a novel not like a textbook This version of the Holy Bible
 capitalizes on a new presentation style that has become more popular over the last few years and one that is closer to the
 original version than most current ones We ve dispensed with chapter and verse numbers they weren t added until the 1200s
 and 1500s respectively and we ve put books that were split apart because they wouldn t fit on a single scroll e g Ezra and
 Nehemiah back into single books We ve also rearranged some of the books so they follow a more logical timeline and
 progression We keep books with the same audience or author or same theme or timeline together This makes it more
 cohesive for you to read We ve used the World English Bible a readable translation that allows you to traverse the whole of
 God s word in thoroughly modern language We hope you enjoy reading this new version of the Holy Bible and may Yahweh
