Reading The New Testament Today An Introduction To New Testament Study:

Reading the New Testament Today Brian E. Beck, 1977 Why do we have to study the New Testament Is it not simply enough to read it Beginning with a reading of the Lord's Prayer Brian Beck sets out to show how even the most familiar passages may benefit from more detailed study He writes simply and directly about the problems which arise from translation not only for the student but for every Christian who cares enough about the New Testament to want to understand it better He then goes on to show the way in which the different books came to be written and how they were brought together Though he is ready to criticise a number of scholars when he thinks they are mistaken he nevertheless yields to nobody in his high regard for many of the fruits of contemporary New Testament scholarship

Reading the New Testament Pheme Perkins, 1988 Discusses the history and nature of the New Testament provides outlines of each book and information on archaeological discoveries and shares an interpretation of the Scriptures

Reading the New Testament as Christian Scripture (Reading Christian Scripture) Constantine R. Campbell, Jonathan T. Pennington, 2020-08-04 This survey textbook by two respected New Testament scholars is designed to meet the needs of contemporary evangelical undergraduates The book effectively covers the New Testament books and major topics in the New Testament assuming no prior academic study of the Bible The authors pay attention to how the New Testament documents fit together as a canonical whole that supplements the Old Testament to make up the Christian Scriptures They also show how the New Testament writings provide basic material for Christian doctrine spirituality and engagement with culture Chapters can be assigned in any order making this an ideal textbook for one semester courses at evangelical schools This is the first volume in a new series of survey textbooks that will cover the Old and New Testaments The book features full color illustrations that hold interest and aid learning and offers a full array of pedagogical aids photographs sidebars maps time lines charts glossary and discussion questions Additional resources for instructors and students are available through Textbook eSources
