Maureen Whitebrook

Reading The Postmodern Polity Political Theory As Textual Practice:

Reading the Postmodern Polity Michael J. Shapiro, 1992 Nine essays with past lives as lectures and journal articles discuss such topics as the spaces of critical interpretation political economy and mimetic desire in Babette's feast and the representation of 1965 4 15 95 Annotation copyrighted by Book News Inc Portland OR **Reading the Postmodern Polity** Michael J. Shapiro, The Postzionism Debates Laurence J. Silberstein, 2013-10-18 The struggle for postzionism is a conflict over national memory and the control of cultural and physical space Laurence J Silberstein analyzes the phenomenon of postzionism and provides an intervention into this debate New Frontiers in International Communication Theory Mehdi Semati, 2004-10-26 New Frontiers in International Communication Theory offers a wide ranging assessment of the present state of the field of international communication and charts new directions for theory and research It brings together renowned and emerging scholars who challenge the field to move beyond the limits of existing formulations approaches and trajectories providing an alternative and a supplement to traditional approaches in analysis and study In rethinking the central problematics of the field exploring established and new tools and models of inquiry and articulating new research agendas this interdisciplinary collection anticipates the future of international communication studies **Radical Democracy** David Trend, 2013-09-13 Radical Democracy addresses the loss of faith in conventional party politics and argues for new ways of thinking about diversity liberty and civic responsibility The cultural and social theorists in Radical Democracy broaden the discussion beyond the conventional and conservative rhetoric by investigating the applicability of radical democracy in the United States Issues debated include whether democracy is primarily a form of decision making or an instrument of popular empowerment and whether democracy constitutes an abstract ideal or an achievable goal Working the Ruins Elizabeth St. Pierre, Wanda S. Pillow, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company Real Toads in Imaginary Gardens Maureen Whitebrook, 1995 Maureen Whitebrook argues that literature through both its form and its content can expose and criticize liberal theory and point beyond it to a new political theory She describes how literary political criticism might be done and demonstrates such criticism in four essays that expose the connections between specific political and literary texts Fiction Whitebrook concludes does a better job than liberal political theory of examining the relationship between the individual and the State **Deforming American Political Thought** Michael J. Shapiro, 2006-10-20 By affirming the relativity of the American historical imagination political theorist Michael J Shapiro offers a powerful polemic against ethnocentric interpretations of American culture and politics Deforming American Political Thought analyzes issues that range from the nature of Thomas Jefferson's vision of an egalitarian nation to the persistence of racial inequality Shapiro offers a multifaceted argument that transcends the myopic scope of traditional political discourse Deforming American Political Thought illustrates the various ways in which history architecture film music literature and art provide approaches to the comprehension of diverse facets of American political

thought from the founding to the present Using these seemingly disparate disciplines as a framework Shapiro paints a picture of American political philosophy that is as distinctive as it enlightening Shapiro explores the historically vital role of dissenting points of view in American politics and asserts its continuing importance in today's political landscape Exploring such diverse works as slave narratives contemporary films genre fiction and blues and jazz music Shapiro reveals that there have always been dissenting voices casting doubt on the moral purpose and exceptionalism of the American mind An unprecedented inquiry into American politics *Deforming American Political Thought* will surely serve to reinvigorate discussions about the essence of American political thought

The Art of Being Free Mark Reinhardt, 2019-06-30 The art of being free is an essential part of democracy It involves Mark Reinhardt believes bringing into being the multiple spaces in and practices through which individuals and groups help to constitute their lives their selves their worlds Americans are presently witnessing a contraction of officially sanctioned spaces for citizen action It is now crucial Reinhardt argues to identify ways of opening new spaces for the direct practice of democratic politics Reinhardt treats the writings of Alexis de Tocqueville Karl Marx and Hannah Arendt as exemplary sources for an expansion of political possibility These writers indicate where and how the new spaces can be brought into being and they reveal acts of making space as some of the prime moments of politics Reinhardt's extended readings of these writers never previously treated together are quite unlike the familiar understandings of their thought Taking liberties he brings the literary and political sensibility usually associated with postmodernism to a sympathetic if critical encounter with eminently modern thinkers The result is a strong and idiosyncratic book accessible and stylish that mixes acute readings of canonical thinkers with more practical applications and illustrations Reinhardt combines attention to textual detail and nuance with concern for contemporary politics discussing as an unusually inventive example the AIDS activist group ACT UP

Modernity & Consumption Antonio L. Rappa, 2002 Offers an examination of modernity and consumption with a non Marxist modernity Resistance theoretical frame mRf
