The Bible and Lay People Andrew Village, 2016-03-23 There are many books about how people ought to interpret the Bible This book is about how people in churches actually interpret the Bible and why they interpret it in the way that they do Based on a study of Anglicans in the Church of England it explores the interaction of belief personality experience and context and sheds new light on the way that texts interact with readers The author shows how the results of such study can begin to shape an empirically based theology of scripture This unique study approaches reader centred criticism and the theology of scripture from a completely new angle and will be of interest to both scholars and those who use the Bible in churches

Divine Scripture in Human Understanding Joseph K. Gordon, 2019-03-15 In six closely reasoned chapters Joseph Gordon presents a detailed account of a Christian doctrine of Scripture in the fullest

context of systematic theology Divine Scripture in Human Understanding addresses the confusing plurality of contemporary approaches to Christian Scripture both within and outside the academy by articulating a traditionally grounded constructive systematic theology of Christian Scripture Utilizing primarily the methodological resources of Bernard Lonergan and traditional Christian doctrines of Scripture recovered by Henri de Lubac it draws upon achievements in historical critical study of Scripture studies of the material history of Christian Scripture reflection on philosophical hermeneutics and philosophical and theological anthropology and other resources to articulate a unified but open horizon for understanding Christian Scripture today Following an overview of the contemporary situation of Christian Scripture Joseph Gordon identifies intellectual precedents for the work in the writings of Irenaeus Origen and Augustine who all locate Scripture in the economic work of the God to whom it bears witness by interpreting it through the Rule of Faith Subsequent chapters draw on Scripture itself classical sources such as Irenaeus Origen Augustine and Aquinas the fruit of recent studies on the history of Scripture and the work of recent scholars and theologians to provide a contemporary Christian articulation of the divine and human locations of Christian Scripture and the material history and intelligibility and purpose of Scripture in those locations The resulting constructive position can serve as a heuristic for affirming the achievements of traditional historical critical and contextual readings of Scripture and provides a basis for addressing issues relatively underemphasized by those respective approaches

Antiochene Theoria in the Writings of Theodore of Mopsuestia and Theodoret of Cyrus Richard J. Perhai, 2015 Biblical scholars have often contrasted the exegesis of the early church fathers from the eastern region and school of Syrian Antioch against that of the school of Alexandria The Antiochenes have often been described as strictly historical literal exegetes in contrast to the allegorical exegesis of the Alexandrians Patristic scholars now challenge those stereotypes some even arguing that few differences existed between the two groups This work agrees that both schools were concerned with a literal and spiritual reading But it also tries to show through analysis of Theodore and Theodoret's exegesis and use of the term *theria* that how they integrated the literal theological readings often remained quite distinct from the Alexandrians For the Antiochenes the term *theria* did not mean allegory but instead stood for a range of perceptions prophetic christological and contemporary It is in these insights that we find the deep wisdom to help modern readers interpret Scripture theologically

Matthew's Parable of the Royal Wedding Feast Ruth Christa Mathieson, 2023-06-02 Ruth Christa Mathieson's unique reading of Matthew's parable of the royal wedding feast Matt 22:1-14 which concludes with the king's demand that one of the guests be bound and cast out into the outer darkness focuses on the means of the underdressed guest's expulsion Using sociorhetorical interpretation Mathieson draws the parable into conversation with early Jewish narratives of the angel Raphael binding hands and feet 1 Enoch Tobit and the protocol for expelling individuals from the community in Matt 18 She asserts that readers are invited to consider if the person who is bound and cast out is a danger to the little ones of the community of faith unless removed and restrained

Rhoads, A diverse group of New Testament scholars and theologians offer myriad paths to a better understanding of the Book of Revelation They discuss topics such as Hispanic Cuban American and African American perspectives ecological issues postcolonial themes and liberation theology The book also provides a set of guidelines for intercultural Bible study The volume s contributors include Brian K Blount Justo Gonz lez Harry O Maier Clarice J Martin James Okoye Tina Pippin Pablo Richard Barbara R Rossing V tor Westhelle Khiok Khng Yeo *Reframing a Relevant Faith* C Drew Smith,2014-12-03 Many people expect faith to be inflexible and unchanging It is relevant because it always has been at least to them To admit change is to bring on the end of faith and all of its benefits Others believe that a relevant faith is by nature shallow and unrooted Author and educator Drew Smith disagrees He believes that it is both possible and necessary to reframe faith in such a way that it is relevant to our present society At the same time this reframed faith is still a historic faith It is definitely not shallow and in fact is rooted deeply in the person and teaching of Jesus Chapters look at why a faith should be progressive how it can be rooted in the scriptures the importance of the person of Jesus and what this means for the mission of the church Each chapter includes questions for reflection and discussion making it easy to use this guide in group study Those who are looking for an alternative to an anti intellectual and narrow Christianity will find in this book an essential and friendly guide *The Persistence of God's Endangered Promises* Allan J. McNicol,2017-12-28 Using a thorough integrated biblical theology to make sense of the master story of Scripture Allan J McNicol explores the nature and importance of the Bible s abiding narrative of the persistence of God s promises to his people and their hope of final triumph Special attention is given to the often contentious claim that these early followers of Jesus presumed that they stood in full continuity with Israel the historic people of God and were claiming that many of God s promises were coming to fulfilment among them McNicol presents a closer analysis of the texts as he shows how the theme of the people of God fits into the wider literary productions of these major New Testament writers
