Reading the Clouds Anthony J. Gittins, 1999      **New SCM Dictionary of Christian Spirituality** Philip Sheldrake, 2013-05-20 This dictionary attempts to give direct access to the development of Christian Spirituality It is a series of pieces written by experts to provide instant accurate and thought provoking information of high scholarship      **Going Global with God** Titus Leonard Presler, 2010-10 Explores the gifts and challenges of grassroots mission initiative in a world of difference In this stimulating new work congregations and church leaders at every level can gain the theological and practical background to build mission relationships marked by companionship reconciliation and mutuality      *Biblical Foundations of Spirituality* Barbara E. Bowe, 2017-01-26 Biblical Foundations of Spirituality invites readers to touch a finger to the flame of the Bible by offering guidance on what how and why to read Scripture as a source of spiritual nourishment The second edition builds on Barbara Bowe's acclaimed book with two new chapters by Laurie Brink and John R Barker introducing key theological concepts and exploring how biblical spirituality was first experienced and expressed in early Christian communities The book begins by exploring the many meanings of the word spirituality then leads readers through the Bible from Genesis to Revelation to develop a biblically based spirituality that can serve as a compass in the challenges of life Updated to reference the latest scholarship this book helps make the Bible more accessible and shows how it can be relevant to life today The book stresses the spiritual dimension of biblical figures search for God and shows how their insights about God from successes to dead ends can reflect our contemporary searching and struggles Biblical Foundations of Spirituality reveals the spiritual wisdom of the Bible connecting it with everyday life and spirituality With a chronology reflection questions a glossary and updated notes and bibliography as well as two new chapters the second edition of Biblical Foundations of Spirituality is ideal for classroom parish or individual reading      *Mission & Culture: The Louis J. Luzbetak Lectures* Stephen B. Bevans, 2012      The Unknown God Thomas G. Grenham, 2005 This book explores the idea of religious and theological interculturalism from a Christian perspective as an approach to evangelisation It explores aspects of culture and pluralism as these have been interpreted in post Vatican II approaches to mission and evaluates interculturalism from a number of perspectives including language symbol and metaphor It draws insight from two New Testament encounters of Jesus with women in Samaria John and in Tyre Matthew and Mark and goes on to explore some historical sources of interculturalism in the missionary endeavours of the Jesuit Matteo Ricci A particular case study is made of the contemporary experience of an African people the Turkana of Kenya      A Practical Discipleship Model That Fosters Spiritual Maturity Owar Ojha Ojulu, 2023-11-09 Jesus challenges us to live in him and continue living out the truth so that we claim our allegiance to Christ and live as disciples free from fear and from cultural customs that contradict the gospel message This project has found that the lack of discipleship training among the Anyuwa churches has resulted in a lack of understanding of what this ministry entails teaching and making disciples In addition failure to embed elements of the Anyuwa culture into

the discipleship approach and the persistence of certain elements of Anyuwa life that run counter to gospel beliefs has inflamed this crisis Therefore this book presents a call for the church to challenge the culture of syncretism and the fear of witchdoctors to shift its paradigm and begin interpreting the gospel message utilizing contextual elements but interpreting them through the lens of the gospel calling people to embrace gospel values within their own cultural context When we start interpreting strong cultural beliefs and traditions through the truth of the gospel it is proof that we have come to the best discipleship approach as we speak the truth of the gospel in the life our church and the hearts of our believers
