Reading To Matthew

David E. Garland

Reading To Matthew:

Reading Matthew David E. Garland, 2001 Reading Matthew provides thorough guidance through Matthew's story of Jesus. Garland's commentary reveals the movement of the story's plot while also highlighting the theology of Matthew. Reading Matthew is an essential book for students and ministers studying the first Gospel. *Reading Matthew as the Climactic Fulfillment of the Hebrew Story* Martin Spadaro, 2015-09-09 This book is a reading of Matthew's Gospel as though it were written to integrate with and conclude the existing body of Scriptures. Matthew is read as though John was the last prophet of God and Israel's last chance for repentance and that Jesus was YHWH who had come to judge the Temple priesthood and covenant nation according to the terms of the covenant God made with Moses at Sinai. Through this lens, new interpretations are given to the infancy narrative, the Sermon on the Mount, the mission, the parables, and Jesus' arrival in Jerusalem along with the events that followed. By reading Matthew this way, a greater appreciation can be gained for its necessary place in the canon, and many of Matthew's well-known conundrums can be meaningfully addressed. As a Hebrew document, Matthew understood the necessity to record the crimes against YHWH, Jesus in Israel and Jerusalem as the ultimate cause for the termination of the ethnically and geographically bound covenant, which could then be replaced by the cross-cultural and international covenant that Christians now enjoy. Reading Matthew for the First Time Wilfrid J. Harrington, 2014 Following in the same insightful and popular style as *Reading Mark for the First Time*, noted scripture scholar and teacher Wilfrid Harrington provides a useful road map to guide us through the Gospel of Matthew. He explains the context for Matthew's writing and community and his focus on Jesus' teaching, which is gathered into five major discourses. *Reading Matthew for the First Time* is a valuable and indispensable guide to understanding the Gospel.
