Ecclesiology Gerard Mannion, Eddy van der Borght, 2011-08-04 This unique work analyzes the crisis in modern society, building on the ideas of the Frankfurt School thinkers. Emphasizing social evolution and learning processes, it argues that crisis is mediated by social class conflicts and collective learning, the results of which are embodied in constitutional and public law. First, the work outlines a new categorical framework of critical theory in which it is conceived as a theory of crisis. It shows that the Marxist focus on economy and on class struggle is too narrow to deal with the range of social conflicts within modern society and posits that a crisis of legitimization is at the core of all crises. It then discusses the dialectic of revolutionary and evolutionary developmental processes of modern society and its legal system. This volume, in the *Critical Theory and Contemporary Society* by a leading scholar in the field, provides a new approach to critical theory that will appeal to anyone studying political sociology, political theory, and law. *Day by Day with John Calvin: Selected Readings for Daily*

Be encouraged as Calvin's profound insight, wisdom, and devotion reveal God's grace. Excerpts from Calvin's commentaries were taken from the work done in the mid-1800s by the

Tuininga, 2017-04-06 In Calvin's Political Theology and the Public Engagement of the Church Matthew J Tuininga explores a little appreciated dimension of John Calvin's political thought his two kingdoms theology as a model for constructive Christian participation in liberal society Widely misunderstood as a proto political culture warrior due in part to his often misinterpreted role in controversies over predestination and the heretic Servetus Calvin articulated a thoughtful approach to public life rooted in his understanding of the gospel and its teaching concerning the kingdom of God He staked his ministry in Geneva on his commitment to keeping the church distinct from the state abandoning simplistic approaches that placed one above the other while rejecting the temptations of sectarianism or separatism This revealing analysis of Calvin's vision offers timely guidance

for Christians seeking a mode of faithful respectful public engagement in democratic pluralistic communities today
