Readings In Anthropology:

Conformity and Conflict Dianna J. Shandy, David W. McCurdy, James P. Spradley, 2023-08-17 This best selling collection of engaging articles has enlivened cultural anthropology courses for decades The lead editor of the sixteenth edition Dianna Shandy first encountered *Conformity and Conflict* as an undergraduate and began teaching from the book in 1999 From the first through the sixteenth edition the editors have chosen classic works and solicited original pieces that powerfully illuminate the nature of culture and its influence on people's lives One of the overarching principles through the years has been to include material on North American cultures so readers can make their own cultural comparisons and see the relevance of anthropology to their own lives Readers sharpen critical thinking skills as they examine their assumptions identify perspectives and assess their beliefs Selections are organized around topics found in many textbooks and courses facilitating usage by instructors who do not want to assign a standard text Part introductions include discussion of many basic anthropological definitions Article introductions coherently and systematically link selections to anthropological concepts Sections and selections include environmental global and practicing anthropological subfields as well as traditional interests such as language gender kinship economics politics law inequality and religion The forty readings in this collection cover a broad range of theoretical perspectives juxtaposing classic and contemporary ethnographic work to introduce students to a broad range of authors The selections provide a fascinating way to look at human experience and make sense of the world around us Readings in Anthropology, 1955 **Readings in Anthropology** E. Adamson Hoebel, 2003-01-01

Readings in Early Anthropology James S. Slotkin, 2012-12-06 This book considers the beginnings of anthropology as a cultural tradition and examines how it was developed and transmitted It begins in the twelfth century when commercial capitalism and extensive acculturation spread a secular world view among intellectuals It ends with the eighteenth century because most anthropologists are familiar with the subsequent history of their science Originally published in 1963

Selected Readings in Anthropology University of California, Berkeley. Anthropology Department, 1919 **Readings in Cultural Anthropology (Preliminary Edition)** Robin Conley Riner, 2017-12-31 **Talking about People** William A. Haviland, 1993 A supplementary reader for cultural anthropology courses that consists entirely of contemporary articles that are global in both authorship and perspective Recognizing the centrality of fieldwork to anthropological knowledge the Third Edition includes essays that deal specifically with the nature and dilemmas of fieldwork These essays several of which have been commissioned especially for this volume consider the changing status of the field the nature of anthropological learning in the field and ethical issues and dilemmas *Readings in Anthropology* Eugene Cooper, Andrei Simic, 2007-08-20

Ritual and Belief David Hicks, 2010-03-15 *Ritual and Belief Readings in the Anthropology of Religion* is a collection of 41 readings in religion magic and witchcraft The choice of readings is eclectic no single anthropological approach or theoretical perspective dominates the text Theoretical significance scholarly eminence of the author and inherent interest

provide the principal criteria and each reading complements its companion chapters which are pedagogically coherent rather than ad hoc assemblages Included among the theoretical perspectives are structural functionalism structuralism Malinowskian functionalism cultural materialism and cultural evolutionism also included are the synchronic and diachronic approaches The book offers a mixture of classic readings and more recent contributions and the world religions are included along with examples from the religions of traditionally non literate cultures As diverse a range of religious traditions as possible has been embraced from various ethnic groups traditions and places *Peoples of the Past and Present* Jean-Luc Chodkiewicz, 1995 A wonderful aid for the intro course in anthropology this reader treats the subject as a science in the making Themes of cultural anthropology such as the material basis of social life kinship political systems status and role religion and endangered societies and cultures are presented in fifty eight readings from the books research journals and leading periodicals
