Readings in Critical Thinking Robert Shanab,2016-08-12 Readings in Critical Thinking demonstrates that critical thinking skills have very practical applications and therefore can be used to better society The text encourages readers to find solutions to societal problems and motivates them to take a stand against oppression injustice unnecessary wars and other evils It argues that if society can collectively adopt an effective method of reasoning it will result in a positive contribution to humanity Each of the ten chapters begins with an original writing that introduces the topic and the reading selection Topics covered in the text include argument diagrams deductive validity syllogistic logic inductive reasoning fallacies definitions incomplete arguments and reasoning schemes All chapters conclude with exercises that give students the opportunity to apply what they have read Readings in Critical Thinking is an excellent text for introductory courses in philosophy and logic Robert Shanab earned his M A at San Jose College and his Ph D at Ohio State University Columbus Dr Shanab is a professor in the Department of Philosophy at the University of Nevada Las Vegas where he teaches courses in philosophy and critical thinking He has written numerous articles for professional publications with work appearing in Philosophy Forum International Logic Review the Journal of Critical Analysis and Philosophical Review Fluent in French and Arabic Dr Shanab has also published in The Pakistan Philosophical Journal and the Academy of Iqbal Review Dr Shanab was born in Jerusalem Palestine and lived there until moving to the United States in 1957 *Critical Thinking, Reading, and Writing* Sylvan Barnet, Hugo Bedau, John O'Hara,2019-09-27 Critical Thinking Reading and Writing is a brief yet versatile resource for teaching argument persuasive writing and research It makes argument concepts clear and gives students strategies to move from critical thinking and analysis to crafting effective arguments Comprehensive coverage of classic and contemporary approaches to argument Aristotelian Toulmin Rogerian visual argument and more provides a foundation for nearly 50 readings on current issues such as student loan forgiveness and gun violence topics that students will want to engage with and debate For today's ever increasingly visual learners who are challenged to separate what's real from what's not new activities and visual flowcharts support information literacy and newly annotated readings highlight important rhetorical moves This affordable guide can stand alone or supplement a larger anthology of readings Asking the Right Questions with Readings M. Neil Browne, Stuart M. Keeley,2011 This definitive and concise guide to thinking critically is now offered in a version with readings for analysis and discussion Used in a variety of courses in various disciplines Asking the Right Questions helps students bridge the gap between simply memorizing or blindly accepting information and the greater

challenge of critical analysis and synthesis Specifically this concise text teaches students to think critically by exploring the components of arguments issues conclusions reasons evidence assumptions language and on how to spot fallacies and manipulations and obstacles to critical thinking It teaches them to respond to alternative points of view and develop a solid foundation for making personal choices about what to accept and what to reject This version contains 29 readings with accompanying critical thinking exercises and guidance Critical Reading Critical Thinking Richard Pirozzi, Gretchen Starks-Martin, Julie Dziewisz, 2008-11-21 Contemporary Critical Reading equips students with the critical reading writing thinking and problem solving skills essential to understanding and responding to current issues and ideas **The Presence of Others** Andrea A. Lunsford, John J. Ruszkiewicz, Carrie Shively Leverenz, 1994 **Critical Reading, Critical Thinking** Richard Pirozzi, 2000 Critical Reading Critical Thinking offers a brief review of important developmental reading skills followed by a sequence of chapters covering critical reading This is the first developmental reading text to take a contemporary issues approach The examples and readings are all taken from today's headlines and news shows The readings in Critical Reading Critical Thinking range from animal rights to European integration to teen pregnancy to religious and cultural clashes in the United States
