WrestleCrap Randy Baer, R. D. Reynolds, 2010-12-16 WrestleCrap The Very Worst of Professional Wrestling examines some of the ridiculously horrible characters and storylines that pro wrestling promoters have subjected their fans to over the past twenty years Why would any sane person think that having two grown men fight over a turkey was actually a reasonable idea Was George Ringo the Wrestling Beatle really the best gimmick that a major promotional organization could come up with And who would charge fans to watch a wrestler named the Gobbeldy Gooker emerge from an egg In an attempt to answer such questions and figure out just what the promoters were thinking authors Randy Baer and R D Reynolds go beyond what wrestling fans saw on the screen and delve into the mindset of those in the production booth In some instances the motivations driving the spectacle prove even more laughable than what was actually seen in the ring Covering such entertainment catastrophes as an evil one eyed midget and a wrestler from the mystical land of Oz not to mention the utterly comprehensible Turkey on a Pole match a gimmick which AWA fans might recall WrestleCrap is hysterically merciless in its evaluation of such organizations as the WCW and the WWF This retrospective look at the wrestling world's misguided attempts to attract viewers will leave wrestling fans and critics alike in stitches Watch You Bleed Stephen Davis, 2008 Reveals the complete story of the superstar rock group Guns N Roses and its front man W Axl Rose profiling each member of the band and their turbulent history from the group's 1980s origins to its rise to the heights of the music world **Fighting Talk** Bob Jones, 2013-08-16 From A Low Blow to Went the Distance a fascinating and lively examination of the regular use of terms from the boxing ring in our everyday language Have you ever stopped to notice how often your local newspaper or favourite magazine uses the terms On the Ropes The Gloves Are Off and Knockout Punch How often TV newsreaders will say that a politician has Thrown His hat in the Ring is a Big Hitter is Taking it on the Chin is Down for the Count or has the Killer Instinct Knight of the realm leading businessman colourful and controversial commentator and boxing aficionado Sir Robert Bob Jones certainly has Over a period of years he made careful note of how often terms cropped up and then retraced their etymological origins in boxing history The result is a lively entertaining and thought provoking miscellany of boxing terms that are now part of our everyday English language Some have strayed far from their original meanings others are more frequently in use now than at any other time Jones asks why that might be and his answers are well a knockout What Would Rob Do Rob Sachs, 2010-03-30 From rising NPR star Rob Sachs irreverent takes on handling life's sticky situations based on the popular What Would Rob Do podcast What do you do if you get a bad haircut Do you have trouble remembering people's names What happens if you clog the toilet at a friend's house NPR's Rob Sachs has given prudent and entertaining advice for dealing with all sorts of everyday challenges in his successful What Would Rob Do podcast series consulting with experts ranging from Fabio to Erik Estrada on dozens of daily dilemmas and common conundrums Now he brings a wealth of this advice together in a single survival guide to fixing some of life's most vexing minor mishaps and speed bumps
