Lohman's Elk Challenge will put you up close and personal with one of the most exciting of all big game animals, the Bull Elk. Taped in 3 years over a period of 3 years, this video is "Real Hunting" the way it's supposed to be. No high fences, no game farms or tame elk-pens that ruin the wild elk challenge.

Elk Challenge takes you through 7 action packed hours all taped in the wild Rocky Mountains. The chase begins with six exciting howl scenes during which 3 bulls were taken.

Along the way you'll see bulls respond to bugles from long distances and charge to the call. Watch reverse footage as a majestic herd bull leaves his cow to meet the challenge of aggressive calling and hunting tactics. Witness the incredible sight of a bull wallowing just below a well positioned tree stand. Learn how to use elk calls and work to your advantage and feel the tension as a bonus black bear appears during a tree stand elk hunt. Just a young man's first elk hunt with a bull so close you can see the bug in his eye.

Team up with Lohman's Pro Staff Director and Champion Game Caller, Brad Harris, as he and a few special friends pursue not one but Elk in the breath taking beauty of the Rocky Mountains.

Then hike into the oak brush for up-close encounters, using traditional cow and calf calling. Watch the frenzy when large herds of elk gather during the rut and learn how to get in tight by taking advantage of this natural chaos. Pick up on hunting

and calling tips that will help you during the many stages of the elk rutting ritual. This includes suggestions on how to use confidence calls during a fast paced and successful rifle hunt.

Elk Challenge follows in the footsteps of Lohman's famous turkey video series "Thundering Toms". You can look to Lohman's new "Real Hunting" video series for even more exciting Elk Challenges as well as Whistled, Producer, Woodcock and Antelope Challenges. With non-stop action, each is certain to keep you on the edge of your seat and prepare you for the challenge of your next "Real Hunting" Adventure.
