Real King Arthur:

Will the Real King Arthur Please Stand Up? Ronald William Millar, 1978 Quest for a King Catherine M. Andronik, 1989
Surveys the legends surrounding King Arthur and examines the historical evidence behind them *King Arthur* Rodney Castleden, 2003-03-13 King Arthur is often written off as a medieval fantasy the dream of those yearning for an age of strong just rulers and a contented kingdom Those who accept his existence at all generally discard the stories that surround him This exciting new investigation argues not only that Arthur did exist as a Dark Age chieftain but that many of the romantic tales of Merlin Camelot and Excalibur are rooted in truth In his quest for the real King Arthur Rodney Castleden uses up to date archaeological and documentary evidence to recreate the history and society of Dark Age Britain and its kings He revives the possibility that Tintagel was an Arthurian legend and proposes a radical new theory that Arthur escaped alive from his final battle A location is even suggested for perhaps the greatest mystery the whereabouts of Arthur s grave King Arthur The Truth Behind the Legend offers a more complete picture of Arthur s Britain and his place in it than ever before The book s bold approach and compelling arguments will be welcomed by all readers with an interest in Arthuriana **King Arthur** Graham Phillips, Martin Keatman, 1992 New archaeological discovery and textual analysis of original sources leads the two authors to disinter the true King Arthur The dates of the two known historical events in his life are established in the Dark Ages rather than the Middle Ages A picture of Britain in the late 5th century emerges as a land reverted to tribal strife after Roman evacuation beset by foreign invasions from the Picts Irish and Anglo Saxons Wales and to have led a nationalist Christian pact of British tribes against the pagan invaders Arthur is revealed to be merely a title and climatically his true name is revealed Owen Ddantgwyn together with his burial place a mound called The Berth north west of Shrewsbury

Was King Arthur Real? Portia Summers, 2017-12-15 The legend of King Arthur has been told for generations It epitomizes a mythical time when kings and knights lived in castles and went on quests when damsels needed saving and magic lurked around every corner This book will bring the legend of King Arthur to light and allow readers to learn about the different stories that surround King Arthur and his Knights of the Round Table Readers will learn if this legendary king was a historical figure Fast facts and captivating photographs will help readers further explore Camelot and encourage them to dive deeper into the stories of King Arthur and his court **Revealing King Arthur** Christopher Gidlow, 2011-11-08 Arthur mythical hero legendary king But was he as the legends claimed an actual Dark Age Briton From Glastonbury and Tintagel to the supposed sites of Arthur s Camelot and his famous battles this book investigates how archaeologists have interpreted the evidence Might new discoveries and the latest theories finally reveal the real King Arthur For 800 years the controversy over Arthur s existence has ebbed and flowed Rusty swords imposing ruins the Round Table even Arthur s body itself were offered as proof that he had once reigned over Britain The quest was revived by the scientific archaeologists of the 1960s Just as Greek legends had led to the discovery of Troy so might the romances lead to Camelot This optimism did not last Sceptics

poured scorn on the obscure manuscripts and strong imagination on which the questers relied For 30 years academics closed ranks against King Arthur The discovery at Tintagel of a mysterious slate inscribed with names from the Arthurian legends shook this scepticism to its roots Was it a clue at last This book argues that it is time to reassess the possibility of a real King Arthur and acknowledge the importance his legends still hold for us today *The Lost Tomb of King Arthur* Graham Phillips,2016-04-11 One man s journey to uncover the final resting place of the historical King Arthur Pinpoints the exact locations of Arthur s tomb the ruins of Camelot and the sword Excalibur using literary research and the latest geophysics equipment Examines previously unknown ancient manuscripts preserved in the vaults of the British Library including one written within the living memory of Arthur s time Reveals the mythic king as the real life leader Owain Ddantgwyn who united the British to repel invasion from Germany around 500 AD One of the most enigmatic figures in world history King Arthur has been the subject of many fantastical tales over the past 1500 years leading many scholars to regard him and his fabled city of Camelot simply as myth But as Graham Phillips shows through a wealth of literary and scientific evidence King Arthur was a real man Camelot a real place and the legendary Excalibur a real sword and Phillips has located them all Phillips examines the earliest stories of Arthur as well as previously unknown ancient manuscripts preserved in the vaults of the British Library in London such as the work of the 9th century monk Nennius to pinpoint the exact locations of Arthur s tomb the ruins of Camelot and the sword Excalibur He reveals the mythic king as the real life leader Owain Ddantgwyn who united the British to repel invasion from Germany around 500 AD Moving his quest from library vaults to the real sites of Arthur s life the author confirms his research through a Dark Age monument hidden away in the mountains of western Britain that bears an inscription about a powerful warlord who went by the battle title Arthur He visits archaeological excavations at the ruins of Viroconium near Wroxeter in Shropshire clearly identifying the ancient city as Camelot the fortified capital of Arthur s Britain Working with specialist divers and marine archaeologists he surveys the depths of an ancient lake in the English countryside to reveal the resting place of Excalibur Enlisting a team of scientists and sophisticated geophysics equipment he uncovers the lost grave of the historical King Arthur buried with his shield just as told in legend The culmination of 25 years of research including new translations of primary source material this book provides the necessary evidence to allow King Arthur to finally be accepted as the authentic British king he was **A Brief History of King Arthur** Mike Ashley,2013-02-07 Who was the real King Arthur What do the historical documents tell us about the Knight of the Round Table It is just a chivalric fantasy The story of Arthur has been handed down to us by Medieval poets and legends but what if he actually existed and was in fact a great king in the early years of Britain s story Mike Ashley visits the source material and uncovers unexpected new insights into the legend there is clear evidence that the Arthurian legends arose from the exploits of not just one man but at least three originating in Wales Scotland and Brittany The true historical Arthur really existed and is distantly related to the present royal family *King Arthur* Charles River Editors,2025-05-02

King Arthur is one of the most famous names in history and his name still evokes visions of fantasy chivalry bravery and more even today Arthur remains a pop culture fixture around the globe made famous in various Arthurian tales written by writers like Chretien de Troyes Arthur came to embody the ideals of the Middle Ages strength chivalry bravery and more Along the way his Excalibur sword the Holy Grail his queen and more have all become household words Arthur has long been identified as a folk hero and there are countless tales that comprise the Arthurian legend but was there an actual person that the original stories were based on People still search for the seeds of truth in the Knights of the Round Table and the historical figure that inspired the Arthurian tales Of course as with all great myths and even those with a kernel of truth behind them there is no real Arthur Arthur is now comprised of the works written by diverse storytellers most of which have built upon the ancient stories and possibly history It is from there that a primordial seed of myth remains at the heart of all the retellings At the same time Arthur s story is one of transformation as he is brought from the Middle Ages into the Renaissance and more modern times And that story also includes the famous contemporaries in his stories and other important historical figures like Geoffrey of Monmouth the imprisoned Sir Thomas Mallory and Walt Disney When looking for the historical and mythical Arthur scholars try to understand how the Arthur of these tales and of others like Disney s Sword in the Stone and Monty Python and the Holy Grail came to be What are the origins of the Arthur legend and what can they tell people about the past What is the historical basis for King Arthur if any King Arthur The History and Folklore of the Arthurian Legend comprehensively examines the history and stories of the Arthurian legend while also looking at how they affected English history and became as popular as they are today Along with pictures of important people places and events you will learn about King Arthur like you never have before in no time at all *Finding Arthur* Adam Ardrey, 2014-10-29 Well made arguments backed by archaeology etymology and geography about the origins of the legend will have readers rooting for a Scottish Arthur Kirkus Reviews As writer and activist Adam Ardrey discovered the reason historians have had little success identifying the historical Arthur may be incredibly simple He wasn t an Englishman at all He was from Scotland *Finding Arthur* chronicles Ardrey s unlikely quest to uncover the secret of Scotland s greatest king and conqueror which has been hidden in plain sight for centuries His research began as a simple exploration of a notable Scottish clan but quickly it became clear that many of the familiar symbols of Arthurian legend the Round Table the Sword in the Stone the Lady of the Lake are based on very real and still accessible places in the Scottish Highlands Sure to be controversial *Finding Arthur* rewrites the legend of King Arthur for a new age Adam Ardrey is the author of *Finding Merlin The Truth Behind the Legend of the Great Arthurian Mage* A writer and attorney he lives in Scotland
