Real Animal Heroes The Stories Of Courage Devotion And Sacrifice:

Real Animal Heroes Paul D. Stevens,1990 Recounts the heroism of animals from household cats and pedigreed show dogs to dolphins horses and other animals *Real Animal Heroes* Paul Drew Stevens,1988-01-01 True stories of courage devotion and sacrifice Animal heros come in all shapes and sizes household cats K 9 warriors pigs pigeons pedigreed show dogs and dolphins mutts and mules all with one thing in common they are heros that saved human lives *Real Animal Heroes* Paul Drew Stevens,P T Stevens,1997-02-20 These 53 enchanting true tales of lifesaving animal bravery will truly touch the heart and lift the spirits For anyone who has ever cared for an animal these stories teach an unforgettable lesson of courage commitment and the power of love *Narratology beyond the Human* David Herman,2018-03-01 To what extent and in what manner do storytelling practices accommodate nonhuman subjects and their modalities of experience and how can contemporary narrative study shed light on interspecies interactions and entanglements In *Narratology beyond the Human* David Herman addresses these questions through a cross disciplinary approach to post Darwinian narratives concerned with animals and human animal relationships Herman considers the enabling and constraining effects of different narrative media examining a range of fictional and nonfictional texts disseminated in print comics and graphic novels and film In focusing on techniques such as the use of animal narrators alternation between human and nonhuman perspectives the embedding of stories within stories and others the book explores how specific strategies for portraying nonhuman agents both emerge from and contribute to broader attitudes toward animal life Herman argues that existing frameworks for narrative inquiry must be modified to take into account how stories are interwoven with cultural ontologies or understandings of what sorts of beings populate the world and how they relate to humans Showing how questions of narrative bear on ideas of species difference and assumptions about animal minds *Narratology beyond the Human* underscores our inextricable interconnectedness with other forms of creatural life and suggests that stories can be used to resituate imaginaries of human action in a more than human world **Reading Programs for Young Adults** Martha Seif Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs **World Building** Joanna Gavins,Ernestine

Lahey,2016-06-30 World Building represents the state of the discipline in worlds based approaches to discourse collected together for the first time Over the last 40 years the text as world metaphor has become one of the most prevalent and productive means of describing the experiencing of producing and receiving discourse This has been the case in a range of disciplines including stylistics cognitive poetics narratology discourse analysis and literary theory The metaphor has enabled analysts to formulate a variety of frameworks for describing and examining the textual and conceptual mechanics involved in human communication articulating these variously through such concepts as possible worlds text worlds and storyworlds Each of these key approaches shares an understanding of discourse as a logically grounded cognitively and pragmatically complex phenomenon Discourse in this sense is capable of producing highly immersive and emotionally affecting conceptual spaces in the minds of discourse participants The chapters examine how best to document and analyze this and this is an essential collection for stylisticians linguists and narrative theorists *What Do You Stand For? For Teens* Barbara A. Lewis,2005-11-15 Young people need guidance from caring adults to build strong positive character traits but they can also build their own This book by the best selling author of *The Kid s Guide to Social Action* invites children and teens to explore and practice honesty kindness empathy integrity tolerance patience respect and more Quotations and background information set the stage Dilemmas challenge readers to think about discuss and debate positive traits Activities invite them to explore what they stand for at school at home and in their communities True stories profile real kids who exemplify positive traits resources point the way toward character building books organizations programs and Web sites Pure-bred Dogs, American Kennel Gazette ,1989 *Harper's Magazine* Lee Foster Hartman,Frederick Lewis Allen,1990 Kliatt Young Adult Paperback Book Guide ,1990
