before the baby arrives the couple take a trip to the tiny Provencal village of Crest. A chance encounter leads them to the wartime home of a famous poet, a tale of a buried manuscript and a garden full of heirloom roses. Under the spell of the house and its unique history in less time than it takes to flip a crepe, Elizabeth and Gwendal decide to move lock, stock, and Le Creuset to the French countryside. When the couple and their newborn son arrive in Provence, they discover a land of blue skies, lavender fields, and peaches that taste like sunshine. Seduced by the local ingredients, they begin a new adventure as culinary entrepreneurs, starting their own artisanal ice cream shop and experimenting with flavors like saffron, sheep's milk, yogurt, and fruity olive oil. Filled with enticing recipes for stuffed zucchini flowers, fig tart, and honey and thyme ice cream, *Picnic in Provence* is the story of everything that happens after the happily ever after: an American learning the tricks of French motherhood, a family finding a new professional passion, and a cook's initiation into classic Provencal cuisine. With wit, humor, and a scoop of wild strawberry sorbet, Bard reminds us that life in and out of the kitchen is a rendezvous with the unexpected.
