Imagine! a God-blessed America Richard D. Land, 2005 A hope inspiring vision of America's future that includes stories of positive change and addresses the possibilities of what could happen on a broader scale **The Divided States of America** Richard Land, 2011-01-11 Land looks at the separation of church and state what it is what it isn't and why it matters for the future of religion in America **Grand Theft Jesus** Robert S. McElvaine, 2009 We're mad as Heaven and we're not going to take it anymore declares historian Robert McElvaine in this passionate and often hilarious rallying cry for sincere Jesus followers He lets us know that the extreme right wing won't be allowed to speak for all Christians any longer This polemic blends outrage and humor to expose the televangelists and the leaders of megachurches as the people Jesus warned us about The religion McElvaine calls Christianity Lite promises Be saved without sacrifice or good works Run by a crew of politicians megachurch preachers televangelists hypocrites and snake oil salesmen it has hijacked true Christianity and distorted it into something Jesus wouldn't recognize a religion that advocates war and intolerance values money above charity preaches hatred instead of brotherhood and promises true believers the keys to the gates of the kingdom of God and to the bank From publisher description Real Homeland Security Richard D.
