Roman Coins And Public Life Under The Empire

James R. Harrison, L. L. Welborn

Roman Coins And Public Life Under The Empire:

Roman Coins and Public Life Under the Empire George M. Paul, 1999 Opens windows into imperial policy and artistic taste *Religion and Society in Roman Palestine* Douglas R. Edwards, 2004-08-05 A collection of papers focussing on the contributions made by archaeology to the understanding of society in Palestine in the Roman period The papers enable the two ways of evidence to interact in an unprecedented way Coining Images of Power Erika Manders, 2012-01-05 Based on a quantitative and qualitative analysis of 8227 coin types this book describes and interprets the diachronic development of the representation of Roman emperors on imperial coins issued between 193 and 284 **Paul's 'Spirit of Adoption' in its Roman Imperial Context** Robert Brian Lewis, 2016-01-28 Robert Lewis examines Paul's use of the phrase Spirit of Adoption in Romans 8 12 17 against the background of its Roman Imperial context in order to shed light on interpretation of Paul's Letter to the Romans Whereas other scholars have explored what Paul may have meant when he uses the term adoption Lewis instead explores the reasons behind Paul's coupling of it with the term spirit Having examined theories for a possible Jewish antecedent for Paul's use of this phrase and found them less than persuasive Lewis unlocks the data within the term's Roman Imperial context that significantly clarifies what Paul means when he uses the phrase Spirit of adoption Lewis shows that when Paul wrote his letter to the Romans adoption had become a feature of Imperial succession Roman religion gave a great deal of prominence to the Roman family spirit the genius The Emperor's genius became identified as a deity in Roman religion and its veneration was widespread in Rome as well as the provinces When Romans 8 12 17 is read against this background a very different kind of exegetical picture emerges *Leading the Roman Army* Jonathan Mark Eaton, 2020-07-30 The Roman imperial army represented one of the main factors in the exercise of political control by the emperors The effective political management of the army was essential for maintaining the safety and well being of the empire as a whole This book analyses the means by which emperors controlled their soldiers and sustained their allegiance from the battle of Actium in 31 BC to the demise of the Severan dynasty in AD 235 Recent discoveries have revolutionized our understanding of the Roman army This study provides an up to date synthesis of a range of evidence from archaeological epigraphic literary and numismatic sources on the relationship between the emperor and his soldiers It demonstrates that this relationship was of an intensely personal nature He was not only the commander in chief but also their patron and benefactor even after their discharge from military service Yet the management of the army was more complex than this emperor soldier relationship suggests An effective army requires an adequate military hierarchy to impose discipline and command the troops on a daily basis This was of particular relevance for the imperial army which was mainly dispersed along the frontiers of the empire effectively in a series of separate armies The emperor needed to ensure the loyalty of his officers by building mutually beneficial relationships with them In this way the imperial army became a complex network of interlocking ties of loyalty which protected the emperor from military subversion **Byzantium, Its Neighbours and Its**

Cultures Danijel Dzino, Ken Parry, 2014-01-01 Byzantium was one of the longest lasting empires in history Throughout the millennium of its existence the empire showed its capability to change and develop under very different historical circumstances This remarkable resilience would have been impossible to achieve without the formation of a lasting imperial culture and a strong imperial ideological infrastructure Imperial culture and ideology required among other things to sort out who was insider and who was outsider and develop ways to define and describe ones neighbours and interact with them There is an indefinite number of possibilities for the exploration of relationships between Byzantium and its neighbours The essays in this collection focus on several interconnected clusters of topics and shared research interests such as the place of neighbours in the context of the empire and imperial ideology the transfer of knowledge with neighbours the Byzantine perception of their neighbours and the political relationship and or the conflict with neighbours **Antioch in Syria**

Kristina M. Neumann, 2021-09-02 Antioch in Syria critically reassesses this ancient city from its Seleucid foundation into Late Antiquity Although Antioch s prominence is famous Kristina M Neumann newly exposes the gradations of imperial power and local agency mediated within its walls through a comprehensive study of the coins minted there and excavated throughout the Mediterranean and Middle East Patterns revealed through digital mapping and Exploratory Data Analysis serve as a significant index of spatial politics and the policies of the different authorities making use of the city Evaluating the coins against other historical material reveals that Antioch s status was not fixed nor the people passive pawns for external powers Instead as imperial governments capitalised upon Antioch s location and amenities the citizens developed in their own distinct identities and agency Antioch of the Antiochians must therefore be elevated from traditional narratives and static characterisations being studied and celebrated for the dynamic polis it was **Nero** J. F. Drinkwater, 2019-01-03 Nero was negligent not tyrannical This allowed others to rule remarkably well in his name until his negligence became insupportable

The Emperor Commodus Geoff W. Adams, 2013 This work establishes the various perspectives surrounding and emanating from the Roman Emperor Commodus Included are an in depth analysis of his major influences as a child youth particularly in relation to his family as well as a discussion of the influences that had occurred in Rome and while in the provinces despite the frequent denial of any positive attributes towards him within the works of many late Republican authors Adams analyses the progression of influences and events throughout the life of the infamous emperor in order to clearly establish Commodus perspectives about not only the Principate but also how his role within Roman society was clearly influenced by the ideals of his more well received predecessors the Five Good Emperors Edward Gibbon It is intended that this work will not only appeal to an academic audience but also interested students and laymen who have an interest in one of the most intriguing and infamous characters of the Ancient World *The Image of Political Power in the Reign of Nerva, AD 96-98* Nathan T. Elkins, 2017-07-03 At age 65 Nerva assumed the role of emperor of Rome just sixteen months later his reign ended with his death Nerva s short reign robbed his regime of the opportunity for the emperor s imperial

image to be defined in building or monumental art leaving seemingly little for the art historian or archaeologist to consider In view of this paucity studies of Nerva primarily focus on the historical circumstances governing his reign with respect to the few relevant literary sources *The Image of Political Power in the Reign of Nerva AD 96 98* by contrast takes the entire imperial coinage program issued by the mint of Rome to examine the self representation and by extension the policies and ideals of Nerva s regime The brevity of Nerva s reign and the problems of retrospection caused by privileging posthumous literary sources make coinage one of the only ways of reconstructing anything of his image and ideology as it was disseminated and developed at the end of the first century during the emperor s lifetime The iconography of this coinage and the popularity and spread of different iconographic types as determined by study of hoards and finds and as targeted towards different ancient constituencies offers a more positive take on a little studied emperor Across three chapters Elkins traces the different reverse types and how they would have resonated with their intended audiences concluding with an examination of the parallels between text and coin iconography with previous and subsequent emperors *The Image of Political Power in the Reign of Nerva AD 96 98* thus offers significant new perspectives on the agents behind the selection and formulation of iconography in the late first and early second century showing how coinage can act as a visual panegyric similar to contemporary laudatory texts by tapping into how the inner circle of Nerva s regime wished the emperor to be seen

The Many Faces of Herod the Great Adam Kolman Marshak,2015-04-22 An old bloodthirsty tyrant hears from a group of Magi about the birth of the Messiah king of the Jews He vengefully sends his soldiers to Bethlehem with orders to kill all of the baby boys in the town in order to preserve his own throne For most of the Western world this is Herod the Great an icon of cruelty and evil the epitome of a tyrant Adam Kolman Marshak portrays Herod the Great quite differently however carefully drawing on historical archaeological and literary sources Marshak shows how Herod successfully ruled over his turbulent kingdom by skillfully interacting with his various audiences Roman Hellenistic and Judaeian in myriad ways Herod was indeed a master in political self presentation Marshak s fascinating account chronicles how Herod moved from the bankrupt usurper he was at the beginning of his reign to a wealthy and powerful king who founded a dynasty and brought ancient Judaea to its greatest prominence and prosperity

Architectural Restoration and Heritage in Imperial Rome Christopher Siwicki,2020 Challenging the idea that heritage is a purely modern phenomenon this volume addresses how historic buildings were treated in Imperial Rome examining the way in which the ancients restored the monuments they inherited from earlier generations and developing our understanding of the Roman concept of built heritage

The Ludi Saeculares of Septimius Severus Jussi Rantala,2017-02-24 Septimius Severus emerged victorious from the civil war of AD 193 he was not part of the traditional political elite but instead a military commander from Africa with a Syrian princess as his wife To garner popular support and to legitimise his power Severus conducted an intensive propaganda campaign This is the first monograph to examine the Secular Games *ludi saeculares* the magnificent festival which celebrated Septimius

Severus as a bringer of peace and prosperity and which also symbolised a new imperial ideology based on autocracy rather than the Antonine ideal of co operation between ruler and Senate

Visualizing Harbours in the Classical World Federico Ugolini,2020-05-14 In recent years there has been intense debate about the reality behind the depiction of maritime cityscapes especially harbours Visualizing Harbours in the Classical World argues that the available textual and iconographic evidence supports the argument that these representations have a symbolic rather than literal meaning and message and moreover that the traditional view that all these media represent the reality of the contemporary cityscapes is often unrealistic Bridging the gap between archaeological sciences and the humanities it ably integrates iconographic materials epigraphic sources history and archaeology along with visual culture Focusing on three main ancient ports Alexandria Rome and Leptis Magna Federico Ugolini considers a range of issues around harbour iconography from the triumphal imagery of monumental harbours and the symbolism of harbour images their identification across the Mediterranean and their symbolic ideological and propagandistic messages to the ways in which aspects of Imperial authority and control over the seas were expressed in the iconography of the Julio Claudian Trajan and Severii periods how they reflected the reputé growth and power of the mercantile class during the Imperial era and how the use of imagery reflected euergetism and paideia which would inform the Roman audience about who had power over the sea

Israel Numismatic Research Israel Numismatic Society,2017-12-31 *The Roman Emperor Gaius "Caligula" and His Hellenistic Aspirations* Geoff W. Adams,2007 The Roman Emperor Gaius Caligula and his Hellenistic Aspirations examines one of the most notorious of Roman Emperors in light of his rather unconventional upbringing in the Eastern Provinces of the Roman Empire The study has sought to use the ancient evidence in order to reassess the context in which the young Gaius Caligula was raised particularly in relation to the influence of his father Germanicus

The Economy of Pompeii Miko Flohr,Andrew Wilson,2017 This book is the first to address from a variety of perspectives the economy of the Roman city of Pompeii It uses archaeological and textual evidence to discuss topics as diverse as agriculture in the fertile plains at the foot of mount Vesuvius diet and health manufacturing urban investment consumption trade and money

Cicero's Role Models Henriette van der Blom,2010-07-29 This book is about the famous Roman orator and statesman Cicero and his rhetorical and political strategy as a newcomer in Roman republican politics Henriette van der Blom argues that Cicero advertised himself as a follower of chosen models of behaviour from the past his role models and in turn presented himself as a role model to others This new angle provides fresh insights into the political and literary career of one of the best known Romans and into the political discourse of the late Roman Republic

The First Urban Churches 1 James R. Harrison,L. L. Welborn,2015-09-29 A fresh look at early urban churches This collection of essays examines the urban context of early Christian churches in the first century Roman world A city by city investigation of the early churches in the New Testament clarifies the challenges threats and opportunities that urban living provided for early Christians Readers will come away with a better understanding of how scholars assemble an

accurate picture of the cities in which the first Christians flourished Features Analysis of urban evidence of the inscriptions papyri archaeological remains coins and iconography Discussion of how to use different types of evidence responsibly Outline of what constitutes proper methodological use for establishing a nuanced informed portrait of ancient urban life **Jungian and Psychoanalytic Perspectives on Christmas** Kendrick Lyddon Norris, 2025-09-08 By examining its history traditions symbols and representation in the arts through the lens of three major schools of depth psychology Kendrick L Norris a Jungian Analyst and minister shows how better understanding of the promise of Christmas can allow us to discover what it is that we long for the most Why does the winter celebration of Christmas have such a deep rooted resonance individually and collectively This extensively researched book clearly and engagingly articulates the soul reasons why this holiday has such a significant impact on the human psyche The work begins with an explanation about how depth psychology can be used to understand the Christmas phenomenon followed by an investigation into the origins and symbols of Christmas The book closes by delving into the soul meaning of Christmas through the perspectives of Freud Kohut and Jung This thought provoking volume will appeal to Jungian Analysts psychoanalysts and psychotherapists as well as those interested in religion and its relation to depth psychology

Roman Coins And Public Life Under The Empire Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Roman Coins And Public Life Under The Empire free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Roman Coins And Public Life Under The Empire free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Roman Coins And Public Life

Under The Empire free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Roman Coins And Public Life Under The Empire. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Roman Coins And Public Life Under The Empire any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Roman Coins And Public Life Under The Empire Books

1. Where can I buy Roman Coins And Public Life Under The Empire books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
