

Distances between Cities

Distances between Cities

Approximate distances between the seven churches mentioned in Revelation, beginning at Ephesus and moving in a somewhat circular manner (corresponding to their order in Revelation):

Ephesus to Smyrna	35 miles
Smyrna to Pergamum	45 miles
Pergamum to Thyatira	40 miles
Thyatira to Sardis	30 miles
Sardis to Philadelphia	28 miles
Philadelphia to Laodicea	45 miles
Laodicea to Ephesus	95 miles

Roman Environment Of The Seven Cities Of Johns Revelation

Marcel A. Müller

Roman Environment Of The Seven Cities Of Johns Revelation:

Biblical Hermeneutics Bruce Corley, Steve Lemke, Grant Lovejoy, 2002 Biblical Hermeneutics is a textbook for introductory courses in hermeneutics

The Seven Cities of the Apocalypse and Greco-Asian Culture Roland H. Worth, 2019-05-07 The companion to The Seven Cities of the Apocalypse and Roman Culture this study explores the social world in which early Christians functioned in Asia providing a comprehensive picture of life in this eastern province of the Roman Empire and focusing on how the local environment affects the interpretation of the book of Revelation The history population local culture economies and cults of each city are examined in detail Including data from hundreds of sources this volume should prove useful to students of both the Bible and Roman history as it bridges the gap between the two specialties and provides many details that enable the reader to imagine what life would really have been like in those ancient cities As such this study provides a valuable supplement to the broader question of Rome s general impact upon the region traced in the Roman Culture volume Although there are many works on the subject this is the only place where all the information is pulled together It is a useful resource for Scripture scholars nonprofessionals with an interest in Bible study professors and students of Scripture and historians specializing in the first century CE

Compassionate Eschatology Ted Grimsrud, Michael Hardin, 2011-06-01 Do eschatology and peace go together Is eschatology mostly about retribution and fear or compassion and hope Compassionate Eschatology brings together a group of international scholars representing a wide range of Christian traditions to address these questions Together they make the case that Christianity s teaching about the end times should and can center on Jesus s message of peace and reconciliation Offering a peace oriented reading of the Book of Revelation and other biblical materials relevant to Christian eschatology this book breaks new ground in its consistent message that compassion not retribution stands at the heart of the doctrine of the last things Besides its creative treatment of biblical materials Compassionate Eschatology also makes a distinctive contribution in how several essays engage the thought of Rene Girard and his mimetic theory Girard s project is shown to reinforce the biblical message of eschatological peace

Reading Revelation Joseph L. Trafton, 2005 Trafton has produced a clear understandable insightful reading of the book of Revelation not an easy task for a book that has left many readers puzzled and confused One of the particular strengths of Trafton s commentary is his close attention to the structure of John s work and the internal connections between various passages of the book Readers will also benefit from Trafton s identification of John s extensive indebtedness to the Hebrew Bible for much of his imagery and ideas Mitchell G Reddish O L Walker Professor of Christian Studies and Chair Department of Religious Studies Stetson University

Revelation Ben Witherington, 2003 Table of contents

Subject Guide to Books in Print, 2001

The Book of Revelation and the Visual Culture of Asia Minor Andrew R. Guffey, 2019-10-10 The images in the book of Revelation confound even the most seasoned of interpreters In this book Andrew R Guffey argues that part of the confusion stems from the fact that the book of Revelation was first and foremost a

work to be seen but that few interpreters address the visuality of the book *The Book of Revelation and the Visual Culture of Asia Minor* describes a connection between rhetorical discussions of ekphrasis visual culture and John's images a concurrence of images using theory and thick historical description Guffey's analysis situates the text and its rhetorical performativity in the context of ancient visual and rhetorical culture arguing that Revelation is not merely a work of literary craft but also of visual culture

The Pith of the Apocalypse Paul A. Rainbow, 2008-10-15 To serve God and Christ faithfully in the midst of a pagan society that exalts power wealth and pleasure is the tenor of the prophetic summons to the church in the book of Revelation Unfortunately this simple message as potent today as it was at the end of the first century is often obscured by misguided if sincere interpreters The present book explores the background issues and lays out the principles that inform a sound approach to this enigmatic writing its historical and cultural setting its literary structure its symbolic code its core theological concepts its scheme of last things and its preachable and teachable points In dialogue with dispensationalism on the one hand and with the skeptical criticism of it on the other *The Pith of the Apocalypse* derives clues for cracking the Apocalypse from the book itself viewed against the sweep of the biblical prophetic tradition that flowed into it through the lens of methods widely accepted in mainstream New Testament scholarship Readers will return to the book of Revelation itself with enhanced confidence penetration and understanding

Revelation and the Marble Economy of Roman Ephesus Anna M. V. Bowden, 2020-12-10 In an effort to bring the impracticalities of John's command for withdrawal from cultural participation in 18:4 to the forefront of scholarly discourse this book reconstructs the marble economy of ancient Ephesus and proceeds to read Revelation by foregrounding the daily lives of its marble workers This book argues that Ephesus was a major center of the marble economy in the Roman world and that the infrastructure that went into creating building and sustaining such an enterprise generated the need for a large workforce Anna M V Bowden further demonstrates that the majority of marble workers endured poor working conditions and struggled on a daily basis to ensure subsistence Finally Bowden explores the ways marble workers participated in empire through the work of their hands 9:20 and questions John's characterization of marble workers as idolaters sorcerers murderers fornicators and thieves Bowden concludes that the praxis Revelation requires from its audience of complete withdrawal is pragmatically not sustainable and is ultimately a manifesto leaving marble workers jobless hungry and with a heightened risk for malnutrition disease injury and even death

Holman Quickscore Guide to Understanding the Bible Kendell H. Easley, 2002-09-01 If you've been wanting to get a better understanding of the bible even if you've been reading it for years this is the resource for you This QuickSource Guide features one sentence summaries timelines key terms colorful maps and charts quick hitting details on who wrote what and why and so much more

Moloney, SDB,2020-09-08 In this major paradigm shifting commentary on Revelation internationally respected author Francis Moloney brings his keen narrative and exegetical work to bear on one of the most difficult mysterious and misinterpreted texts in the biblical canon Challenging the assumed consensus among New Testament scholars Moloney reads Revelation not as an exhortation to faithfulness in a period of persecution but as a celebration of the ongoing effects of Jesus s death and resurrection Foreword by Eugenio Corsini *Things that Make for Peace* Anthony Rees,2020-09-30 In a world that increasingly sees religion as a source of violence this book explores resources from within religious traditions that might help build peace Drawing from the rich textual histories of Christianity and Islam the contributors mine their faith traditions for ways of thinking and ways of being that help shift perceptions about religion and actively contribute to the growth of peace in our troubled times Not content with retreat into religious exclusivism these essays are an act of sharing something held dear In sharing the thing offered no longer remains the possession of the one who offers and so these essays are an act of vulnerability and trust building In sharing precious things together in giving and receiving peace becomes not only a matter of dialogue but also shared commitments to ways of being **Discovering Revelation** David A. deSilva,2021-04-29 The book of Revelation has been received over the past several centuries with both fascination and aversion but one thing is certain it has profoundly shaped Christian history and culture And the way it has shaped history and culture has been determined in large part by how the book has been variously and sometimes irresponsibly interpreted David A deSilva addresses the interpretation and reception history of Revelation in this compact up to date and student friendly introduction to the book of Revelation focusing on its structure content theological concerns key interpretive debates and historical reception Discovering Revelation draws on a range of methodological approaches author text and reader centered as complementary rather than mutually exclusive ways of interpreting the text DeSilva pays special attention to defining features of Revelation such as its use of sequences of seven as a major structuring device its nonlinear plotline and its deployment of contrast and parody As deSilva writes A text as rich and multidimensional as Revelation calls for its readers to adopt a rich and multidimensional approach that draws upon a variety of interpretative angles and skills Jesus Is Lord, Caesar Is Not Scot McKnight,Joseph B. Modica,2013-03-28 This

volume brings together respected biblical scholars to evaluate the turn toward empire criticism in recent New Testament scholarship While praising the movement for its deconstruction of Roman statecraft and ideology the contributors also provide a salient critique of the anti imperialist rhetoric pervading much of the current literature **Uncovering the Treasures of the Apocalypse** David L. Mathewson,2022-07-15 The book of Revelation continues to baffle and confound present day readers Its strange imagery and the bewildering number of interpretations of the book have left most readers paralyzed with fear What is needed is a book that introduces the reader to the most important keys to keep in mind when interpreting the last book of the Bible This book provides just that it offers explains and illustrates five of the most crucial keys for unlocking the message of the Apocalypse These keys grow directly out of the kind of book Revelation is and reads it as the word of God for the church It leads the reader to take Revelation seriously as a message first addressed to seven historical churches in the first century before reading it as the word of God for today These five keys can instill greater confidence in understanding the book that has always been out of the reach of most readers **American Book Publishing Record** ,2007 Tyndale Concise Bible Commentary Robert B. Hughes,J. Carl Laney,2001 Value priced The Tyndale Concise Bible Commentary offers clear and concise commentary on every passage in the NLT in one handy volume Previously published as The New Bible Companion this helpful resource also includes introductions to each Bible book an article about the theme of the entire Bible and detailed maps of places mentioned in Scripture Sunday school teachers pastors and anyone who studies the Bible will find this commentary a great starting point for learning about God s Word Teachers pastors and anyone wanting to learn more about the Bible will rely on the Tyndale Reference Library for solid evangelical scholarship packed into concise user friendly reference works *An Introduction to the New Testament* David A. deSilva,2018-09-25 This comprehensive New Testament introduction not only outlines historical social cultural and rhetorical contexts but it also points students preparing for ministry to relevant facets of biblical interpretation Brimming with maps photos points of interest and aids to learning this beautiful full color second edition of an established textbook is the first choice for those who want to integrate scholarship and ministry

Adopting the Tune of Appearance: An Mental Symphony within **Roman Environment Of The Seven Cities Of Johns Revelation**

In some sort of used by displays and the ceaseless chatter of immediate communication, the melodic elegance and mental symphony developed by the prepared term often diminish in to the backdrop, eclipsed by the persistent noise and interruptions that permeate our lives. But, nestled within the pages of **Roman Environment Of The Seven Cities Of Johns Revelation** a marvelous literary prize brimming with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, that captivating masterpiece conducts readers on an emotional journey, well unraveling the hidden songs and profound impact resonating within each cautiously crafted phrase. Within the depths with this touching evaluation, we can explore the book is main harmonies, analyze its enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
