The Plum in the Golden Vase or, Chin P'ing Mei, Volume Five, 2015-10-06 The fifth and final volume of a celebrated translation of the classic Chinese novel This is the fifth and final volume in David Roy's celebrated translation of one of the most famous and important novels in Chinese literature The Plum in the Golden Vase or Chin P'ing Mei is an anonymous sixteenth century work that focuses on the domestic life of Hsi men Ch'ing a corrupt upwardly mobile merchant in a provincial town who maintains a harem of six wives and concubines The novel known primarily for its erotic realism is also a landmark in the development of the narrative art form not only from a specifically Chinese perspective but in a world historical context This complete and annotated translation aims to faithfully represent and elucidate all the rhetorical features of the original in its most authentic form and thereby enable the Western reader to appreciate this Chinese masterpiece at its true worth

Manga and the Representation of Japanese History Roman Rosenbaum, 2013 This edited collection explores how graphic art and in particular Japanese manga represent Japanese history The articles explore the representation of history in manga from disciplines that include such diverse fields as literary studies politics history cultural studies linguistics narratology and semiotics Despite this diversity of approaches all academics from these respective fields of study agree that manga pose a peculiarly contemporary appeal that transcends the limitation imposed by traditional approaches to the study and teaching of history The representation of history via manga in Japan has a long and controversial historiographical dimension Thereby manga and by extension graphic art in Japanese culture has become one of the world's most powerful modes of expressing contemporary historical verisimilitude The contributors to this volume elaborate how manga and by extension graphic art rewrites reinvents and reimagines the historicity and dialectic of bygone epochs in postwar and contemporary Japan Manga and the Representation of Japanese History will be of interest to students and scholars of Asian studies Asian history Japanese culture and society as well as art and visual culture

Strategic Cultures and Security Policies in the

Asia-Pacific Jeffrey S. Lantis, 2016-03-22 This book shows how one of the most powerful tools of security studies strategic culture illuminates the origins and implications of the Asia Pacific region's difficult issues from the rise of China and the American pivot to the shifting calculations of many other actors Strategic culture sometimes challenges and always enriches prevailing neo realist presumptions about the region It provides a bridge between material and ideational explanations of state behavior and helps capture the tension between neoclassical realist and constructivist approaches The case studies in this book survey the role of strategic culture in the behaviors of Australia China Japan the Philippines South Korea and the United States They show the contrast between structural expectations and cultural predispositions as realist geopolitical security threats and opportunities interact with domestic elite and popular interpretation of historical narratives and distinctive political military cultures to influence security policies The concluding chapter devotes special attention to methodological issues at the heart of strategic cultural studies as well as how culture may impact the potential for future conflict or cooperation in the region The result is a body of work that helps deepen our understanding of strategic cultures in the Asia Pacific in comparative perspective and enrich security studies This book was published as a special issue of Contemporary Security Policy

A Biographical Dictionary of Later Han to the Three Kingdoms (23-220 AD) Rafe de Crespigny, 2006-12-01 This publication is the long awaited complement to Michael Loewe's acclaimed Biographical Dictionary of the Qin Former Han and Xin Periods 2000 With more than 8 000 entries based upon historical records and surviving inscriptions the comprehensive Biographical Dictionary of Later Han to the Three Kingdoms 23-220 AD now provides information on men and women of the Chinese world who lived at the time of Later or Eastern Han from Liu Xiu founding Emperor Guangwu reg 24-57 to the celebrated warlord Cao Cao 155-220 at the end of the dynasty The entries including surnames personal names styles and dates are accompanied by maps genealogical tables and indexes with lists of books and special accounts of women These features together with the convenient surveys of the history and the administrative structure of the dynasty will make Rafe de Crespigny's work an indispensable tool for any further serious study of a significant but comparatively neglected period of imperial China

The Emperor's Feast Jonathan Clements, 2021-02-11 A galloping journey through thousands of years of Chinese culinary history a timely reminder that the country's modern cuisine is the delicious fruit of a rich ancient and perhaps surprisingly multicultural tradition FUCHSIA DUNLOP SPECTATOR A tasty portrait of a nation SUNDAY TELEGRAPH A splendid introduction to the complex history of China GUARDIAN A terrific read Jonathan Clements writes with erudition and humour DAILY MAIL This book is itself a feast each chapter a sumptuous course Frederik L Schodt author of *My Heart Sutra* Witty and insightful Derek Sandhaus author of *Drunk in China* The history of China not according to emperors or battles but according to its food and drink *The Emperor's Feast* is the epic story of a nation and a people told through one of its most fundamental pillars and successful exports food Following the journeys of different ingredients dishes and eating habits over 5 000 years of history author and presenter Jonathan Clements examines how China's political cultural and technological evolution and her remarkable entrance onto the world stage have impacted how the Chinese and the rest of the world eat drink and cook We see the influence of invaders such as the Mongols and the Manchus and discover how food like the fiery cuisine of Sichuan or the hardy dishes of the north often became a stand in for regional and national identities We also follow Chinese flavours to the shores of Europe and America where enterprising chefs and home cooks created new traditions and dishes unheard of in the homeland From dim sum to mooncakes to General Tso's chicken *The Emperor's Feast* shows us that the story of Chinese food is ultimately the story of a nation not just the one that history tells us but also the one that China tells us about itself

Revolutionary States, Leaders, and Foreign Relations Houman A. Sadri, 1997-04-16 This book compares and contrasts the foreign relations strategies of China Cuba and Iran in the first decade of their post revolutionary periods Among a variety of explanatory variables leadership particularly the type of revolutionary leaders played a significant role in explaining the outcome of the policymaking process in each case Three distinct patterns of foreign relations strategies are evident among all three revolutionary regimes in the ten year period Two Track Conflictual and Conciliatory This book is a valuable source for both experts and non experts alike in providing insight into the foreign relations of revolutionary regimes in developing countries and in helping U S policymakers anticipate behaviors of future revolutionary leaders A focal point of this book is the examination of the nonalignment strategies of these prominent developing countries during the infancy of their regimes Each state's particular strategy is described and explained in detail and then contrasted and compared Although there are differences among their foreign policies considering their geographic locations size wealth military capabilities leadership characteristics and political institutions

there are significant similarities regarding their foreign policy goals and trends in their foreign relations with the Great Powers Among explanatory factors leadership played a significant role in the policy making process although the foreign relations strategies of these revolutionary regimes were fed by a combination of national and international variables In all three states the tone of foreign policy was set by revolutionary leaders who were either idealists or realists Idealists tended to take a more active and conflictual approach toward one or both of the superpowers while Realists were more cautious and less willing to resort to a conflictual posture This book also investigates the gap between the theoretical and practical nonalignment stance of each state This cross regional study provides policy analysts with clues about the foreign policies of other revolutionary developing countries in similar situations Finally it makes suggestions about how a Great Power may relate to a developing country during its first post revolution decade *Dragon in Ambush* Jeremy Ingalls,2013-05-16

Dragon in Ambush by Jeremy Ingalls is a critique and new translation of the first twenty poems of Mao Zedong's published poetry This seminal work stands out from previous translations of Mao's poems in seeing them as an expression of his core political beliefs rather than for their poetic effect Instead Dr Ingalls shows in consummate detail that Mao was careful and deliberate in employing imagery in his poetry to lay out procedures for political supremacy in which the central drive was his will to psychological domination That is domination of the minds of others is the unifying theme of Mao's verse sequence The crux of Prof Ingalls work lies in her focus on the symbolism in the poems The poems are in Mao's use of them as a means of communication meaningless on their surface No image however seemingly commonplace is ever employed for merely lyrical or aesthetic description Every image functions as a factor in an entirely political calculus According to Dr Ingalls When Mao mentions streams or mountains suns or moons clouds or winds or icicles horses elephants snakes tigers leopards or bears specifies kinds of trees or birds or fish flies brooms mats or bridges these and all his other images have as their primary function neither happenstance descriptions nor whimsical metaphor They all have politically symbolic functions in Mao's algebra of versified political discourse Furthermore in her analysis Prof Ingalls downplays the significance of Marxism Leninism in the Thought of Mao Zedong She shows that throughout his career Mao regarded Marxism Leninism as a political convenience not as a doctrine permanently essential to his master plan Just as Mao used the Nationalists of Chiang Kai shek and Stalin's Soviet Union as means to further his own political ambitions so did he manipulate Marxist Leninist ideology to hoodwink and attract at home and abroad professional revolutionaries to help do his bidding Mao's aims express in their worldviews an entirely Chinese tradition In his poems Mao's dialectics his materialism and his authoritarianism all take their points of reference from within the Chinese cultural order *Dragon in Ambush* is a thoroughly unique and revolutionary approach to understanding the Mind of Mao Zedong *A Sense of the Enemy* Zachary Shore,2014-02-13 More than two thousand years ago the Chinese strategist Sun Tzu advised us to know our enemies The question has always been how In *A Sense of the Enemy* the historian Zachary Shore demonstrates that leaders can best understand an opponent not simply from

his pattern of past behavior but from his behavior at pattern breaks Meaningful pattern breaks occur during dramatic deviations from the routine when the enemy imposes costs upon himself It s at these unexpected moments Shore explains that successful leaders can learn what makes their rivals truly tick Shore presents a uniquely revealing history of twentieth century conflict With vivid suspenseful prose he takes us into the minds of statesmen to see how they in turn tried to enter the minds of others In the process he shows how this type of mind reading which he calls strategic empathy shaped matters of war and peace Mahatma Gandhi for instance was an excellent strategic empath In the wake of a British massacre of unarmed Indian civilians how did Gandhi know that nonviolence could ever be effective And what of Gustav Stresemann the 21 year old Wunderkind Ph D who rose from lobbyist for chocolate makers to Chancellor of Germany How did he manage to resurrect his nation to great power status after its humiliating loss in World War One And then there is Le Duan the shadowy Marxist manipulator who was actually running North Vietnam during the 1960s as opposed to Ho Chi Minh How did this rigid ideologue so skillfully discern America s underlying constraints And armed with this awareness how did he construct a grand strategy to defeat the United States One key to all these leaders triumphs came from the enemy s behavior at pattern breaks Drawing on research from the cognitive sciences and tapping multilingual multinational sources Shore has crafted an innovative history of the last century s most pivotal moments when lives and nations were on the line Through this curious study of strategic empathy we gain surprising insights into how great leaders think **Chikamatsu** C. Andrew

Gerstle,Chikamatsu,2002-09-04 Chikamatsu Monzaemon 1653 1725 often referred to as Japan s Shakespeare and a god of writers was arguably the most famous playwright in Japanese history and wrote more than 100 plays for the kabuki and bunraku theaters Today the plays of this major literary figure are performed on kabuki and bunraku stages as well as in the modern theater and forty nine films of his plays have been made thirty one of them from the silent era Translations of Chikamatsu s plays are available but we have few examples of his late work in which he increasingly incorporated stylistic elements of his shorter contemporary dramas into his longer period pieces Translator C Andrew Gerstle argues that in these mature history plays Chikamatsu depicted the tension between the private and public spheres of society by combining the rich character development of his contemporary pieces with the larger political themes of his period pieces In this volume Gerstle translates five plays four histories and one contemporary piece never before available in English that complement other collections of Chikamatsu s work revealing new dimensions to the work of this great Japanese playwright and artist

Secrets of the Kingdom Bible Revealed , **Musical Times and Singing Class Circular** ,1891 **Romance in the Digital Game** Amy Brierley-Beare,2025-09-30 In the last decade the popularity of romance in the AAA game has exploded It has become an expectation for major releases and a regular object of fan obsession High profile games such as Baldur s Gate III 2023 Cyberpunk 2077 2020 and Starfield 2023 prominently feature in game romance in their multimillion dollar promotional campaigns Moreover rampant speculation by gaming journalists and fans about who is romanceable will

regularly accompany the announcement of a new title However representations of romance have long been under examined and vaguely defined by scholars This leaves important questions unanswered How does the digital game mediate cultural attitudes towards love and sex How can we classify representations of romance in the digital game Does romance simply replicate existing hegemonies surrounding gender and sexuality or does it offer a space for transgressive play Book title positions optional romance in the AAA game as a central object of analysis Based on the close analysis of some of the most commercially and culturally significant games of the last 30 years like Grand Theft Auto IV 2008 the Mass Effect series 2007 21 and the Elder Scrolls series 1994 2024 it is the first full length monograph to effectively and comprehensively categorise how mainstream gaming asks its audience to engage with romance It interrogates the idiosyncrasies of romance in the popular games to provide fresh insights into messaging surrounding normative social understandings of love sex and intimacy By theorising four representational categories of romance Limerent Physical Domestic and Ludic Automatic Love introduces a new theoretical framework for scholars to understand romance gender and sexuality in gaming The Publisher ,1902 *The Mind and its Stories* Patrick Colm Hogan,2003-09-29 There are profound extensive and surprising universals in literature which are bound up with universals in emotion Hogan maintains that debates over the cultural specificity of emotion are misdirected because they have ignored a vast body of data that bear directly on the way different cultures imagine and experience emotion literature This is the first empirically and cognitively based discussion of narrative universals Professor Hogan argues that to a remarkable degree the stories people admire in different cultures follow a limited number of patterns and that these patterns are determined by cross culturally constant ideas about emotion In formulating his argument Professor Hogan draws on his extensive reading in world literature experimental research treating emotion and emotion concepts and methodological principles from the contemporary linguistics and the philosophy of science He concludes with a discussion of the relations among narrative emotion concepts and the biological and social components of emotion **The Chinese Strategic Mind** Hong Liu,2015-12-18 This book addresses the fundamental issue does the Chinese strategic mind have its own idiosyncrasies which differ considerably from those of the Western mind It expounds and unravels the particular characteristics of the Chinese strategic mind what they are how they are evolved and what strategic implications they have This book adopts a holistic approach to an analysis of Chinese strategic thinking drawing upon the fields of literature including the sources of both the Chinese and English languages military studies political science history sociology psychology philosophy linguistics and business strategy It combines a detailed consideration of these disciplines with a series of case studies to elucidate the formation nature and crucial managerial implications of the idiosyncratic Chinese strategic mind Chinese Kinship Paul Chao,2013-10-28 First published in 1983 Professor Paul Chao writes Chinese Kinship in the line of the Chinese tradition it is in this tradition that cultural complexes such as family structure and kinship in relation to religious political and economic organizations are expounded by analysis of

concepts and supported by historical documents For the anthropological study of kinship is indispensable as a supplement to important historical work on basis of written documents Professor Chao has made in the main a study of kinship in China of all known periods He has taken the points of view of social anthropology and has also given a history of his topic **The Bookseller** ,1912 Leaves of Healing ,1901
