Pollard, 2018-03-22 Excerpt from *The Romance of King Arthur and His Knights of the Round Table* Abridged From Malory's *Morte D arthur* The literary fashion or convention which imposed itself in this way on the romancers was thoroughly bad but the saving merit in this respect of the Arthurian romances is that though they insist on this situation in order to show the hero daring all sorts of dangers they make it perfectly clear that the situation was wrong and could not go unpunished With one exception every knight who yielded to this sin is shown as paying for it with his life The one exception is Sir Launcelot and him we see maimed and marred by thus setting his love where he should not and atoning for it as much as a man may atone for wrecking the lives of others by bitter repentance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do
