Romancing The Divine:

Romancing the Divine Don Nori, 2006-05 Romancing the Divine is a tale of every person's journey to find the reality of God. It is a tale of hope, a search for eternal love, and for all the possibilities we have always imagined would be the conclusion of such a search. **Romancing the Divine** Don Nori, 2004-06-01 **Romancing the Divine** Sandra

Valenzuela, 2014-08-28 God is longing for a deeper and more intimate relationship with His children. Romancing The Divine is a 40-day devotional to help you to do just that. Ask God to prepare your heart to receive revelation of who He is to you and who He has called you to be in Him. Romancing The Divine is an expression of God's heart's desire to connect with His people. Embrace God's passion for you to walk in the fullness of your destiny. Get ready to be transformed as you begin this 40-day journey of Romancing The Divine. He who dwells in the secret place of the Most High shall remain stable and fixed under the shadow of the Almighty. Whose power no foe can withstand. Psalm 91:1. Sandra Valenzuela is a licensed clinical social worker. She lives in Reedley, California, with her husband of 35 years, Michael. Sandra has been in the mental health field for over 20 years. She has a private practice in Fresno and Kingsburg, California, and has provided Biblically based Christian counseling for the past 11 years. Romancing the Divine Michael Dunn, 2017-11-10 Michael Henry Dunn's spiritual journey began with

heartbreak and a call to monastic life. But a deep conviction that one can be in love with the Divine passionately romantically in love and still find sweet and fulfilling human love as well led him to seek and find intimacy with the ultimate Soul Mate. Romancing the Divine is Dunn's deeply moving, intensely personal account of a love affair with the Source of Life, the Goddess who is also God. With honesty and humor, Dunn reveals the personal crisis that led to his spiritual awakening, his experiences meditating and chanting in the company of saints and illuminated souls, and the paths and techniques you can use to share in his love. What Dunn experienced and continues to experience transcends any one religion. He found commonality in his divine love with Indian yogis and Western nuns and discovered inspiration from Christian monastics and the chants of the kirtan yogic tradition. His is an unabashedly romantic love story centered on the Divine Feminine and filled with joy, passion, and a spiritualized and purified erotic energy. To love the Divine is to discover a lover who, according to Dunn, is seductive beyond thought of competition. It's a love we all deserve. **Romancing the Divine** Laurence DeRusha, 2009-01-30 This is a

celebration of the Universe and its Creator, written in the styles of Rumi and Hafiz. A universal yet personal collection of poems, truly a celebration of life. **Romancing the Divine Wind** Casey Phoenix (author), 1901 A Mosaic Cynthia Dumas, 2016-03-25 A journey filled with inspiration, insightful thoughts, writings, recipes, and poetry. Included is a Romance with the Divine, a 60-day self-love commitment ceremony, honeymoon, and adventure right in the middle of a variety of soul-shot writings that will warm your heart, soul, and mind. **Secrets of the Most Holy Place, Vol. 2** Don Nori, 2011-07-28 Heaven is my destination, but it is not my destiny. Many will reach their destination, but few will achieve their destiny. Prophetic parable matures into prophetic reality as His presence draws us into the realm of all God. Here, what we believe

becomes what we experience and what we know becomes flesh in mere mortal man When we leave Egypt we leave the bondage we hate but when we leave the wilderness we must leave the sin we crave But He will not condemn what He has redeemed His Blood covers us until His Power delivers us This book is not for the casual reader It is for those who hunger not for education but for reality not for religion but for Him The world awaits the love of a people who know they are forgiven

Romancing Divine Love Michael Beskalis,2005-11 Poems of Passion Love Inspiration It is not easy to express and write of God's great love His love makes the oceans and the seas resemble small puddles His love makes the planets and the stars comparable to a cluster of marbles in the palm of a hand His love makes us His children These poems in *Romancing Divine Love* are like a scratch on an endless surface of who God is and how much He loves you They are created to touch your heart and bring you closer to your Creator your Heavenly Father Come with me and let us Drink of His mercy Live in His love Experience His salvation Let us Romance Divine Love

Breaking Generational Curses Don Nori,2011-07-28 Who among us wants our children to be free from the struggles we have had to bear Who among us wants the hard earned lessons from our lives given freely to our children You can be one of those who share the excitement and joy of seeing your children step into the destiny that God has for them

The Love Shack Don Nori,2011-07-28 What makes a best selling Christian book The author touches your spirit tingles your soul and disturbs your comfortableness Author and publisher Don Nori examines current and past runaway sales books and discovers a common thread that leads to the Love Shack a place where all people are welcome and cherished Books such as *The Shack* *The Purpose Driven Life* and *The Love Dare* stir spiritual hunger But do they truly lead to the totally satisfying destination and real fellowship with the living God How do you get from excitement and encouragement to the experimental reality we all want Take a step by step journey toward finding ultimate peace and joy at the Love Shack where you will experience God's Ultimate best

you one that is called **The Prayer God Loves to Answer** Don Nori, Don Nori, Jr., 2006 *Evolutionary Love Relationships* Andrew Harvey, Chris Saade, 2017-01-17 In this profoundly uplifting book authors and sacred activists Andrew Harvey and Chris Saade call us to the next paradigm in human relations love connections that are solidly grounded in individual authenticity and passionately focused on service and solidarity Rather than limiting their gaze to each other partners are invited to take their focus outward channeling their energies toward those causes that both unite them and transform the world we live in With love as the fuel for inspired action the relationship becomes a homage to sacred purpose finding its deeper meaning in its efforts to positively influence the planet There are many books that invite us to focus on love relationship its perils and delights its shadow and light as the place where meaningful change happens and there are others including some potent ones written by these two authors individually that invite us to unite our individual spiritual paths sacred purpose callings and the like with benevolent action but this is the first book that focuses on the next step the bringing together of sacred activism and love relationship *Evolutionary Love Relationships* contains a powerful vision that offers humanity a path to coupledness not as a privatized escape or preoccupation but a path to evolve into dedicated activists whose combined purpose is to utilize their resources to help and sustain the planet and which does not forsake but includes the pleasure of personal fulfillment between the bonded pair They can enjoy the fullness of divine human love in the depths of their own personal relationship supporting each other's authenticity but also enjoy it in the ways that those healing depths make them powerful and strong and lucid and vibrant enough to go out into the world and pour their gifts out for the transformation of the planet What is really at stake is this If we continue to have a vision of relationship as purely personal purely private and something that we cultivate only for our own pleasure we will keep feeding the tragic narcissism that is now ravaging the planet on every level The real thrust and purpose and divine importance of relationship is to give us the fuel to take on the world to give us the passion to embrace the causes of justice to give us the energy to keep on pouring ourselves out for the transformation of the planet With a foreword by *An Uncommon Bond* author Jeff Brown this inspiring book shows us the way to turn our love relationship into a prayer for world transformation And not just a passive prayer but a prayer in action impassioned the world with a bonfire of sacred and benevolent activism that cannot be stopped This prayer may well save us *Tales of Brokenness* Donald F.
