Downing,2010-04 Marriage is God s idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2 21 25 and 5 5 By this we can conclude that divorce was not God s idea but Satan s idea to destroy God s ideas plans and purpose of marriage between a man and a woman We seek to find the right person when the greater picture is to be the right person Man sets the time for the wedding but God sets the time for the marriage There is a great difference between a wedding and a marriage Many walk down the aisle to be wedded for all the wrong reasons Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts This book reveals that a man and a woman may marry and yet not be a true husband and wife It stresses the importance of friendship courtship engagement and being married from the heart Introducing a revolutionary approach to the covenant of marriage this book addresses commitment love keeping a right heart a sound mind and a pure relationship Dr Donald R Downing is a heart physician and specialist from God to the body of Christ He has written over 12 books and considers *Marriage from the Heart* to be one of his most important writings He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart

*The Romance of Lust* Anonymous,2021-11-24 The book was written and published anonymously in four volumes during 1873 1876 and is well known as a vivid example of an erotic novel in the Victorian era It starts as a story of a 14 year old lad who experiments with sexual sensations with his two younger sisters As the story evolves the protagonist gets in different situations to satisfy his sexual appetites which grow as he gets older The book covers all possible scenarios of sexual experiments including the forbidden ones like incest and pedophilia Besides the book includes stories about orgies masturbation homosexuality lesbianism and other tabooed topics in the Victorian era Therefore this book is attractive in scholarly research and used as an example of mid nineteenth century pornography *The Romance of Libraries* Madeleine Lefebvre,2005-11-17 In the halls of knowledge amidst the towering stacks of books more than just facts and fiction await The Romance of Libraries is a collection of true accounts of emotional attachments formed in and with libraries and the library

field Madeleine J Lefebvre has gathered personal narratives from around the world from people who work in or use libraries. From the very young to those in their nineties these people share their tales of love. While most accounts are about romances that developed in a library setting, some are about romances with libraries themselves. Loosely arranged by context, the stories, happy, sad, or bittersweet, share an overarching theme of the transformative and emotive power of libraries in our lives. Lefebvre's underlying message is that the physical library can play a role in our affections that the virtual library never can.
