The Use of Hereford Mr William Smith, 2015-10-28 The Use of Hereford a local variation of the Roman rite was one of the diocesan liturgies of medieval England before their abolition and replacement by the Book of Common Prayer in 1549 Unlike the widespread Use of Sarum the Use of Hereford was confined principally to its diocese which helped to maintain its individuality until the Reformation This study seeks to catalogue and evaluate all the known surviving sources of the Use of Hereford with particular reference to the missals and gradual which so far have received little attention In addition to these a variety of other material has been examined including a number of little known or unknown important fragments of early Hereford service books dismembered at the Reformation and now hidden away as binding or other scrap in libraries and record offices

Passio SS. Perpetuae Et Felicitatis Engl Thomas J. Heffernan, 2012-06-18 One of the most widely read and studied texts composed in Late Antiquity is the prison diary of Vibia Perpetua a young woman of the elite classes who was martyred in March of the year 202 or 203 C E in Carthage as part of a civic celebration honoring Caesar Geta She was well married and had recently become the mother of a baby son but despite her advantages she refused to recant her faith when she was arrested with other recent converts to Christianity Imprisoned with her was her pregnant slave Felicity Perpetua's steadfastness in her belief led to her martyrdom in the amphitheater A description of the heroic deaths of both women and the autobiography of one of the leaders of the Christian community Saturus is woven into Perpetua's diary by an anonymous editor who tells us that as they died Perpetua Felicity and the other condemned Christians bid farewell with a kiss of peace

This unique and precious text survives in one Greek and in nine Latin manuscript versions Thomas Heffernan's new study contains much that has never been done before including a prosopography of all the individuals mentioned in the Passion a new English translation and the first detailed historical commentary in English on the entire narrative of the Passion It also includes a newly edited version of the Latin text based on all the extant manuscripts and rarer still the Greek text He concludes the book with a complete codicological description of all of the known manuscripts and thorough scholarly indices of the text itself Perpetua's prison diary is a revered text of early Christianity and Heffernan's new translation and commentary brings unprecedented scholarly resources to the much loved Passion

Animal Skins and the Reading Self in Medieval Latin and French Bestiaries

Sarah Kay, 2017-02-24 Just like we do today people in medieval times struggled with the concept of human exceptionalism and the significance of other creatures Nowhere is this more apparent than in the medieval bestiary Sarah Kay's exploration of French and Latin bestiaries offers fresh insight into how this prominent genre challenged the boundary between its human readers and other animals Bestiaries present accounts of animals whose fantastic behaviors should be imitated or avoided depending on the given trait In a highly original argument Kay suggests that the association of beasts with books is here both literal and material as nearly all surviving bestiaries are copied on parchment made of animal skin which also resembles human skin Using a rich array of examples she shows how the content and materiality of bestiaries are linked due to the continual references in the texts to the skins of other animals as well as the ways in which the pages themselves repeatedly and at times it would seem deliberately intervene in the reading process A vital contribution to animal studies and medieval manuscript studies this book sheds new light on the European bestiary and its profound power to shape readers own identities
