

**26 MARCH 1974**

## **CEAUSESCU BECOMES THE FIRST PRESIDENT OF ROMANIA**

- In the first half of the 1970s, Nicolae Ceaușescu was in full process of consolidation of his power. It all culminates on the 29<sup>th</sup> of March 1974 with the institution and election of Nicolae Ceaușescu as president of the Socialist Republic of Romania. The relevance of the moment 1974 in the history of Romania cannot be fully understood without being related to the succession of Gheorghiu Dej and Nicolae Ceaușescu's skilful game of getting the power.

- The moment 29<sup>th</sup> March 1974 remains in the history of the Romanian communism as the moment when the personal dictatorship of Nicolae Ceaușescu became official and well as "the first tangible sign of a dynastic unfolding scenario" which was ended violently 15 years later.

# Romania A Case Of Dynastic Communism

**Yosef Govrin**

## **Romania A Case Of Dynastic Communism:**

*Romania* Freedom House (U.S.),1989 Proceedings of a symposium organized by Freedom House *Romania* ,1989

**Romania under Communism** Dennis Deletant,2018-10-11 Communism has cast a long shadow over Romania The passage of little over a quarter of a century since the overthrow in December 1989 of Romania s last Communist leader Nicolae Ceau escu offers a symbolic standpoint from which to penetrate that shadow and to throw light upon the entire period of Communist rule in the country An appropriate point of departure is the observation that Romania s trajectory as a Communist state within the Soviet bloc was unlike that of any other That trajectory has its origins in the social structures attitudes and policies in the pre Communist period The course of that trajectory is the subject of this inquiry Ceausescu and the Securitate Dennis Deletant,2016-12-05 First Published in 2017 This book contains Deletant s research and view that an inescapable feature of life in Romania under Ceausescu was the ubiquity of the Securitate or the security police known officially for much of the period as the Department of State Security of the Ministry of the Interior He seeks to right the omission in Romanian literature until now of the mechanism of terror which Stalin used in Romania to enforce his will and about the organisation of the Department of State Security **History of Communism in Europe vol. 2 / 2011** Corina Pălășan,Cristian Vasile,2011-01-01 Post-Communist Romania at Twenty-Five Lavinia Stan,Diane Vancea,2015-06-24 2014 marked the 25th anniversary of the collapse of communist regimes in Eastern Europe The events of 1989 are widely seen as having ushered in new all encompassing reforms in almost all areas of life In few other places were reforms more contested and divisive than in Romania a country that suffered greatly under the sultanistic cum totalitarian dictatorship of Nicolae Ceausescu faced the region s only bloody anti communist revolt and as such had the longest to travel on the road from communism to democracy We now have a generation s worth of experience with these wrenching reforms that have deeply affected Romania s political institutions and political culture and ultimately allowed it to become a member of the coveted European Union club This volume gathers key lessons for democratic theory and practice from Romania s first twenty five years of post communist transformation Written by leading experts in the field of Romanian Studies the chapters focus on the most important factors that have shaped the country s political transformation during the first 25 years of post communism

**The Road to Disillusion: From Critical Marxism to Post-communism in Eastern Europe** Raymond C.

Taras,2015-02-24 The history of reform movements in postwar Eastern Europe is ultimately ironic inasmuch as the reformers successes and defeats alike served to discredit and demoralize the regimes they sought to redeem The essays in this volume examine the historic and present day role of the internal critics who whatever their intentions used Marxism as critique to demolish Marxism as ideocracy but did not succeed in replacing it Included here are essays by James P Scanlan on the USSR Ferenc Feher on Hungary Leslie Holmes on the German Democratic Republic Raymond Taras on Poland James Satterwhite on Czechoslovakia Vladimir Tismaneanu on Romania Mark Baskin on Bulgaria and Oskar Gruenwald on Yugoslavia In concert

the contributors provide a comprehensive intellectual history and a veritable Who's Who of revisionist Marxism in Eastern Europe

**Stalinism for All Seasons** Vladimir Tismaneanu, 2003-10-15 This history of the Romanian Communist Party RCP traces its origins as a tiny clandestine revolutionary organization in the 1920s to its years in national power from 1944 to 1989 and to the post 1989 metamorphoses

*Romania After Tyranny* Daniel N Nelson, 2019-06-19 In 1973 Romanians were beginning to recognize that the regime of Nicolae Ceausescu contrary to what his first five or six years in power seemed to imply would bring no respite from communism Instead after a 1971 mini cultural revolution ended hope for a Bucharest spring and intellectual latitude was curtailed further in 1972-73 the ominous possibilities of Ceausescu were becoming evident In 1973 I went to Romania on a dissertation research grant from the International Research and Exchanges Board It was a year in which wide ranging survey research was still possible But it was also a time when historians and writers who had different ideas or workers who gave thought to non party union organization felt the heavy hand of Ceausescu's Securitate As happens to most graduate students and their field research it was a formative experience with indelible impressions that remain today

**Romania Under Communist Rule** Dennis Deletant, 1999 This book is the first synthesis of the history of communism in Romania from the founding of the Romanian Communist Party in 1921 to the revolution that led to the downfall of Communist dictator Nicolae Ceausescu in December 1989 This book is essential reading for anyone wishing to understand the development of communism in Romania and the impact of four decades of Communist rule on Romanian society The introduction discusses the early history of the Romanian Communist Party and its rise to power in the aftermath of the coup of 23 August 1944 that overthrew the regime of Marshal Ion Antonescu The book is divided into three parts The first presents the period of Soviet domination and the consolidation of the Communist regime in Romania during the period from 1947 to 1955 The second discusses the Romanian Communist Party's efforts for autonomy in the period from 1956 to 1969 including the withdrawal of Soviet troops from Romania in 1958 and the coming to power of Nicolae Ceausescu after the death of Gheorghe Gheorghiu Dej in 1965 The third and final section of the book analyzes the neo Stalinist dictatorship of Nicolae Ceausescu culminating in the overthrow of the Communist regime in Romania as a result of the December 1989 Revolution Reviews Once again the indefatigable Professor Deletant has blazed the scholarly way this time with a history of Romania during the forty five years of Communist chicanery and mendacity Deletant has written a book which will bring to the English speaking world important new information and has assembled in one place some important information otherwise only available in some remote books and articles Whether as a university textbook or a political history for the interested reader *Romania under Communist Rule* is strongly recommended Ernest H Latham Jr *Romanian Civilization* Deletant's brief summary of Romanian history from 1947 to 1989 is a very useful overview Essentially

**Uncivil Society** Stephen Kotkin, 2010-10-12 Twenty years ago the Berlin Wall fell In one of modern history's most miraculous occurrences communism imploded and not with a bang but with a whimper Now two of the foremost scholars of

East European and Soviet affairs Stephen Kotkin and Jan T Gross drawing upon two decades of reflection revisit this crash In a crisp concise unsentimental narrative they employ three case studies East Germany Romania and Poland to illuminate what led Communist regimes to surrender or to be swept away in political bank runs This is less a story of dissidents so called civil society than of the bankruptcy of a ruling class communism s establishment or uncivil society The Communists borrowed from the West like drunken sailors to buy mass consumer goods then were unable to pay back the hard currency debts and so borrowed even more In Eastern Europe communism came to resemble a Ponzi scheme one whose implosion carries enduring lessons From East Germany s pseudotechnocracy to Romania s megalomaniacal dystopia from Communist Poland s cult of Mary to the Kremlin s surprise restraint Kotkin and Gross pull back the curtain on the fraud and decadence that cashiered the would be alternative to the market and democracy an outcome that opened up to a deeper global integration that has proved destabilizing

*Transitions and Non-Transitions from Communism* Steven Saxonberg, 2013-02-14 A unique comparative study examining why some communist regimes remain in power whilst others have fallen

*Israeli-Romanian Relations at the End of the Ceausescu Era* Yosef Govrin, 2014-02-25 Yosef Govrin was the Israeli Ambassador to Romania in the twilight of the communist era Govrin describes Israeli Romanian relations as he observed them from 1985 to 1989 after which the leader of Romania was deposed

*Romania After Ceaușescu* Tom Gallagher, 1995 Depicts the rocky transition of Romania since 1989 Examines how nationalism has been used to deflect critical attention from economic mismanagement and human rights abuses

The Romanian Revolution of December 1989 Peter Siani-Davies, 2007 The Romanian Revolution of 1989 was the most spectacularly violent and remains today the most controversial of all the East European upheavals of that year Despite or perhaps because of the media attention the revolution received it remains shrouded in mystery How did the seemingly impregnable Ceausescu regime come to be toppled so swiftly and how did Ion Iliescu and the National Salvation Front come to power Was it by coup d tat Who were the mysterious terrorists who wreaked such havoc on the streets of Bucharest and the other major cities of Romania Were they members of the notorious securitate What was the role of the Soviet Union Blending narrative with analysis Peter Siani Davies seeks to answer these and other questions while placing the events and their immediate aftermath within a wider context Based on fieldwork conducted in Romania and drawing heavily on Romanian sources including television and radio transcripts official documents newspaper reports and interviews this book is the most thorough study of the Romanian Revolution that has appeared in English or any other major European language Recognizing that a definitive history of these events may be impossible Siani Davies focuses on the ways in which participants interpreted the events according to particular scripts and myths of revolution rooted in the Romanian historical experience In the process the author sheds light on the ways in which history and the conflicting retellings of the 1989 events are put to political use in the transitional societies of Eastern Europe

**Israeli-Romanian Relations at the End of the Ceaușescu Era** Yosef Govrin, 2002 Yosef Govrin was the Israeli Ambassador to Romania in the twilight of the

communist era Govrin describes Israeli Romanian relations as he observed them from 1985 to 1989 after which the leader of Romania was deposed Problems of Communism, 1985 *Human Rights and Political Dissent in Central Europe* Jakub Tyszkiewicz, 2021-12-06 This volume examines to what extent the positive atmosphere created by the Helsinki Accords contributed to the change in political circumstances seen in the countries of Central Europe under Soviet domination It focuses in particular on firstly a consequent new impetus to bolster human rights in international politics as Western democracies especially the US integrated human rights concerns into its foreign policy relations with Soviet Bloc countries and secondly how this Western embrace of human rights seemed to create new incentives for increased dissident activity in Central and Eastern Europe and from 1976 onward Finally the book reminds us of the significant role of the Helsinki Accords in developing democratic practices in Eastern European societies under Soviet domination in 1975 1989 and in creating the conditions for the peaceful transition to democratic government in the years that followed This book will be of key interest to scholars and students of the history of communism post Soviet Russian and central and East European politics the history of human rights and democratization **Sultanistic Regimes** Houchang E. Chehabi, Juan J. Linz, 1998-06-05 Authoritarian governments are often based on raw power sustained by fear of punishment and hope of reward This text identifies common characteristics of such regimes comparing them to totalitarian and authoritarian forms of government and tracing common patterns for their genesis and demise **A New Europe for the Old?** Stephen R. Graubard, 2018-05-04 Since 1989 it has been possible to review what has been published both at home and abroad on the communist states of Central and Eastern Europe and no less importantly on the Soviet Union itself from a new perspective Few have chosen to engage in this Herculean task whether out of a residual civility in not wishing to mock certain aging scholars whose research would appear curiously dated or out of a sense of fatigue with the whole subject of casting aspersions on mistaken views A New Europe for the Old asks whether the master narratives that circulated so widely in the West in the half century since 1945 remain valid Stephen Graubard's volume raises pertinent questions regarding the current state of the European world as it has evolved since 1989 He includes contributions from important scholars around the world A New Europe for the Old by Martin Malia The Serbs The Sweet and Rotten Smell of History by Tim Judah Illyrianism and the Croatian Quest for Statehood by Marcus Tanner To Be or Not To Be Balkan Romania's Quest for Self Definition by Tom Gallagher Ukraine From an Imperial Periphery to Sovereign State by Roman Szporlunk Ethnic Nationalism in the Russian Federation by Anatoly M Khazanov Im Osten viel Neues Plenty of News from the Eastern Lander by Barbara Ischinger Discourse and Dis Integration in Europe The Cases of France Germany and Great Britain by Vivien A Schmidt The European Debate on Citizenship by Dominique Schnapper Has the Nation Died The Debate Over Italy's Identity and Future by Darion Biocca and Postwar Europe by Arne Roth A New Europe for the Old provides greater sympathy for the complexity of societies and argues for greater balance of those that are small and that do not cast a long shadow in the world today In the 21st as in the 20th century they may be engines of change

both as a result of the disorder that they produce as well as the ways in which their values however seemingly antiquated survive and prosper and not only in their native lands This volume should intrigue historians and European studies scholars alike

## Whispering the Techniques of Language: An Mental Journey through **Romania A Case Of Dynastic Communism**

In a digitally-driven earth wherever screens reign supreme and immediate conversation drowns out the subtleties of language, the profound strategies and psychological subtleties concealed within phrases usually go unheard. However, located within the pages of **Romania A Case Of Dynastic Communism** a interesting fictional treasure pulsing with fresh feelings, lies a fantastic journey waiting to be undertaken. Written by a skilled wordsmith, this wonderful opus attracts readers on an introspective trip, lightly unraveling the veiled truths and profound influence resonating within ab muscles fabric of each and every word. Within the mental depths of the emotional evaluation, we will embark upon a honest exploration of the book is core themes, dissect its fascinating writing style, and yield to the powerful resonance it evokes deep within the recesses of readers hearts.
