Romanias Ceausescu:

Nicolae Ceausescu Cristian Butnariu, 2016-02-14 Inside Ceausescu s Romania An unquestionably efficient Police State In 1989 when peaceful revolutions were sweeping across Eastern Europe the fall of communism in Romania was marked by a higher level of violence and bloodshed than elsewhere in the region This was due at least in part to the repressive nature of the regime established by Nicolae Ceausescu 1965 1989 and his loyal secret police the Securitate Estimates suggest that the Securitate had a higher proportion of representatives per population than anywhere else in the communist block and that by the 1980s as many as one person in thirty had been recruited as a Securitate informer In this pages the author considers the deadly combination of Ceausescu s distinctive style of dynastic socialism with the establishment of a brutally efficient police state which enabled him to maintain an iron grip on power until the dying days of communist rule across Eastern Europe

Nationalism And Communism In Romania Trond Gilberg, 2019-04-10 This book analyzes Ceausescu s tools and goals that is party structure and how it was transformed in order to implement Ceausescu s concept of modernization which became interchangeable with the concept of building communism

Israeli-Romanian Relations at the End of the Ceausescu Era Yosef Govrin, 2014-02-25 Yosef Govrin was the Israeli Ambassador to Romania in the twilight of the communist era Govrin describes Israeli Romanian relations as he observed them from 1985 to 1989 after which the leader of Romania was deposed

Israeli-Romanian Relations at the End of the Ceaușescu Era Yosef Govrin, 2002 Yosef Govrin was the Israeli Ambassador to Romania in the twilight of the communist era Govrin describes Israeli Romanian relations as he observed them from 1985 to 1989 after which the leader of Romania was deposed

Romanian Politics in the Ceaușescu Era Daniel N. Nelson, 1988 First Published in 1988 Routledge is an imprint of Taylor Francis an informa company

Romania Stephen Roper, 2004-08-02 The Romanian revolution was motivated by a desire for greater political and intellectual freedom and economic prosperity It was the bloodiest of the eastern European transitions due to Ceausescu s cult of personality However many of the goals of the revolution are still unfulfilled The lack of civil society charges of political corruption the failure to transform the economy and concerns over the protection of ethnic minority rights are all factors in Romania s failure to become a fully integrated European country Tracing the country s political history and examining Romania s postcommunist politics economic transition and foreign policy this book contemplates the prospects for this country as it enters the twenty first century

Romania In The 1980s Daniel N. Nelson, 2019-06-04 Among communist states Romania is in several respects a unique case Romania has been the only Warsaw Pact member to deviate consistently from Soviet foreign policy norms and alone within Eastern Europe to avoid oil imports from the USSR The leadership of Nicolae Ceausescu since 1965 has meanwhile governed through a studious commitment to socio economic centralization and control often reminiscent of Stalinist orthodoxy Intellectual freedom artistic liberty and workers rights have changed little relative to Poland Hungary or the transient Prague Spring Such international and domestic policy distinctions as well as a record of impressive industrial

growth necessitate an effort to understand the dynamics of Romania's socio economic and political life This volume is meant to delineate trends in political social and economic life which will constitute dynamic elements for the Romanian system during the 1980s and beyond Contributors all scholars with lengthy research experience in Romania the Balkans and communist states generally have sought to identify factors likely to be influential during this and ensuing decades In that sense this is a predictive volume containing not crystal ball gazing but the careful identification and assessment of trends influencing Romanian foreign and domestic policies economic and political performance and societal transformations By suggesting elements crucial to socio economic and political change in Romania we hope to make observing this intriguing communist state somewhat less haphazard and more systematic **Nicolae Ceausescu** Cristian Butnariu, 2017-04-17

Twenty five years ago the Communist leaders of Eastern Europe were falling like dominoes And on Christmas Day in 1989 Romanian dictator Nicolae Ceausescu and his wife Elena were executed by firing squad The deaths of the despised couple ended a quarter century of iron fisted rule that translated into oppression and misery for most Romanians Yet many in that country including some of their opponents question the summary nature of the Ceausescus trial and sentence One is the commander of the military base in Targoviste some 50 miles northwest of the capital Bucharest where the couple spent their final four days He is retired Gen Andrei Kemenici and he lives with his wife in a small apartment a short drive away The 78 year old jokes with a visitor about how he and other retired public servants would have fared better if Romania had remained communist I would have had four rooms instead of two he says But his smile fades when asked about Ceausescu and his legacy Romania After Tyranny Daniel N Nelson, 2019-06-19

In 1973 Romanians were beginning to recognize that the regime of Nicolae Ceausescu contrary to what his first five or six years in power seemed to imply would bring no respite from communism Instead after a 1971 mini cultural revolution ended hope for a Bucharest spring and intellectual latitude was curtailed further in 1972-73 the ominous possibilities of Ceausescu were becoming evident In 1973 I went to Romania on a dissertation research grant from the International Research and Exchanges Board It was a year in which wide ranging survey research was still possible But it was also a time when historians and writers who had different ideas or workers who gave thought to non party union organization felt the heavy hand of Ceausescu's Securitate As happens to most graduate students and their field research it was a formative experience with indelible impressions that remain today **Romania under Communism** Dennis Deletant, 2018-10-11

Communism has cast a long shadow over Romania The passage of little over a quarter of a century since the overthrow in December 1989 of Romania's last Communist leader Nicolae Ceau escu offers a symbolic standpoint from which to penetrate that shadow and to throw light upon the entire period of Communist rule in the country An appropriate point of departure is the observation that Romania's trajectory as a Communist state within the Soviet bloc was unlike that of any other That trajectory has its origins in the social structures attitudes and policies in the pre Communist period The course of that trajectory is the subject of this inquiry *Area Handbook for Romania* William

Giloane,James M. Moore,Eugene K. Keefe,Neda A. Walpole,Donald W. Bernier,Lyle E. Brenneman,2022-08-10 The Area Handbook for Romania is a handbook displaying facts and figures about the country of Romania Excerpt GOVERNMENT Constitution of 1965 provides for a unicameral legislature and a collegial executive known as the Council of State Romanian Communist Party controls elections and runs the government at all levels **Emigration Waiver to the Socialist**

Republic of Romania and the Hungarian People's Republic and Nondiscriminatory Treatment of the Products of Romania United States. Congress. House. Committee on Ways and Means. Subcommittee on Trade,1978 **Ruler**

Personality Cults from Empires to Nation-States and Beyond Kirill Postoutenko,Darin Stephanov,2020-09-13 Encompassing five continents and twenty centuries this book puts ruler personality cults on the crossroads of disciplines rarely if ever juxtaposed before among its authors are historians linguists media scholars political scientists and communication sociologists from Europe the United States and New Zealand However this breadth and versatility are not goals in themselves Rather they are the means to work out an integrated approach to personality cults capable of overcoming both the dominance of much discussed 20th century poster examples Bolshevism Nazism Fascism and the lack of interest in the related practices of leader adoration in religious and cultural contexts Instead of reiterating the understandable but unfruitful fixation on rulers as the cults focal points the authors focus on communicative patterns and interactional chains linking rulers with their subjects in this light the adoration of political figures is seen as a collective enterprise impossible without active if often tacit collaboration between rulers and their constituencies Area Handbook for Romania Eugene K.

Keefe,1972 *America and Romania in the Cold War* Paschalis Pechlivanis,2019-03-26 This book examines the US foreign policy of differentiation towards the socialist regimes of Eastern Europe as it was implemented by various administrations towards Ceausescu s Romania from 1969 to 1980 Drawing from multi archival research from both US and Romanian sources this is the first comprehensive analysis of differentiation and shows that Washington s Eastern European policy in the 1970s was more nuanced than the common East vs West narrative suggests By examining systemic Cold War factors such as the rise of détente between the two superpowers and the role of agency the study deals with the dynamics that shaped the evolution of American Romanian relations after Bucharest s opening towards the West and the subsequent embrace of this initiative by Washington as an instrument to undermine the unity of the Soviet bloc Furthermore it revises interpretations about Carter s celebrated human rights policy based on the Romanian case pointing towards a remarkable continuity between the three administrations under examination Nixon Ford and Carter By doing so this study contributes to the field by highlighting a largely neglected aspect of US foreign policy and uncovers the subtleties of Washington s relations with one of the most vigorous actors of the Eastern European bloc This book will be of much interest to students of Cold War Studies US foreign policy Eastern European politics and International Relations in general *Perspectives on Loss and Trauma* John H. Harvey,2002 Written by a key founder in the field of loss and trauma this is the first book to bring together the twin fields

of loss and trauma It reviews theory and research on a sampling of loss and trauma phenomena that include losses due to the death of close others divorce and dissolution losses due to disease processes and injuries losses due to unemployment and homelessness war and violence and the Holocaust and genocide discusses relevant therapy approaches and emphasizes a story telling approach to coping with major loss contains scores of stories of persons confronting stress and of the courage displayed by so many in the face of profound loss in their personal lives includes consideration of cross cultural international perspectives on loss exploring both universal and individual characteristics of different groups SPIN ,1990-03 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks

Romania since the Second World War Florin Abraham,2016-11-17 CHOICE Outstanding Academic Title 2017

Romania since the Second World War is the first book about Romania designed to chart the progress of the nation under the communist regime as well as the transition period that followed providing detailed analysis of the aspects of continuity and change that can be identified over the period as a whole The book begins with Romania s involvement in the Second World War looking at the communist regime in depth It examines how communism took hold and the elimination of traditional elites took place before discussing the impact of Gheorghiu Dej and Nicolae Caeusescu the two most important leaders of the communist era The following chapters cover the main social and economic changes during the communist regime The second part of the book explores the transition period following the end of communism in 1989 with special attention given to international relations and Romania s drive for inclusion in NATO and the EU Romania since the Second World War assesses socio demographic trends across the postwar period before concluding with some thoughts on the nation s development during this time The book includes a useful appendix covering the key figures in Romania s recent history and a helpful bibliography making this a key text for anyone interested in the modern history of Eastern Europe 7 *Dictators Who Change The World* Kalyani Mookherji,2021-01-01 Explore the tumultuous lives and legacies of history s most influential dictators with Kalyani Mookherji s compelling exploration 7 Dictators who Changed the World Step into the shadows of power and tyranny as Mookherji delves into the lives of seven of the most notorious dictators in history From their rise to power to their reigns of terror Mookherji offers a fascinating glimpse into the personalities motivations and impact of these larger than life figures who left an indelible mark on the world Themes of power ambition and oppression resonate throughout the narrative inviting readers to contemplate the complexities of authoritarian rule and its lasting consequences With insight and analysis Mookherji explores the factors that propelled these dictators to power and the ideologies that shaped their rule from fascism to communism and beyond Through meticulous research and vivid storytelling Mookherji

brings to life a cast of unforgettable characters from the charismatic leaders to the ruthless tyrants who shaped the course of history. From Adolf Hitler to Joseph Stalin, from Mao Zedong to Saddam Hussein, each dictator is presented in all their complexity, shedding light on the forces that drove them to greatness and ultimately to downfall. The overall tone of the book is one of intrigue and caution, as Mookherji warns against the dangers of unchecked power and the allure of authoritarianism. With its blend of history, biography, and political analysis, *7 Dictators who Changed the World* offers a comprehensive and compelling portrait of the rise and fall of dictatorial regimes. *7 Dictators who Changed the World* has earned praise for its engaging storytelling, meticulous research, and thought-provoking analysis. Critics and readers alike have praised Mookherji's ability to navigate the complexities of dictatorship with clarity and insight, making this book a must-read for anyone interested in the forces that shape our world. Whether you're a student of history, a political enthusiast, or simply curious about the lives of history's most infamous leaders, *7 Dictators who Changed the World* offers a captivating journey through the dark heart of power and tyranny. It's a compelling exploration of the human condition and the forces that drive individuals to greatness and infamy. Don't miss your chance to uncover the secrets of power and tyranny with Kalyani Mookherji as your guide. Grab your copy now and embark on a journey through the lives and legacies of history's most notorious dictators.

Thugs Micah D. Halpern, 2007-08-19 An incisive look into the lives, politics, and horrible deeds of fifty-six of history's most notorious world leaders and how they shaped our world for the worst. For the most notorious leaders in the history of the world, evil is more than just a moment of weakness; it's a way of life. For every noble king, righteous emperor, and peace-loving president, history seems to serve up a double portion of murderous pharaohs, deranged dictators, or corrupt czars. *Thugs* probes this dark and twisted side of raw human power, from France's King Louis XIV to China's Mao Tse Tung and everywhere in between. It's a fascinating peek into the lives of the rich and infamous, the sour cream and de la cream. Some, like Herod the Great, earned villainous reputations for slaughtering their own family members and countrymen. Others, like Egypt's King Farouk, were almost laughable in their misdeeds, amassing the world's largest collection of pornography. Then there are those leaders, such as Hitler, who committed acts of such unspeakable evil that their names are uttered as curses. From Filipino first lady Imelda Marcos's bullet-proof bra to African strongman Idi Amin's bizarre fixation with all things Scottish, Micah D. Halpern turns the yellowed pages of history and contemporary news accounts to profile the bewildering, outrageous, horrific, gut-wrenching, zany, and tragicomic behavior of the world's worst leaders. Praise for *Thugs* Written in short, easy-to-digest sentences, columnist and historian Halpern fills his brief sketches with colorful, terrible details in the manner of that rare, beloved history teacher whose lectures stir rapture in a nap-prone student body. Publishers Weekly

Decoding **Romanias Ceausescu**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
